**Subject:** Shabbat Shalom Kol Yisrael 5-8-5994sc

Shabbat Shalom Kol Yisrael!!

Yesterday evening, at sunset, began the 8th Day Shabbat of the 5th Month of 5994s.c.  
(Since the Creation of Ahdahm/Adam)

**We pray everyone is having a Tov/Good & Blessed Shabbat!**

There's a lot that needs to be covered, but the Word comes first.

My Abba/Father Moshe EliYahu just completed the Update & Revision on **"Marriage, Divorce & Patriarchal Marriage"** We know that many people will not accept what the Word states on this subject, because it is a subject that touches almost every family in some way in this last generation. One reason for this is because of the false teaching that has been done by the church, which has caused Yisrael to get into sin. But Yahuah is calling His People to get out of sin, get cleaned up, and get prepared to meet Yahuah face to face in the Wilderness as His Word states.

Another brand new teaching from my Achi/Brother Kalev is **"Mount Olives - Impalement of the Moshiach"** This is a great teaching which proves by the Word, that Yahushua was crucified, died, and buried on Mount Olives, and not in the false locations where the church and "tour guides" claim. It goes over Why it had to be Mount Olives from what is written in the Word.

Another "new" teaching is one that I wrote some years ago, but I never posted this teaching to the website, or sent out before. It is titled **"...Show you my Belief By my Works..." - Requirements to Perform the Works of יהושע/Yahushua**

I woke up this morning and some things came to my mind and was reminded of this document. So I ran a search for it on my computer and found it. I edited the titled area, and I also updated the very ending "signature" area, as 9 years ago I still used my former slave name warren a smith. I will edit this document and update it in the near future, but I wanted to go ahead and send it out today. I pray that it is a blessing to Yisrael.

We know Yahushua asked **"...Will I find emenuah/faith when I return?..."** Most people do not understand what "faith" or "belief" really is. It is more than just saying it with one lips. The Word Teaches us that True belief/faith is show by our Works. This is still true today, and in so many ways.

We're still working on getting several other teachings updated, plus several new teachings as well. We'll get those posted in coming weeks as we complete them.

## Current Events

There is so many events taking place in these last days, and things are on an ever quickening pace. Just the damage that the global drought alone is doing is hard to comprehend, although most people don't understand this as the news is limiting and censoring a lot of the information.

Then there is the military which is being seen on the streets of america more and more, being used in everything from "sobriety" & "seat-belt" checkpoints, to door-to-door "wellness checks". Speaking of the military, you also see the military in homosexual pride parades, even now in uniform. That is all since obama and biden both stated that they supported homosexual marriage.

Then you also have obama who has said he will sign the UN Arms Trade Treaty (ATT) which Will lead to total gun confiscation from all US citizens. There are many "politicians" and others who are now calling for the total disarmament of america.

And this is just a short little highlight of things that are taking place, and we haven't even mentioned all the things that are occurring with the muslims also.

I have tried to post many pertinent articles on the drought, military "use", calls for gun control and confiscation from all leaders from the "white" house down, and many other info & topics, on my facebook page. My facebook page is viewable by anyone, you don't have to be a member of facebook to click on the links and view the comments. You can also view the posts in past weeks by scrolling down to the bottom of the page, and then just wait for them to load.

We are getting ready to start Sabbath service right now, but I will mention one other thing before I go. I am sure that everyone knows about the pagan olympics that is being held in london england, which began today.

There is no way to go into detail about all of the pagan symbols that is encompassing this olympics, nor all of the propaganda that "they" have put into all types of media in the past few years, which state or show a "terrorists" attack at the 2012 olympics. I pray this does not occur, as Yisrael is not prepared yet for what would follow. But if an attack does occur soon, either at the olympics or later somewhere else, it will drastically speed Everything up. And they Will do this in order to bring about their plan, not only for this nation, but in all the nations that they control. Yes they do currently control the nations, because it was all given into sa.tans hand, just as he showed Yahushua all the kingdoms of the world.

I wrote a reply to a sister the other day who was studying on the 7 year famine of Yoseph, and when the money failed. I have studied this before, so I wanted to write a quick reply. But I ended up spending several hours writing this, as it quickly led into many current events taking place, one of which is possibility of a false flag attack at this years pagan olympics, which would be blamed on "terrorism" so that they can implement their laws and plans.

So since these events pertain directly to this day and hour in which we are living, I am going to place my reply down below, as it contains many things which are pertinent to us in this day and late hour:

-----  
**My Reply which I posted on my Facebook Page, under the article about Britain selling the Strategic London Metal Exchange to China:**

When did Ya'akov/Yisrael/Jacob move to Mitzrayim/Egypt?

He moved to Mitzrayim/Egypt in the 2nd year of the famine. This is found in

Beresheeth 45:6 “For these two years have the famine been in the land: and yet there are still five more years, in which there shall be neither plowing nor harvest.”

