

Shabbat Shalom Kol Yisrael!!

A few of you might have gotten a very "early" unfinished edition of this newsletter due to... "technical difficulties"... I hit the wrong button :-)

Below is the Completed Edition:

Last night as the going down of the sun (sunset), began the 15th Day Shabbat/Sabbath of the 8th Month of 5994s.c.

We had some heavy clouds from the east, which blocked the moon for a while. But a couple hours after sunset the clouds thinned out enough for the full moon to shine through.

Every needs to Read this in Full, it is in large print, so it's not as long as it looks. Because we have a lot of important announcements and updates to cover in this YHRIM Newsletter. From Major changes to our website, announcements, next years projected calendar, even to the presidential "elections".

The "elections" are by far the least important of these, so we'll leave that to last.

We'll be going over many of the things which we have taught, posted, and stated. That we will lead into what Yahuah is doing right now, and what changes we are going to do.

But to start, we want to welcome all of the new members to the Restoration of All Things Network, the YHRIM.com Mailing List, & to those who keep up-to-date on the "Signs of the Times" on our Facebook Page. *(Links to all of these can be found at the end of this newsletter)* For All of you new members, there are several important past newsletters and documents which need to read. Our main website www.YHRIM.com has many need to know teachings on the home page, and also on the "Teaching Publications" page. Some of the past newsletters are posted on the "Newsletter Archive" page, but we will be posting specific links to several below.

Also before we move onto other topics, I would hope Yisrael wouldn't need to be told how satanic "halloween" or "all hallows eve" is. The entire event is nothing more than devil worship, literally. Which isn't any different than the rest of the pagan holidays, its just more blatantly to see. So, again, I hope its not needed, but: **DON'T PARTICIPATE in the devils days, in any way, shape, or form.**

Moving on:

My Abba/Father Moshe EliYahu for 30+ years has known we were nearing the last days. When My Abba and Eema (Simcha Nachamu), decided they would have a son, they thought I would be around 25 years old when tribulation hit. Well, they were not far off.

During all these years that they have waited, Yahuah has shown my Abba many things, and given him great understanding and knowledge in the Word. One of the most vital was the "Restoration of the True Shabbat", as it is a foundational teaching upon which the knowledge of many other teachings in the Word is revealed.

(link to the Restoration of the True Shabbat & Yahuahs Yearly Calendar:

http://www.yhrim.com/Restoration_of_the_True_Shabbat_-_Revised_12_month_5993.pdf)

Yahuah has also spoken to my Eema many times, and given her many messages, covering many different subjects and times.

Plus there have been messages given though other people which we met though the years, which when they told the message, by what was spoken my Abba and Eema knew it was from Yahuah and exactly what it was about, but the person who spoke it had no way to understand what it meant.

We have waited many years for Yahuah to do what He has said. The knowledge and understanding of Yahuahs True Calendar and other Restoration Truth Teachings have been part of it, but there is still more to come.

As I have told before, back about six years ago, Yahuah began to bring things to my mind about His Yovel/Jubilee Cycle and True Scriptural Year. So I began a study which took me about 4 years to initially complete, and to which things have been added since. This was the teaching which I titled "Restoration of the True Scriptural Year & Yovel Cycle & The 70 Weeks 1290, 1335, and 2300 Days of Daniel". I taught this for the first time on the 4th month 2nd day of 5992 (july 2010). This full teaching now takes approx 12-15 hours to teach, in a pace which people can keep up. But the last part of this, The 70 Weeks of Daniel, takes a little over 2 hours to teach and is the most important part for this generation. As it pertains to the time right now in which we live. The "Restoration of Yahuahs True Shabbat & Yearly Calendar" which Yahuah taught my Abba, was the 'Key' required to open the seal and understand the 70 Weeks of Daniel, as without the knowledge of the True Calendar, the 1290, 1335, & 2300 days makes zero sense, as it does not work or calculate with any 'modern' calendars.

I made the 70 Weeks of Daniel into a 2 hour DVD and later posted it to YouTube on roman date 2-20-2011.

