Restoration of All Things Yisraelite Chaverim Network

Gathering Together Waiting to Return to the Land of Promise...

A message to all members of Restoration of All Things Yisraelite Chaverim Network & YHRIM Mailing List

Shabbat Shalom Yisrael!

This evening at sunset began the 22nd day of the 11th month of the Restored Scriptural Year 5993 s.c. We pray that everyone has a Tov/Good Blessed Shabbat!

We have been wanting to send out a message several times in the past week or so, but we've had much to do. So this message will cover several topics, info, & updates.

There will be at least one more message sometime between this week and next week about the new calendars (which are now available). Also about observing the True Pesach/Passover, which is coming up shortly, so everyone needs to have a Whole Lamb found and selected to keep Pesach according to Yahuah's Word. Plus we will also touch on other topics, so be watching for upcoming messages. This message and all future messages will also be available in PDF format under the new tab in the network navigation bar titled "Message Archive".

About a month ago we sent out a broadcast message to the Restoration of All Things Network members and the YHRIM mailing list, that we were going out west to acquire some items in which we need as part of our preparations to leave. We were away for nine days, traveled 1300 miles by train, and then another 2100 miles total by vehicle, for a total of about 3400 miles total by the time we made it back home. We took a train from Indianapolis to Chicago, and then from there to Albuquerque, New Mexico. In Albuquerque we purchased a **1968 M35A2 - 2 1/2 ton Military 6x6 cargo truck**. This truck was military depot rebuilt in 1989, and was released later on from national guard service to government surplus and then to a private seller. This truck was designed to carry and tow heavy loads over highway and rough terrain in multitudes of conditions. It has what is called a multi-fuel engine, which means its main fuel source is diesel, but it can also run on a mixture of other fuels, such as oil, transmission fluid, gasoline (mixed with oil) and other fuels, if the situation requires it.

After we left Albuquerque, we drove a rental car to Phoenix Arizona where we purchased a **1986 M1008 1 1/4 ton diesel truck**, which is based on the Chevy K30. This truck only had just over 10,000 original documented miles.

Both of these trucks will still run even if they are hit by an EMP type event. Irregardless if that EMP event is caused by solar flare/coronal mass ejections, or some form of nuclear activity. They have no computers/ecu/ecm's. They do not have any sensors in the respect of "modern" automobiles, and any types of "sensors" they do have, if the part fails, the vehicle will still operate. In short, that are not near as brittle as modern type vehicles, a few spare parts is easy to carry and easy to replace. They are **off-road capable**, even when carrying loads, pulling trailers, and when having to go into mountainous/wilderness type environments.

We have been going through the trucks, finding anything that needs attention, repaired, and all required maintenance.

We sold our 2008 Honda Element suv last spring, and then began to look for trucks shortly after that time. This is just another part of our preparations that we are making to be able to leave, as Yahuah commanded us to do this past Aviv during Pesach/Passover service. If you remember it, we shared that message over the network, the first part of which was: **"Get your staffs in your hand and your shoes on your feet. For this is the day that you have waited for. The exile of Yisrael is ended.."**

Which this also was a confirmation of what is Written in Yahuahs Word. And what Yahuah has taught my Abba, Moshe Eliyahu, over all these years. Also what Yahuah taught me on the Restoration of the Scriptural Year, which proves from His Word, the Day and Hour we live in. This is besides **all of the signs** that have been and are happening all around the earth everyday!! Even the many very recent sightings of the **northern and southern lights**, being seen in many places around the earth which **have not seen them before**, even by many people here in Indiana took photos and video of them. They were also seen as far south as the Carolina's, Arkansas, Mississippi, and other southern states, plus in many other countries around the earth. We stated well over a year ago that this would begin to occur as the magnetic field continues to weaken. Of course all the news will say about it, is people should watch the "pretty lights", never stating what it really means. This is one of the signs in the Shamayim/Heavens, which all the other signs that are written in **Luka 21:11** are **ALL** occurring, and have been increasing in intensity and number since the beginning of the 7 years/Daniels 1 week. These are the Physical Signs to those who are watching in Yisrael which show the Day and Hour in Which we live: **Luka 21:11 "And great earthquakes shall be in diverse places, and famines, and pestilences; and fearful sights and great signs shall there be from the shamayim; and the winters shall be severe."**