\*\*And again in:

Scroll of Yahshar/Jasher 54:88 & 55:26 “In the second year, that is in the hundred and thirtieth year of the life of Yaakov, Yoseph maintained his abba/father and his brothers, and all his abba's/fathers household, with bread according to their little ones, all the days of the famine; they lacked nothing.”

\*\*So its clear that Yisrael moved to Egypt in the 2nd year of the famine.

Now in Beresheeth/Genesis 47 it is speaking about how Yisrael settled into Goshen. But in verse 13 it changes to speaking about the Egyptians:

“13 And there was no lechem/bread in all the land; for the famine was very sore, so that the land of Mitzrayim/Egypt and all the land of Kanaan grew weak because of the famine.”

\*\*And with the way it is written, it seems that each year they gave up something for that years grain/food. So in the next verse, the first thing they used was all of their money:

“14 And Yoseph gathered up All the Money that was found in the land of Mitzrayim/Egypt, and in the land of Kanaan, for the corn which they bought: and Yoseph brought the money into Pharaoh's bayit/house.”

The way that the chapter reads up to this point, it seems to still be speaking about the 2nd Year of the famine when Yoseph gathered All the Money in Egypt and sold that years food

to the Egyptians.

\*\*Now in verse 15 it states that the money had failed, in other words they no longer had money to buy food. So Yoseph told them he would trade their cattle for food:

“15 And when money failed in the land of Mitzrayim/Egypt, and in the land of Kanaan, all the Mitzrim/Egyptians came to Yoseph, and said, Give us lechem/bread: for why should we die in your presence? For the money is gone.

16 And Yoseph said, Give me your cattle; and I will give you food for your cattle, if the money is gone.

17 And they brought their cattle to Yoseph: and Yoseph gave them lechem/bread in exchange for horses, and for the flocks, and for the cattle of the herds, and for the donkeys: and he fed them with lechem/bread for All their Cattle for That Year.”

\*\*Now here we read that Yoseph traded food to the Egyptians for their cattle and other livestock. And if we look closely, there is a very important time marker in the end of verse 17 “...and he fed them with lechem/bread for all their cattle THAT Year...” In other words, they traded their cattle for that years grain/food.

So if the cattle was just for that years food, and not the money from the year before, that means the cattle was traded in the 3rd year of the famine.

This also means that when the money failed in verse 15, it was the 3rd year of the famine.

This would institute the new “economic system” when this occurs. As people in this day and time do not even have flocks or anything of substance, for food and self-reliance, as everyone has been trained to become totally reliant upon the government in the past 50 years. So when this collapse occurs, people will run to the government and expect the government to take care of them, as that is what they have been trained to do through these past years.

We continue onto the next verse, 18, and we find that they finally sell their land and themselves for food:

“Beresheeth/Genesis 47:18 When that year ended, they came to him the second year <2nd year since the money failed>,

and said to him, We will not hide it from my master, how that our money is spent; my master also has our herds of cattle; there is nothing left in the sight of my master, but our bodies, and our lands:

20 And Yoseph bought all the land of Mitzrayim/Egypt for Pharaoh; for the Mitzrim/Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

\*\*It is clear that what is written in the beginning of verse 18 “...When that year ended...” is the end of the year in verse 17 in which they traded all their cattle for food. So this is now the

next year or the 2nd year since their money failed “...they came to him the second year ...” which would make it the 4th year of the famine in which they sold all their lands and themselves for food for the rest of the famine.

Now if we compare what is written in these verses to today, we are in the 3rd Year and the 5th month. Which would mean that the money will fail sometime in the next 8 months (as this year has 13 months). Which we know this is going to happen in the last days, as it is written in

“GilYahna/Revelations 18:2 And he cried mightily with a strong voice, saying, Bavel the great has fallen, has fallen <another word for fallen is “Collapsed”> and has become the dwelling of shedim/demons, and the haunt of every foul ruach/spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication and the melechim/kings of the olam/earth have committed fornication with her and the merchants of the olam have grown rich through the abundance of her delicacies.

11 And the merchants of the olam shall weep and mourn over her; for no man buys their merchandise any more:

17 For in one hour so great riches have come to nothing. And every ship captain and all the passengers and sailors and as many as trade by sea, stood far off,

18 And cried when they saw the smoke of her burning, saying, What city is like this great city!”

\*\*These verses tell us several things, first is the “Fall of Bavel”.

Bavel or Babylon is the global commercial beast system, like it states in verse 3 merchants in all nations have grown rich through selling their merchandise.

Another word for “Fallen” is “Collapsed” as in “Economic Collapse”. And since Bavel is all the nations, this is speaking about the Global Economic Collapse. And this is reiterated in verse 11 when it states that merchants of the olam/earth weep and mourn, for No Man buys their merchandise anymore. Again No Man in any nation, meaning on a global scale.

