A message to all members of Restoration of All Things Yisraelite Chaverim Network

Shabbat Shalom Kol Yisrael!

This evening as the sun set, it began the 8th Day Shabbat of the 10th month of 5993 s.c. (**since the creation of Ahdam/Adam**)

And although tonight is jan 31st on the pagan roman calendar.... this is **NOT** new years. Yahuahs Year does not start in the middle of winter when everything is dead. His Year begins in Aviv when everything begins to turn green and come to life. The time that Aviv begins, is controlled by and spoken forth by His Two Witnesses the moon and sun.

By Projections, the True Rosh Hashanah (Head of the Year/New Year) begins in just under two months. We will be going out this month and next month on the 15th days, to read and confirm the Turn of the Year which tells us when Aviv begins. I am sure that many of you and others around the earth will also be doing the same.

If you do not know how to read the "Turn of the Year", we have this teaching on our website www.YHRIM.com. The direct link to the document is: www.yhrim.com/The_Turn_of_the_Year.pdf

Everyone needs to know how to read the turn of the year, and also all the days of the month, to also know when Rosh Chodesim/new moons, Shabbats, & all the Moadim are. **As when tools like the moon phase calendars, conjunctions calculations, and etc no longer exist. The only way you will be able to know Yahuahs Times is to be able to read the moon and the sun, the witnesses that no man nor sa.tan can change.**

And for those who think that saturns-day or suns-day or etc. is the shabbat, and it has been an "7 day unbroken chain from creation". Which in turn means you believe that the Shabbat is not controlled by Yahuahs Witnesses the Moon and Sun.

Then let me bring your attention to a very recent case this very week where the roman days were changed:

If you have not heard about the man made "international dateline" being changed for the pacific island nation of Samoa. The story is that they decided that they wanted to move from the east side of the dateline, to the west of the dateline. So on **thursday night dec 29th** they went to bed, and when they got up the **next morning it was saturday dec 31st!**

They just skipped friday dec 29th altogether!

So this made them the first nation to "bring in the (pagan) new year".

You can read about it at this link and many other news articles:

<http://www.abc.net.au/am/content/2011/s3399768.htm>

So if you believe the "7 days unbroken chain" from creation myth, **WAKE UP!** They have even broke it

this very week!

What do you think that men did when they created the man made "time zones" around the earth? And when they created the man made "international date line"! WAKE UP!!! The pagan roman calendar is a man made sa.tan designed calendar that they change ANY TIME at will when ever it is convenient! Let alone all of the other things that shows how the pagan babylonian, alexandrian, cesar, roman, gregorian calendar, was changed time and again throughout its history.

WAKE UP KoI YISRAEL! Yahuah gave us the command to keep His Shabbat and His Appointed Times! They are Appointed by Him, and He commanded the moon and sun to speak forth His Calendar!

He NEVER told Us to go after or use a pagan calendar. In fact the pagan calendar is Directly Connected to the pagan worship that Yahuah has punished Yisrael for time and again! It even, still to this day, bears the names of the pagan false deities (*All the names of the days of the week and the months of the year*) that the people of Yisrael has chased after time and again! And Yahuah has punished the people of Yisrael Time and Again for their whore-dome after these false deities.

If you still believe that the roman calendar saturns-day or suns-day or thors-day or etc is the Shabbat, then you need to diligently read and study Yauahs Word and these Teachings:

"No Scripture Ever Contradicts another Scripture, if it seems to we just need to adjust our perspective until we can see them clearly. Unless you can use All of Yahuahs Word without throwing any out, you can't Teach that subject Fully or Correctly."

Ahmos /Amos 9:9-11 *"For, see, I will command, and I will sift Beit Yisrael among all nations, like corn is sifted in a sieve, yet the least kernel of grain shall not fall upon the earth. 10 All the sinners of My people shall die by the sword, who say, The evil shall not overtake nor find us. 11 In that day I will raise up the Sikkah of Dawid that has fallen, and close up the breaches of it; and I will raise up its ruins, and I will rebuild it as in the days of old:"*

Luka/Luke 21:28 *"And when these things begin to come to pass, then look up, and lift up your heads; for your Geulah/Redemption draws near."*