All of these things, and many more, are taking place on a daily and on-going basis all around the

earth. Open your eyes and ears Yisrael and See and Hear Yahuahs Word being fulfilled. We as Yisrael are not to be in the dark: **Tesloniqyah Alef/First Thessalonians 5:4 "But you, Yisraelite brothers, are not in darkness, that the day (Yom Yahuah/Day of Yahuah) should overtake you as a thief. 5 You are all the children of Light, and the children of the Yom: we are not of the night, or of the darkness. 6 Therefore let us not sleep, as do others; but let us watch and be sober."**

Yisrael, Yahuah has spoken forth much in this year. He wants us/Kol Yisrael to be obedient. He is telling Yisrael to prepare to leave! The events that have been taking place in the past 2 years, since the beginning of 5992 s.c. (Aviv 2010-2011) have increased in speed and intensity every day. Why? **Because we are in the 7 Year / 7 Days / 1 Week of Daniel in which Yahushua Confirms the Brit/Covenant with Many!**

Daniy'el/Daniel 9:27 " And He shall confirm the brit/covenant with many for one week: and in the middle of the week He shall cause the sacrifice and the offering to cease, and on the wing/corner of abominations, even until the complete end of the olam hazeh/this age, which has been determined and shall be poured upon the one who lays waste."

My Abba/Father and Eema/Mother left the church system even before I was born (which was the roman year 1982). So I was brought up outside the church system. And as such, there are many teachings that the church system teaches, that I did not know about, as I never heard them.

So when I first taught the "Restoration of the Scriptural Year & The 70 Weeks of Daniel", I had no Idea what people were taught about this verse above in Daniel. **Which apparently most people still think and hold onto those church teachings pertaining to Daniy'el/Daniel 9:27, in which the church states this verse is all about the anti-messiah/anti-chrst!**

So Let's take a very close look and break down Daniy'el/Daniel 9:27, as this does need to be explained so that Yisrael can understand what is written in this very important verse:

"And He..." This is Not the "anti-messiah" as the church teaches! This "He" is **Yahushua ha Moshiach/Messiah!**

"...shall confirm the brit/covenant ..." This is speaking of Yahushua Ha Moshiach/The Messiah, who confirms the brit/covenant, what brit/covenant? **His Word is the Brit between Yahuah and His People Yisrael!** This is also speaking of the the Brit/Covenant that Yahuah made with Avraham! That the 12 tribes of Yisrael will inherit the promised land as is written. Which again brings us to today with the Brit/Promise from Yahuah that He will gather His People Yisrael a Second Time **Isaiah 11:11!** The Restoration of Yahuah's Word, which is His Brit/Covenant with Yisrael, was the beginning of the fulfillment of confirming the Brit!

"...confirm the brit with many..." How "many" and why not all?

The **"many"** here are those who are watching and will be obedient to Yahuahs Word! Unlike what many preachers state, Yahuah never tells Yisrael to be at ease or to just relax, Which is what is taught for the time of Pesach in Judisim. Yahuah always commands we are to be on guard and be watching and ready, and as He commanded Moshe/Moses & Yisarel they were to have their staff in their hand, and their shoes on the feet. In other words, they were to be dressed, prepared, and waiting intently, ready to leave as soon as it was commanded

"...for one week:..." How long does He confirm this Brit/Covenant? For **one whole week**, which in this verse is referring to the **Last 7 years**. Most people call this time the 7 year tribulation. Why?

Even though we are only in the second year, Look around the Earth and see the signs of the times and troubles that are happening. **Yes**, in the Word, it only refers to the last 3 1/2 years as the Great Tribulation, but this entire 7 year period is still a time of Tribulations.

When Yahuah states the Great Tribulation in reference to the last 3 1/2 years, He means it. Just as it is written in Mattityahu 24:21 "For then shall be Great Tribulation, such as was not since the beginning of the olam hazeh to this time, no, nor ever shall be." Yes it will be a time so much worse and with more troubles, than anything that has happened in the previous 5995 years of mans history. Just think about that for a moment, even when we know what happened during the days of the Great Flood and many, many other events.

