

Shabbat Shalom Kol Yisrael,

Today is the 29<sup>th</sup> Day of the 6<sup>th</sup> month, and is the Last Shabbat of this month. Tonight at sunset begins the 30<sup>th</sup> day of the 6<sup>th</sup> Month.

Then on the pagan saturday night at sunset, begins Rosh Chodesh of the 7<sup>th</sup> Month, which is also the Annual Moadim of **Yom Teruah/Day of Trumpets**.

**Remember:** Yom Teruah is an **Annual Shabbat**. So you cannot do what you normally do on a regular Rosh Chodesh, as since it is an Annual Shabbat, all Shabbat 'rules' apply, including no work (for pay or not for pay) is allowed, no cooking, and of course no buying or selling which isn't allowed on Rosh Chodesh anyway.

So the 30<sup>th</sup> day this month is Preparation Day for Yom Teruah, Use It.

There are many who have already kept the 7<sup>th</sup> month, just like they did Aviv, a month too early, as did the jewish calendar. They kept all the Moedims of the 7<sup>th</sup> month in the summer, before the "Turn of the Year" occurred after harvest time. Just as they kept Aviv/ Pesach when it was still winter, before the "Turn of the Year" in the spring time ever occurred.

Last year actually had 13 months, but the jewish calendar and most others only kept 12 months. As people control the calendar only wanted 12 months, instead of reading Yahuah's Two Witnesses, the Sun and Moon to know the Correct Time.

We showed this last year in the newsletter with photos, showing that the turn of year had Not occurred in the 12<sup>th</sup> month, which told us that a 13<sup>th</sup> month had been created. Then on the 15<sup>th</sup> day of the 13<sup>th</sup> month we were able to see that the Turn of the Year had occurred.

Here is the newsletter for the 13<sup>th</sup> month 15<sup>th</sup> day 5994sc (last year) showing the photos of the 12<sup>th</sup> month (*Turn of the Year had not yet occurred*) to compare to the photos taken in the 13<sup>th</sup> month (*Turn of the Year had occurred*):

<http://www.yhrim.com/Turn of the Year has ocured 13-15-5994.pdf>

This was only yet again confirmed this month, at the 15<sup>th</sup> day of the 6<sup>th</sup> month. Even though the one witness of the moon had turned over its primary direction, again as we have stated many times, it takes BOTH Witnesses of the Sun AND Moon. We received multiple verifications from different people who was watching who all said that although the sun was 'getting close', it had **Not yet Turned at by the end of the 15<sup>th</sup> of this the 6<sup>th</sup> month.** However, by the 15<sup>th</sup> of next month, the **Sun AND Moon** will have Both 'Turned', and it will once again verify at that time, THE CORRECT 7<sup>th</sup> Month. At which time Sukkot begins.

**As we have taught for the past 4 years, This Particular Yom Teruah/Day of Trumpets, which is the 1<sup>st</sup> Day of the 7<sup>th</sup> Month, also begins the Last 3 ½ years, The Great Tribulation, & The 1290 Days of Daniel.**

As we have stated in past newsletters and teachings, the church system is looking for 'big miraculous signs' (*which if they did occur it would break the Word – Mattityahu 24*), which their signs are fairy tale fable's they have made up just like the false rapture. They use these 'ear tingling' fairy tales to make themselves feel better, as so long as they don't see these fabled signs come to pass, they have '*nothing to worry about*' and they stay asleep in the pews.

And if something was to resemble one of their fables, or when all of the destruction begins to fall upon this earth, then they always have the false teaching of their fairy tale rapture to console themselves with... at least for a short time until they realize it isn't going to happen.

**The Facts of the Word are far different from their '*ear tickling fables*'.**

Not only will the church not be 'raptured' to miss the Great Tribulation as they falsely teach. But because they have believed the lies of satan which he has taught through the multitudes of false preachers and organizations, and have not tried to serve Yahuah and become obedient to His Word, and instead only serving themselves. They will also not be counted worthy by Yahuah to escape the Great Tribulation in the Wilderness. They will instead be taken away by the 'flood' that is sent out from satan using the beast system. And even though the 'flood' this time is not water, but armies with the 'sword', the end result is the same: death. – *Gilyahna/Revelations 12:15-17*

This will also sadly occur to many Yisraelites who are not prepared and have stayed in the Cities of Babylon, because they refused to believe, or who were too busy to see,

the multitudes of Signs that Yahuah has given to this generation to know the time - *Gilyahna/Revelations 12:17*

Because they stay in Babylon and do not flee into the wilderness away from the literal cities, they will be caught when Babylon is destroyed- *Gilyahna/Revelations 18:4* (*read all of chapter 18*)

We have tried to warn Yisrael to get out of the cities, and to get prepared for the destruction that was coming. Now that destruction is nearly upon this generation.

