**Subject:** Aviv 13th 5994s.c.- Memorial Dinner and Preparing for Pesach

## **Restoration of All Things Yisraelite Chaverim Network**

Gathering Together Waiting to Return to the Land of Promise...

Shalom Yisrael,

Today is Aviv 13th of 5994 s.c. And (by the time I finished this newsletter) sunset will begin Aviv 14th, Which is the time of the memorial dinner. We Shomer/Keep/Observe/Guard the Memorial Dinner at this time in Remembrance of when Yahushua ate His Last Meal with His Talmidim/Disciplines, and this is also as He Commanded Yisrael to do in:

**Luka/Luke 22:17** And **He took the cup**, and gave hodu/Thanks, and said, Take this, and divide it among yourselves: 18 For I say to you, I will not drink of the **fruit of the vine**, until the Malchut/Kingdom of YHWH shall come. 19 And He took **matzah/unleavened bread**, and said the bracha/blessing, and broke it, and gave it to them, saying, This is My body which is given for you: **this do in remembrance of Me**. 20 Likewise also the cup after supper, saying, This cup is the Brit Chadasha in My dahm, which is shed for you.

We pray that Yisarel has a blessed Memorial Dinner this evening, as we prepare for this years Pesach/Passover Moed.

### **Pesach & the 9th Hour**

Tonight as we enter into Aviv 14th, we make final preparations for Pesach/Passover, which begins at the 9th hour of Aviv 14th.

Some might ask "**When is the 9th Hour?**" Well, many people will say that it is 3pm, but this is incorrect. To understand when the 9th hour is, you must understand what is an "hour".

Yahushua states in **Yochanan/John 11:9** "Yahushua answered, Are there not **twelve hours in a day?**..."

But how can this be? In "modern times", the end of this age, we only have 8-10 hours of daylight in the winter, and in the summer we have 14+ hours of daylight. So how can a day only contain 12 hours as Yahushua stated above in **Yochanan 11:9**?

Well a day begins at sunset. From sunset until sunrise, we have the four watches of the night. We see this mentioned in many verses such as:

**Tehillim/Psalms 63:6** When I remember You upon my bed, and meditate on You in the **night watches**."

Or as is written places like:

**Luka/Luke 12:38** And if He shall come in the **second watch**, or come in the **third watch**, and find them watching, favored are those avadim.

Note that the fourth watch is called the "morning watch".

Once the sun rises, the morning watch ends, and we change from the watches of the night, to the hours of the daylight. The reason that "hours" are not used during the night is very simple... You can not use a Sun Dial at Night. Once the sun rises, the biblical sun dial is used for all of the daylight hours. A sundial is Divided into Twelve Parts. As the sun rises, goes up to noon, and declines down to evening, and then finally sets. The shadow of the sundial passes through all twelve divisions. So Every Day, no matter if it were winter or summer, always has "12 Hours" because it was controlled by the sun and the sun dial. Again the sun dial only has 12 Divisions or Hours, therefore no matter how "long" or "short" a day is, it always had 12 "Hours".

Therefore this is why Yahushua stated in [Luka 12:38](#) "...Are there not 12 hours in a day?..."

So now that we know that the "Hours" in the Word are not the roman clock hours, but the "hours" of a sundial. When is the 9th Hour?

Simple, If we divide the daylight portion of a day into 12 hours, then the 9th hour is 9 hours from the time of sunrise. So for us here in Indiana, this is around 4:30 - 5:00pm roman time, or approx 3 hours before sunset.

So tomorrow on Aviv 14th at the 9th hour of daylight, we will slay the Pesach Lamb according to the Commands written in Yahuahs Word. How do we know to slay the lamb at the ninth hour between the evenings? Yahushua gave up His Breath at the 9th hour, and He was the Pesach Lamb.

Our Pesach Lamb for 5994 s.c. - Male Lamb from the Goats 7 Months Old

**Shemoth/Exodus 12:5** Your lamb shall be without blemish, a male of the first year: you shall take it out from the sheep, or from the goats:

6 And you shall keep it up until the fourteenth day of the same month: and the whole assembly of the congregation of Yisrael shall kill it in between the evenings.

7 And they shall take of the dahm/blood, and strike it on the two side posts and on the upper doorpost of their batiym, in which they shall eat it.