[YouTube link to part 1](#)

http://www.youtube.com/watch?v=g40jAy50rlg&list=UUMp6esrQ9A4VUPW9_5cfkMQ&index=11&feature=plpp_video

I showed in this teaching that we had entered the "One Week"/Last 7 years of **Daniel 9:27**. (which we explained **Daniel 9:27** in a newsletter last year which can be read [here](#) or at this link:

http://www.yhrim.com/Detailed_Explanation_of_Daniel_9_27_-_Preparation_Vehicles_-_11th_Month_22nd_Day_5993_sc.pdf, which shows how the chu-ch has mis-taught & misled people saying this verse was speaking about the "anti messiah")

At which time that the "70 Week of Daniel" video was recorded, we were still in the first year.

But at the time of this writing it is now **5994s.c.** which is the **third year**.

Next year, 5995s.c. at the **7th month**, we will reach "...the middle of the week..." which is the time when the last 3 1/2 years begins, also known in the Word as the beginning of "...The Great Tribulation..." **MattitYahu/Matthew 24:15-22**

There was another confirmation of this timeline, being taught by someone we have never met or even talked with or even emailed. Who is on the other side of the earth (*new zealand*). Which was teaching this same 7 year time period toward the end of last year, but was teaching it from a completely different way (*using the Word and the events in the Stars/Constellations*), who also stated we are currently (this year right now) in the third year of the last 7. ([link to that newsletter from this past Aviv](#))

http://www.yhrim.com/Another_Confirmation_that_We_Are_In_The_3rd_Year_of_Tribulation_Aviv_12th_5994sc.pdf)

Back in 5992 (2010-11) We stated in newsletters and documents which we posted on the Restoration of All Things Network, that we were in a global famine, and that it was compared to the 7 Year Famine of Yoseph/Joseph. And we also stated, that each year as we went forward, it would get worse. Each Year it has gotten worse, and this will continue.

1st Year of the Famine of Mitzrayim-Earth posted 10-12-2012

"The Crops are Done" Newsletter sent & posted 5-22-5994s.c. (roman 8-10-2012)

www.yhrim.com/Crops_are_Done_5-22-5994s.c..pdf

For the past two years, we have been telling people that you need to prepare food and supplies, and get ready to flee, as is Commanded of Yisrael in the Word. Just as Yisrael had to flee in the first Exodus, we will have to flee in this the 2nd Exodus. We showed how the Word told us we are to go to the wilderness in the mountains.

We truly Believe, if we follow to the best of our ability, to go where Yahuahs Word tells us to go to the best of our knowledge, then Yahuah will lead us from there when it is His Time.

We have also stated when Yahuahs shows us it is time, with what is stated in Yahuahs Word, and when taking into account all the situations and events taking place in this nation, since we live here in the united states we are planning to go to the far North West (North West Montana & North Idaho) area into the mountains and wilderness. As it is the best place we can see to go at the present time, unless Yahuah gives us a specific direction to another location.

We have stated multiple times that we were getting prepared to the best of our ability, so that when Yahuah tells us to Go we will be ready. We discussed this in past newsletters and posts, and we made documents to try to help others in getting started with your preparations and to get you thinking in the right direction.

Yahuahs Command to Yisrael in these Last Days

http://www.yhrim.com/YAHUAHS_COMMAND_TO_YISRAEL_IN_THESE_LAST_DAYS.pdf

Newsletter for 7-1-5994 Current Event Update (due to running out of time, this newsletter was actually unfinished, but it still contained highlights about some of the things that the government is doing and other recent events)

http://www.yhrim.com/Yom_Teruah_7-1-5994s.c._-Current_Future_Event_Update.pdf

Many people today believe that Yisrael doesn't have to do anything, no work, no preparation. That Yahuah will just pick us up, or we will get on an airplane, and just fly over to Yisrael and thats it. This is mostly due to church teachings about:

GilYahna/Revelation 12:14 And to the woman was given **two wings of a great eagle**, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

Using this verse, they claim that this means we will fly to Yisrael, therefore no work is required. **BUT** what did Yahuah do for Yisrael in the 1st Exodus? **Did they Fly?** As Yahuah States in: **Shemoth/Exodus 19:4** You have seen what I did to the Mitzrim/Egypt, and how **I bore you on eagles' wings**, and brought you to Myself.