Moshe EliYahu, the overseer of YHRIM, sent out a newsletter several months ago, specifically trying to warn people in the church, and those who still believe and have carried with them the teachings of the church, to get ready to face the Great Tribulation. This letter can still read, downloaded, saved, printed, and shared, from the YHRIM Newsletter archive. Here is the Direct Link:

We have posted on different articles on our Facebook Current Events page, that we do Not expect anything to occur on Yom Teruah/Day of Trumpets, which is the pagan roman date of oct 6<sup>th</sup>. Not only do we expect nothing major to occur that day, but it possible that nothing will occur even in the weeks afterward, maybe even into the next month or longer. Why?

**Because Noah is our Example:** After he and Methushelach/Methuselah warned the people of the earth for 120 years that the destruction was coming. Methushelach died, Noah and his sons buried him. Then Noah, his family, and all the animals that Yahuah sent, boarded the Ark. All the while the world laughed and continued to 'marry and given in marriages', and all the things of the world, and still yet did not believe any destruction would come.

Then 7 Days after Noah and his house entered into the ark, the rain began to fall - *Beresheeth/Genesis 7:10*. Then and only then did the world believe, as it had never rained before - *Beresheeth/Genesis 2:5-6* But when the destruction came (rain/flood) it was already too late.

It will be the same for this generation as well. By the time the destruction comes, Yahuah will have already shut the door, and Yisrael will already be sealed in the Wilderness. So whenever the destruction of Babylon does come, whether it be days, weeks, or even months from now, one thing is for certain: It will be after the

Last 3 ½ Years/The 1290 Days of Daniel has begun, and Yahuah has shut the door and Sealed Yisrael all around the earth, in whatever nation they dwell.

The destruction of this nation is growing closer every day. Everyone, except for most of the US citizens, can see it. They have and are making this nation more and more vulnerable by the day. Our enemies are already here carrying their swords, and many more will be here soon.

In the past 4 years, we have told you there was a '7 year' global famine, and each year it would get worse, and it has, even though most citizens here in the US '*don't see it*'.

We told you to watch for many events to take place due to the continued weakening of earth magnetic field. This included the 'northern lights' appearing in places they should never be seen, Last year they were seen in many states and nations which had never seen them before, as far south here in the US as Mississippi and Alabama.

We told you that magnetic north was moving much faster than what NASA or any other government agencies had claimed, and that bird's migratory patterns were off, and that planes were missing their airports because their compasses are wrong to the point they couldn't compensate fast enough. So air ports have had to remark all of their run ways because their compass degree designations were wrong. They also diverted all airlines around the north pole due to 'radiation' concerns, which was because the magnetic field is no longer strong enough there to block the UV radiation from the sun.

We also stated 4 years ago, that due to the continued weakening of earth magnetic field, meteor activity would increase in multitude, size, and that eventually there would be more and more meteors reach the ground and would begin to impact buildings and cities. Just this pagan month of september, it broke the record for being the highest significant meteor impacts ever to occur in one month. Then just a few days ago, in Ohio a man and his wife died in their home, when it was struck by a meteor. The impact caused a Six Alarm fire (*six fire departments responding*), yet the house still burned to the ground. Of course the main stream media avoided reporting about this event, almost entirely. Also during this time, many low altitude 'fireball' meteors were seen by thousands of witnesses in over 30 states, plus Canada and other nations.

And of course there was a much larger meteor just a few months ago that would have hit russia if they hadn't shot it down. And even with them shooting it down, the sonic

boom caused by its explosion at low altitude, caused several large factory buildings to collapse, blew out many windows across the city, and injured hundreds of people.

This is also why the sun feels hotter than it ever has, due to the fact that more and more UV radiation is getting through reaching ground level.

And again, all of these things will only continue to get worse, the weaker the magnetic field becomes. And this is all besides the events by man, the beast system, the wars, the police state preparing to lead the sheep to the slaughter in many nations, and many, many other events taking place each and every day.

We have posted many 'Signs of the Times' Current Events and Articles on our facebook page over the past several years, even though we are only able to post a few compared to the multitudes of events taking place. You who are Watchmen in Yisrael, know that there are so many events taking place, one cannot even begin to keep up with, let alone share, all of the things taking place in these last days.