Stop looking for someone/country/leader to sign a 7 year treaty! Treaties are signed and broken all the time! This is a false illusion and trap set forth by sa.tan through the **church system teachings**. While everyone is waiting and looking for an "anti-messiah" to sign a "7 year treaty", Bavel will fall with everyone still inside with it.

"...and in the middle of the week..." This is the dividing point of "the one week" which is the point between the first 3 1/2 years and the Last 3 1/2 Years. The beginning of the last 3 1/2 years starts in the 7th month of the year 5995 s.c. and is when the final destruction of Great City Bavel/Babylon will occur. Which Bavel/Babylon is this commercial beast system, as is shown and stated in Gilyahna/Revelation chapter **18**.

This time is only 20 months from right now. However, there will be much troubles and destruction in the previous 6 months leading up to the "middle of the week", which begins in Aviv of 5995 s.c. **That time is only 14 months away.**

"...He shall cause the sacrifice and the offering to cease..." The sacrifice and offering to who? This is not stating that the temple will be rebuilt and the sacrifice and offerings will resume by the priest hood before Yahushua returns, like the church system teaches.

These sacrifices and offerings are to the false idol worship that is going on in the earth today, that Yahuah is going to cause to cease.

Yahuahs Word Never teaches that the 3rd Temple will be rebuilt before Yahushua's Return. Again this is just **another false sign church teaching which keeps people looking for "a sign" that isn't going to happen.** And since people do not see this or other false signs occur, some of which we mentioned above, **they will not prepare and stay asleep. And it will come upon them as it did to those in Noah/Noahs Day, and to them in Sodom & Gomorah, Suddenly! People will look around and ask when did all these things happen?**

"...and on the wing/corner of abominations..." This is what it states in the RSTNE 3rd edition.

The 2nd Edition RSTNE states **"...and for the overspreading of abominations He shall make it desolate..."**

In the Hebrew Word, what is written is "...kanaph shiqquwts shamem..."

The first word Kanaph means: wing, extremity, edge, winged, border, corner, shirt.

But remember, we can not simply take mans definitions wrote in a dictionary and state it is correct. We must see how this word **kanaph** is used in Scripture and the let Yahuahs Word define its meaning. This time, the definitions above are seen in the many other Scriptures that it is used in, a few of which are: Shemoth/Exodus 19:4, Bamidbar/Numbers 15:38, Schmuel Alef/1st Samuel 24:4, Yeshayahu/Isaiah 11:12, and many more.

The second word shiqquwts means: detestable thing or idol, abominable thing, abomination, idol, detested thing

Again we see this defined by the Word in many verses, a few of which are: **Devarim/Deuteronomy 29:17, Divre HaYamim Bet/Second Chronicles 15:8, Yirmeyahu/Jeremiah 16:18, Nachum/Nahum 3:6, and many more.**

The third word Shamem means: to be desolate, be appalled, stun, to be stunned, stupefy, be awestruck, causing horror, to devastate, ravage, be astounded.

Again we see this defined by the Word in many verses, a few of which are:

Wayiqra/Leviticus 26:35, Schumel Alef/1st Samuel 5:6, Yeshayahu/Isiah 42:14, Yirmeyahu/Jeremiah 10:25, and many other verses.

So in the Hebrew the phrase "**...kanaph shiqquwts shamem...**" literally is saying **those who are in the outskirts/boarders who keep/serve/worship in the abominations will be destroyed/stupefied/ravaged/in horror at that time.**

This is exactly what happened to all the Yisraelites who were on the outskirts of the camp, who were not fully serving Yahuah, and only wanted to stay close enough to Yahuah/The Ark/The Word, to claim they were Yisraelites and to receive of the physical blessings, like the manna. They were the ones that were **luke warm, still accepting the teachings of men, not really wanting to serve Yahuah nor the Full Truth of His Word.** This is all written in **Bamidbar 11:1 And when the people complained, it displeased YHWH : and YHWH heard it; and His anger was lit; and the fire of YHWH burned among them, and consumed them that were at the outskirts of the camp.**

"...even until the complete end of the olam hazeh/this age..." What is translated here as "complete end of the olam hazeh" in other versions it is simply written as "the consummation".