No they did not fly, but instead they prepared before they left Mitzraim/Egypt, and they walked and used oxen pulling their carts. To be "given" or "bore" on "eagles wings", is an expression Yahuah used to signify how He led Yisrael out by His Hand and Protected them by His Power. Yahuah has not changed, and He is no respect of persons. Yisrael had to work then, we will have to work now. They used oxen and carts in those days to travel the hundreds of miles. Today we use trucks and trailers, but we will have to travel thousands of miles.

Some people might ask *"What, are you going to drive across the atlantic ocean?"*

No, first off, you would be going the wrong direction.

In the first Exodus Yahuah divided the waters and uncovered a Land Bridge (*which was found in the 1978 under the water* <http://users.vic.chariot.net.au/~leedas/redsea.html>) in what is now called "the Gulf of Aqaba", and Yisrael walked across on dry land. This was a "shadow picture" of how

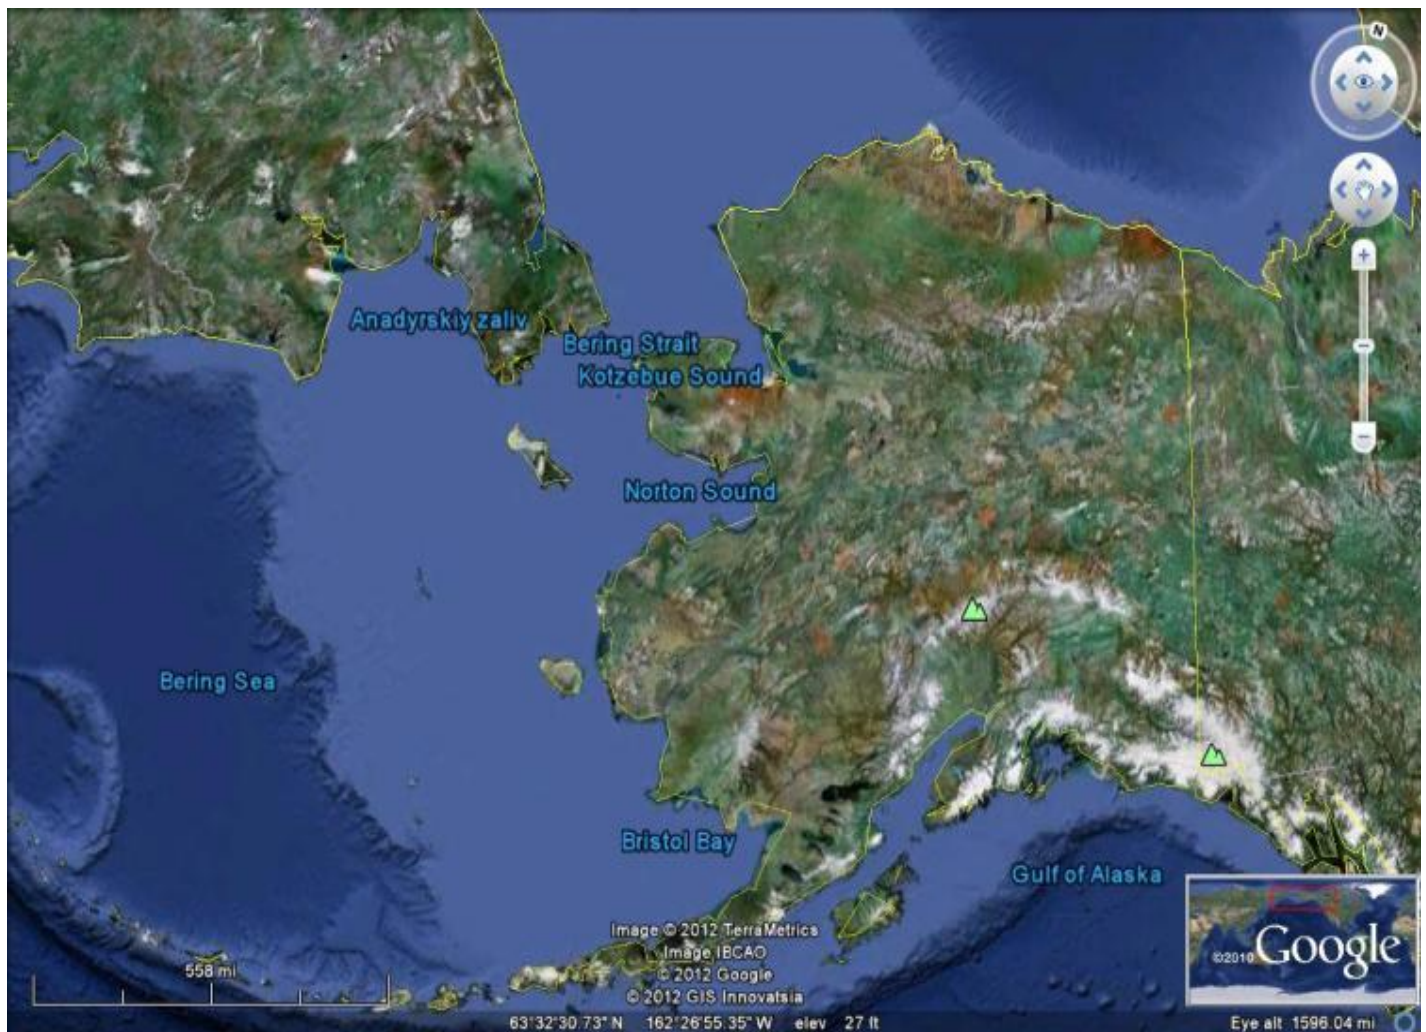

Yahuah will gather His People from across the seas in the end days.

Another reason why we are going to the north west is because we believe when Yahuah leads us, He will divide the sea once again (either directly by His Hand or by earthquakes or other means), as He gathers His People from All The nations of the Earth.

For us here in north america, we believe we will return through the route through which many Yisraelites came (Yisrael was here long before 'columbus'... just another thing included in **YirmeYahu 16:19** we have been taught and "...**inherited nothing but lies...**")

Just like the land bridge which still exists under the water in the Gulf of Aqaba, there is a land bridge currently under water here in north america. And even scientists have stated that this land bridge was at one time dry land, which was crossed by people. This land bridge lies in the waters between Alaska and Russia called the "Bering Strait". It is approx 50 miles across, is currently only 180 feet deep or less, and has an island around the half way point.

