This is Yahweh's Calendar, the same Calendar that was used by all of Israel for thousands of years. The colors represent Set-Apart (Holy) days of the month. General Color Codes are: **Yellow = New Moon** which is the 1st day of the Month. **Blue = Shabbat (Sabbath)**, **Green = Feast Days or High Days**. Specific Set-Apart Days are: The Beginning of the New Year is **Abib 1st, New Moon Day**, is march 20th on the Roman calendar. **Aviv 14th** is Pesach (Passover). **Aviv 15th – 21st** is Feast of Unleavened Bread. **The 7th Day of the Third Month** is Feast of Weeks or Shavuot (Pentecost). **The 1st Day of the 7th Month** is Blowing of Trumpets. **The 10th Day of the 7th Month** is The Day Atonement. The **15th – 22nd of the 7th month** is Feast of Sukkot (Tabernacles). **The 25th of the 9th Month through the 2nd of the 10th month** is the Feast of Lights or Chanukah (Hanukah). The **14th – 15th of the 12th Month** is Purim. At the end of a month there will be 29 or 30 days as shown and every 3 years a 13th month, Adar 2, as shown at the bottom of the calendar. The moon has a 19 year cycle then it starts over. Look at the **calendar we use every day on the other side** and you can see what happens to Yahweh's Lunar Solar Calendar when it is inserted into the roman calendar. It becomes more complicated to read, but keep in mind it is the exact same calendar as you see above.

We have a Sabbath document that proves the Lunar-Solar calendar from Scripture that YHWH taught me over a period of **seven years**. This document will help people to understand the True Sabbath, You can find "The True Sabbath" at WWW.YHRIM.COM. This is an Evangelistic Ministry, Shalom (peace) in the name of Yahshua.