In the Hebrew **this** is only one word: "**Kala**". What does this word mean? Another verse gives us the true answer.

This is the Last statement that Yahushua spoke in **Yochanan/John 19:30** before He gave up the Ruach/Breath when He was on the stake.

In Hebrew **Kala** can mean "**finished**" as it is translated in most versions from the greek. But in Hebrew it also means "**my Bride**". Yahushua was stating that He died for Yisrael **His Bride**, and this is what He was meaning and what His Lev/Heart was upon when He gave up His Breath. Not that He was finished... As Yahushua knew there was still about 2000 years or 2 days left until Yisrael would be regathered before His Return.

If we transfer this meaning of Kala from Luka to Daniel, since the same Word "**Kala**" is used in both verses. It would state "**...even until Kala/my Bride...**". This lines up directly with the teaching on the 70 Weeks of Daniel. At the end of the **last 3 1/2 years** (the great tribulation), in the 69th Week of Daniel, the **1290 days & 2300 days of Daniel**, both end on **Aviv 21st 5999s.c.** Then somewhere from Aviv 21st until Shavuot, a period of 45 days, **Yahushua haMoshiach will Return** just as Daniel wrote. And at the end of those 45 days from Aviv 21st brings us to the **1335 days of Daniel** which ends on the **3rd Month the 7th day**, this is the **Day of Shavuot**, which is the very day **when Yahushua will Marry Yisrael His Bride.** - This is all in the teaching "The Restoration of the Scriptural Year & The 70 Weeks of Daniel" on a freely available video teaching on our main

website www.YHRIM.com

"...which has been determined and shall be poured upon the one who lays waste." This is speaking of the plagues that will be poured out upon the two Beasts. One is **bavel the government/commercial Beast system**. The **2nd beast is the false religious system, no matter what denomination/division**. In Yahuahs Eyes there are only two women, the True Body of the Messiah/Yisrael/the Free Women, & then there is the False church system/bond woman/Harlot. There are main/major religions who make up most of the population of this false religious beast. The largest two are the catholic church & the other is the muslims. Although we may see and hear more out of these two main religions because they are the largest in number, the truth is that **all false religions** are **all part** of the **false religious beast system**. Not just any one particular religion, as I stated before, Yahuah see's all false religions as one.

We pray that this break down of **Daniel 9:27** will help people understand what this verse is actually speaking of. And allow them to change their perspective/view to be able to see what is really written in Daniel and many other verses of Scripture.

Pray and Travail for Kol Yisrael, for all your brothers and sisters who does not want to hear the truth of Yahuahs Word. Who does not want to accept what is happening in the Earth today. Who does not want to accept the lateness of the Hour. Who does not want to leave their bondage/slavery to this Beast system because they have been made **comfortable**. Who want to stay on the outskirts of the camp. Because no matter if a person is ready or not, Yahuah will not wait nor change His Timing for what He plans to do. That is why, over and over in the Word, it states we are to be **Watching, waiting, and Ready**. It is nearing the time to leave Kol Yisrael, some people have already been directed by Yahuah to begin to move and gather with others. If Yahuah has told you to do so, **Do not wait!** As He wants you to leave for a Reason, even if we may not be able to see it, and first and foremost if He has told you then it is His Command!

Do not let people lullaby you back to sleep Yisrael! If someone tells you that these things are not happening, Tell them to Open their Eyes, remove the blind fold, and Wake UP!! If they tell you that no one will know when we are getting near to Yahushua's Return, Tell them the multitudes of Scriptures that state about the events that are the **Signs of the Times/The Birth Pains of the Earth** which show and speak forth the Day and Hour in which we live! If they tell you that the jewish calendar year, or some other calendar year is correct, and **"sit back and relax, we are years and years away from the end"**, Then Ask them to prove their Year from **The Word Only!** As it takes Daniel and Many other Books to prove the True Restored Year of Yahuahs Calendar. Not just a paragraph or two, and not based upon mans words or thoughts, or so called "history". **Yahuah said Yisrael was not to be in the Dark, He wrote All of His Times in His Word. Just as He Commanded us to keep the weekly Shabbat and annual Moadim/Feasts Days, and then Wrote His Annual Calendar in His Word so that we could keep His Commands. He also Commanded Yisarel to keep the Sabbatical and Yovel/Jubilee Years, therefore He Had to Write the Correct Restored Year into His Word, other wise there would have been No Way to Find the Correct Sabbatical and Yovel Years! This would contradict His Word!**