It also speaks about every ship captain and as many as trade by sea stood far off. Even now in these end times, the vast majority of merchandise is transported by ship into and from all nations.

We can see the events taking place that is leading us up to this point. Even though most people think this can never happen to the US, but in fact the only reason it hasn’t happened yet is because Yahuah hasn’t yet allowed it, and they have been propping up the US economy, which has been bankrupt for years.

The last thing we see in this set of verses, is that this collapse will come suddenly “17 For in One Hour, so great of riches have come to nothing...”

\*\*So what could happen that would affect all nations and would cause this “fall” to happen

suddenly in “one hour”, and could cause this to occur in the next 8 months?

Well... I hope this isn't it, as Yisrael is not ready yet. But it would fit, and if it did occur, it would quickly speed up the global economy to failure point.

Just like the many indicators were seen for several years about the 9-11 attacks, years before it ever happened. This event has also been seen in so many different types of media, movies, reports, and now even in the news, for the past 3-4 years at least.

And that event is a terrorists attack in the form of a “dirty bomb” nuclear device at the 30th Olympics, detonated in the underground tunnels of London somewhere below the Olympic stadiums. Which the Olympics begins in only a few days (july 27th), and goes until august 12th. If I had to take a guess at when would be the most likely time for this to occur during the Olympics, my guess would be august 8th-10th, not going to go into the full reason of why I think these days here. In any case, If this does occur, this would begin the quick downfall of the global economy, especially in Britain and the US, as our banks and economies are so intertwined, and the US has so many banks in London.

Also this brings me back to my point about the London Gold Exchange being sold to China. This would not be the first time that they have moved resources out from a location, before they caused its destruction and/or used it as a tool of fear to bring in more laws/control, like they did with 9-11. Again I hope and pray that this does not occur, because Yisrael is not ready. If , but Time is Running Out.

*We also know from the teaching that Rob Moore put out, that the Star of Yahushua (the stars pagan name is venus) will moving to the sword/club of Orion on august 8th. Which we know that when that occurs, means judgment. Does it begin right on that day? Or is it just the time that follows?*

What we should also pay close attention to in the Scriptures of Yoseph, is what happened to the people after they sold themselves for food:

“Beresheeth/Genesis 47:20-21

“20 And Yoseph bought all the land of Mitzrayim/Egypt for Pharaoh; for the Mitzrim/Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

21 And as for the people, he removed them To Cities from one end of the borders of Mitzrayim even to the other end of it.”

\*\*All the people were made to leave their lands, and go to Cities. This is exactly what will happen to people in this end time, who do not flee into the wilderness. They will be removed from their lands, at first most will go willingly in the hope they will be provided food, water, etc. And they will be taken to the fema camps and into specific restricted and military controlled cities. They already have the entire infrastructure in place. They already have the laws and plans on the books. They (officials and military) have stated that they are preparing

for economic collapse and civil uprising. They are and have been training for just such a scenario all over the US, and also in many other “western” countries.

And with the information that John Moore is stating, (which I told you about before) and with the evidence which I had been following in the news and such for months previous, which also seems to support his statements. And that is there are foreign military special forces (Russian and possibly others too) which are being brought in to “help” them with this upcoming task. There is info that Russian special forces began to be brought over in groups of 200 about 2 months ago. It has been said that at first there will be 200 of these troops stationed at every base in the US. And these are being called “scout” type soldiers, just to setup and prepare for the main force, which could be somewhere between 30 & 100 thousand troops. These troops are said to have been brought up in special military schools, where they now speak perfect English, and they will be dressed in US military uniforms, which means there would be no way for the average citizen to tell them apart from American soldiers. Which means citizens might trust these soldiers, or at the least would hesitate to do anything against them. All of this of course is being done by the government. Of course I have no way to 100% verify the validity of this information, as it's all secret, we only hear bits and pieces. But again there is some evidence which does seem to indicate this, and it would make perfect sense to use such a group against American people, who look and talk “American”, but have no “attachment” to the American people nor constitution.

Yisrael has been in Goshen for many centuries. This is where ever on earth that Yisrael has been scattered to, which is where physical Yisrael has grown into a great multitude, billions of people. But where we are today, and for many generations, is where we also became slaves. Just as with the generations who were in Egypt before the 1st Exodus. Now it is nearing time to leave Goshen, and go back to being sojourners in the wilderness, as we begin our journey back to the land promised to Avraham.

Again there are so many things taking place we can't keep up with them. But we are continuing to prepare to the best of our ability, and hope to get everything completely as quickly as possible.

Well, I wrote this in word this time, and then copied it over to here on Facebook, as I didn't want to lose all of this again. I think I remembered basically everything that I had in it before. I also think I am going to use some of this in the revisions that I am doing in the “Yahuahs Command for Yisrael in these Last Day”.
