Gathering Together Waiting to Return to the Land of Promise...

## **A message to all members of Restoration of All Things Yisraelite Chaverim Network**

### **Shabbat Shalom Kol Yisrael!**

The Last Shabbat of the 8th month just began a short while ago here (EST). This begins the 29th Day of the 8th month! We have a 30th day tomorrow, then Rosh Chodesh/1st Day of the 9th month begins (*sunset on nov 25th - sunset nov 26th*).

We also want to welcome our new members to the network! We pray that you will find the teachings, information, and fellowship here helpful and strengthening.

I know we sent out an email about a month ago about "thanksgiving". This, like all of their "holidays" is another pagan day, coming from pagan roots of false worship against Yahuah. Yahravam/Jeroboam claimed that he moved Yahuahs Moed/Appointed Day from the 7th month to the eighth month. He Did not have the power to do this, as Yahuahs Days Never Change! This day is one of many sins that Yisrael has participated in of which Yahuah judged Yisrael, and was one of the reasons that Yisrael was cast out of the Promise Land and scattered into the nations.

Although many men, who should know the Word and claim to be teaching truth, turn around and tell Yisralite people that they can or should keep 'thanksgiving'. Do Not Fall for this Trap, no Matter Who it is coming from! Do not Follow Men, Follow Yahuahs Word! If you keep 'thanksgiving' then you are continuing in the sins of Yahravam/Jeroboam! 'thanksgiving' Should NEVER be kept by an Yisraelite! It was and always will be a pagan day of worship, which was later connected to zeus and many other false s.atanic "gods".

If you just change and keep it on a different day other than the national "official" day, you are still keeping thanksgiving.

So we hope and Pray that there are no True Yisraelites that will continue to participate in this pagan worship. **If we want to return to Eretz Yisarel/Land of Yisarel, then we can not continue in the same sins that got Yisrael cast out of the Land in the first place!** On top of all that, if they do this year, not only will they be sinning against Yahuah in pagan sa.tanic worship, they will Also be Breaking Yahuahs set-apart Shabbat!

We have a short document titled "'The 'American Thanksgiving' It Came from the Pilgrims.... Right??" which brings out the basics of where "thanksgiving day" really came from, and some of the additional worship that was added it it later... Like zeus's horn of plenty. This is just a basic short document, If you have not read it, or if you know someone who is still keeping this pagan day, we have this freely available on our main website at [www.YHRIM.com](http://www.YHRIM.com) on the homepage.

Or here is the direct document link:

**Please forward this email to others who needs to hear this, as the real love of Yahuah is to get your fellow brothers & sisters of Yisrael out of sin!**

**On another note**, as winter dawns upon all of us here in the northern hemisphere, and summer draws near for you in the southern hemisphere, We pray that everyone is still getting prepared. Food and other essential supplies should be toward the top of your list, plus other tools, gear, and useable transportation when the time comes to leave.

The economy and government rule, will continue to get worse, and supplies will continue to get higher price and grow shorter, in this and all other nations, as the great city Bavel/Babylon continues to deteriorate. Which ends with Yahuahs Final Judgment against Bavel/Babylon, at which time Bavel will totally collapse. **This is not a matter of IF, but just a matter of When... It is Written.**

From what we understand from Yahuahs Word, in relation to the Restored Year and the 70 Weeks of Daniel. I believe that the Final Judgement of Yahuah against Bavel will begin in Aviv/1st Month of 5995s.c. (Aviv 2013). We also believe that this will be when the **Two End Time Witnesses** (*which is either literally two men, or possibly 70 men specifically chosen by Yahuah from the Two Houses. Yisrael being the Northern House & Yahudah/Judah the Southern House.*) who will be revealed and given the power from Yahuah to call in the Plagues. From what we understand from what is written, The complete collapse of Bavel will take approx 7 literal months. Which bring us to the **7th month of 5995s.c.** which is also the **beginning** of the **last 3 1/2 years**, a time also known as **The Great Tribulation**.

**Yisrael is Commanded that We come out of Bavel, this is two fold.** It is first and foremost spitiually, by coming out of false worship. Secondly, it is to come out physically. How? The whole commercial beast system is Bavel/Babylon. We are not to rely upon this system. If we are still reliant upon this system, and still caught in the cities of this Bavel System, then we will be caught in her plagues as well. This is written in **Gilyahna/Revelations 18:4** **And I heard another voice from the shamayim, saying, Come out of her, My people-Ami, that you be not partakers of her sins, so that you receive not of her plagues.** If a person is in Bavel, either spiritually or physically, you will be caught in her plagues. This is why we have said many times that we need to be leaving the cities. - Staying in the cities was one of Lot's major mistakes. If a person understands anything about Lot, you will realize he lost Everything he had, including his own wife. **You Do Not Want to be Like Lot... You want to be like Avraham.** - In the Word, when Yisrael was facing times of trouble and peril, time and again fled to the mountains. And we know that Yisrael will be in the wilderness the last 3 1/2 years - **Gilyahna/Revelations 12:6.** So we should be placing ourselves in a position to flee into the wilderness when the time comes.

Now we know that Bavel is a type of the commercial beast system. Just like in Gilyahna/Revelations it speaks about how the merchants wail in fear and torment, because they can no longer sell their wares. However, this is not the end of all of the governments, they will still exist along with the armies, until Yahushua returns and completely destroys them.

**However, once Bavel collapses, no one will be able to get supplies.** Anyone that did not heed what is written in Yahuahs Word. **Like the foolish virgins, who were caught unprepared, who did not know they did not have oil until it was needed.** Anyone who does not stay and continue in Truth, separating themselves from false teaching, and preparing for the 2nd Exodus of Yisrael. If a person has not done those things, then they will still be in Bavel, and they will be caught in this beast system when it collapses. And they will be reliant upon the government beast system. And at this time: **Mattityahu/Matthew 24:20 "But make tefillah that your flight is not in the winter, neither on the Shabbat: 21 For then shall be Great Tribulation, such as was not since the beginning of the olam hazeh to this time, no, nor ever shall be."**

**And for those who still don't understand what is going on in this and many other nations right now - nazi germany and the holocaust was just a trial run.** If you don't believe that it will be worse than that, then **re-read Mattityahu 24:21** above.

We will soon be adding new content, discussion, and more, to the Restoration of All Things Network, that will be dealing directly about preparation, supplies, skills and more.

**We pray that everyone has a Tov/Good Shabbat & Rosh Chodesh, and Yahuah Bless you in Yahushua's Name!**

**Shabbat Shalom,  
Yahushua ben Moshe Eliyahu**