8 And they shall eat the flesh in that night, roasted with fire, and matzah; and with bitter herbs they shall eat it.

9 Eat none of it raw, nor cooked, or boiled at all with mayim, but roasted with fire; its head with its legs, with the inside parts.

10 And you shall let nothing of it remain until the morning; and that which remains until the morning you shall burn with fire.

11 **And this is how you shall eat it; with your loins dressed, your shoes on your feet, and your staff in your hand; and you shall eat it in a great hurry (Being Prepared to Flee): it is Yahuah's Pesach.**

As you see above, this is our Pesach Lamb for this year. Yes he is a Goat. And Yes, you can have a Lamb which is under 1 year old, either from the Sheep OR from the Goats. **Shemoth/Exodus 12:5** "Your lamb shall be without blemish, a male of the first year: you shall take it out from the sheep, or from the goats:"

We will also take hyssop and dip it in the blood from the lamb and strike it on the door posts of our home here, as is also commanded.

Last year Yahuah made us to understand what hyssop was and we found it growing on our 1 acre property, All on the Day of Aviv 14th. This Year we not only have a small amount of Hyssop, but it is growing all over our property this Aviv. And not only that, but we now have **Two Species of Hyssop** growing now!

The two photos above is the two species of Hyssop that is growing here now. One of the main identifiers of Hyssop is it has a **square** stem. So if you are searching for Hyssop for the Moed, Look for a plant with flowers at the top. The leaves toward the top of each stem, at or just below the flowers, at this time of year become dark reddish type color on most of the plants. Then once you find a plant like this, pick a piece and see if it has a square stem. If it does, it's most likely is Hyssop. To see the other varieties of Hyssop, just use google.

So we thank Yahuah for Providing what is needed to Keep His Pesach as He has Commanded us!

### **The 3rd Year**

This is the third year of the 7 year tribulation/one week of **Daniel 9:27**.

We have been trying to tell people about the Day and Late Hour in which we live. We have also spoken about how important the Third Year is, and have related all of this to the 7 Year

famine of Egypt in Yosephs Day. And we have also spoken about Yoseph when He spoke to His Brothers telling them to bring their Abba YIsrael/Ya'akov/Jacob to Mitzrayim because "...Two Years have past, and 5 years yet remain..." showing that this was in the end of the 2nd going into the third year of the famine. This is all a shadow picture if you will, of the last 7 Years, Daniel 9:27's One Week.

In the Last Newsletter, we sent out the links to Brother Rob Moors 4 Part Video Series, showing the Signs from the Shaymayim/Heavens which have Spoken forth the Day and Hour in which we live. He also went over and stated very similar things about Yospehs 7 Year famine, and also about the 2 years, and 5 years. Though there is a few things that he mentioned, especially when touching on other subjects, that we don't agree with because of what we understand from the Word, this man is still trying we believe with all of his heart to serve Yahuah. And Yahuah has reveled to him some great teachings and understanding from His Word.

Yahuah is showing His People who are watching, and trying to wake up Yisrael to get prepared NOW. **We don't have time to waste.** If you haven't been getting prepared already, there is little time left to do so. **So Get what you can ready, and no matter what, Leave when Yahuah Commands Yisarel to Flee into the Wilderness** as is shown over and over so many times in His Word.

### **The Prayer of Hizqiyahu**

During this Time of Pesach and the Restoration of the Two Houses of Yisrael, we pray that everyone has tried their best with all of the strength and with all of their lev/heart/mind, to try to perform all of the Commands of Yahuah as is written in the Word. We also know that we are all lacking, and We Pray during this time that Yahuah will once again here the Pesach Prayer of Hizqiyahu for Kol Yisrael:

**Divre Hayamim Bet/2nd Chronicles 30:18** For a multitude of the people, even many of Efrayim, and Menashsheh, Yissachar, and Zevulun, had not cleansed themselves, yet did they eat the Pesach otherwise than it was written. But Hizqiyahu made tefillah for them, saying, Yahuah is tov and He will pardon everyone, 19 That prepares his lev to seek Elohim, Yahuah Elohim of his ahvot, though he be not cleansed according to the purification of the Kadosh-Place. 20 And Yahuah listened to Hizqiyahu, and healed the people.

Shalom Shalom,  
Yahushua ben Moshe EliYahu