The Bering Strait is the only water which must be crossed to get from north america on our way to the Eretz Yisrael/The Land of Yisrael, as the rest of the journey is land.

I believe that Yahuah will do similar things for those Yisraelites who flee in other nations/contents as well, as He gathers His People in the time ahead, from the four corners of the earth.

Now, that is some of the information and teachings which we have been posting and sending out over the past 3 years. Which is background information to bring everyone up to speed to this week:

Last Shabbat on 8-8-5994s.c. (roman date oct 23rd 2012) during the Shabbat services, my Abba Moshe EliYahu was teaching here in our assembly. And it came to his mind and he stated it several times, referring to our property here "If Yahuah wants us to leave now, He will send me a buyer tomorrow." Well on the first work day of this past week, which was 8-9-5994 (roman oct 24th) the day after Shabbat. While we were working in our trailers as we have been packing our supplies and such, a woman pulled up in a van and wanted to see our property. My Abba showed her our place, told her all about the work we had done to our mobile home and the room extension we had built to hold services in and everything, and all the stuff we were leaving so it will be fully furnished (as we don't have the room nor the desire to take it with us).

When she had seen everything, they came inside, and she sat down at our kitchen table, and stated "I'll take it".

So a couple days later, when we got the paperwork together, she bought the property and it was signed over into her name.

So that brings us to right now: The property is sold, and we have to finish packing our supplies, equipment, etc. Make sure the trucks are ready to go, get everything hooked up and ready to roll out in the next few weeks. Also most of our congregation has also been preparing, and they to are leaving out when we do. They also have several trucks and trailers they have been getting prepared to go a well.