No, do not let any man deceive you! Make them back up their statements with The Word! Make them show you verse by verse, and don't let them just cherry pick one verse either, as it takes all the verses to teach a subject fully and correctly. **Then** Go and Study the Word Diligently, as Each Person Must Study Yahuahs Word to show themselves approved. Because ultimately your salvation and obedience to Yahuahs Word is on Your Own Shoulders, no one else.

We are nearing the end of the 2nd Year of Tribulation/Famine and preparing to enter the third year. And the Judgment of the Nations will increase Seven Fold more than what they were this year, just as they did from this year compared to the year before, as is stated in **Wayiqra/Leviticus 26**. The global famine (which most people do not even know about unless you are really watching and searching) that we have seen this past two years will increase greatly. Here in the US, most people have at least heard a little "tid bit" on the news about Texas. This past year, Texas was hit hard by the famine and it continues in the famine, but many other western grain and other food staple states were hit hard as well. Do not expect to watch the evening news and hear what is really happening. As the media is nothing more than government propaganda.

As mentioned earlier, Yahuah spoke this year (5993 s.c.) in this past Aviv at Pesach that Yisrael's Exile was ended. Which we knew that the previous year 5992 s.c. was a Sabbatical Year. Since the Word that Yahuah spoke forth this past Aviv, we have understood that 5992 s.c. was the last Sabbatical Year in the years counted in the Exile of Yisrael.

Since this past Aviv when the Exile was ended, Yahuah has begun to gather His People Kol Yisrael in His Hand. This is no longer something that will happen, nor something that is in the future. **It IS happening Right Now** as we have heard how Yahuah began to tell some of the first people last Aviv to leave from where they have been and go to where He has told them to begin to gather in temporary locations. And we know some personally that has done this to be obedient to Yahuah. **But the places that people are gathering are still only temporary, as this move doesn't end there!!**

This is just the beginning, this year will bring about a major move for Yisrael as All Yisrael who is watching and will heed Yahuah's Call will begin to physically leave Mitzrayim/Egypt/Beast System and gather in the wilderness!!!

This is the beginning of the **2nd Exodus of Yisrael!** It is not just to leave this system. It is not just to leave Bavel/Babylon before she falls!

The Reason to Leave, the Reason for the Exodus is to be obedient to Yahuah as He Leads Yisrael HOME! It is time to go Home Yisrael!!! We have been in exile scattered into the nations for a long time, but now it is time to get up and once again become sojourners as Yahuah Commands, and to go Home to Eretz Yisrael/The Land of Yisrael. As it is the only place that Yisrael can and will have rest and to serve Yahuah fully with all our levim/hearts and all our strength!! Yisrael, Praise Abba Yahuah, for this is the last time we will have to make a journey!!!

We Pray Yahuah in Yahushua's Kadosh/Set-Apart Name, Help us to Hear and be Obedient to You. Lead us as you led Moshe & Yisrael during the First Exodus from Mitzrayim. Heal Kol Yisrael and Restore to Yisrael the Strength of the Son's of Ya'akov, as You Healed Yisrael at the 1st Exodus as is seen in **Tehillim/Psalms 105:37** and other verses. Lead us into the wilderness as your Word states where You will Deal with Yisrael **Face to Face**. Lead us Home to Eretz Yisrael for which you made a brit with Avraham that it would given to his zera/seed as an everlasting possession. Lead us to Yahrushalyim the Lev/Heart of the Earth, to serve you continually night and day. **HALLELU YAH!!! Ezekiel 20:34-44**

Selah & Shabbat Shalom!