So At This Time, Effective Immediately: We are no longer taking Any Orders for Any Materials (DVDs, Calendars, etc) on our website www.YHRIM.com **until further notice.**

Because, **number one**, we are going to be working even more during these next few weeks as we finish everything required to leave, and simply don't have the time required to make up the materials.

Number two, the equipment used to make the materials like DVDs and the printed calendars, will soon be boxed up and loaded onto the trailers.

I have went through and removed All of the "add to cart" buttons on our website. If at some point in the future we are able to resume orders, we will send it out in a newsletter and post it on our website.

Also, in a few weeks we will have to turn off our internet service here, even before we leave, as we will have to mail back the internet equipment.

And at the present time, we do not have a mobile internet system due to the amount of time required to build a platform on one of the cargo trailers to mount the satellite dish, and also because we do not currently have a power system to run it. So once the internet is turned off here, we are not sure how long we will be out of contact and "offline". We may be able to use public sources of internet at times, but are unsure at present time because we are not sure what services will be available in the areas we are currently expecting to go to.

So, after our internet is turned off here, if you email us, or try to contact us on the Restoration of All Things Network, or though facebook, we may not be able to receive your messages for weeks or ...???

With having said that, we also want to let everyone know that we are working on next years projected calendar for 5995s.c. (aviv 2013-2014) and will post it to our website www.YHRIM.com in both the **Eastern Standard Time** (*for all of those here in north america*) and the **Greenwich Mean Time** (*for all of you overseas*). They will be available for download in PDF format from our website.

Again we are not taking any orders, but they will be freely available in digital format only, for the present time. But you can download the calendar and print it off from your own computer. When we get both calendars finished and posted to our website, we will let everyone know in a newsletter.

Also, I know a lot of people follow the "Signs of the Time" current event information which we post on our facebook page, although I haven't posted as much in the past few weeks just due to being busy. I have also found out in the last month, that people who do not have a facebook account, can't view our page, even though it is supposed to be "public".

I understand that some people don't want a facebook account because of privacy, and they don't want their information to get out. Just as a thought, I know people who for this very reason, don't use their real name when signing up for things, or even on their emails. Many people use a pseudo name, and don't give their real city, state, zip, or other personal information. You could do the same for facebook, I'm sure many people do. I use my hebrew name.

Also, again, for the period of time that we don't have internet access, we will be unable to post current event news articles or other posts on facebook. But all of the past news articles and other information are all currently available. Our facebook page is:

<http://www.facebook.com/yahushua.benmosheeliyahu>

We'll keep everyone updated to any changes, and when we will be turning off our internet in the coming weeks.

Lastly - The "Elections"

Now, onto the least important subject, the "**presidential elections**". I had meant to cover this in the teaching "[Yahuahs Command to Yisrael in These Last Days](#)", but was pressed for time and forgot about it.

The "elections" and politics in general, are nothing more than a distraction to keep the public placated and placid. What do I mean?

Well, when people and nations were ruled by 'kings', when the kings started taking away the peoples freedom, taking their money, taking their lands, and sent the nation into desperate poverty. The people would usually rise up, take out the king (usually by killing him) and then stupidly put in a 'new' king who said he would 'right all the wrongs'.

Well, after a while, the 'kings' got smarter, as they understood if the people saw there was only one ruler, the people would always eventually rise up when they had enough of being slaves.

So the elites 'did away' with 'kings' and brought about a new idea. They would have 'presidents' and 'prime ministers' etc. Who would be 'elected' "*by the people for the people*". And they would limit how long they could be in 'office'. That way the government "face" changed once in a while, and when the people got angry, instead of rising up and killing their slave masters, they would wait until the next 'election' and 'vote' him out.

But this has all been a facade and a staged act. They have claimed that "the people" have the power, yet the government controls every aspect of people lives and every move they make. All the while people have been thinking their 'vote' counts, yet here in the united states, and in just about all major nations around the earth. They are ruled by one family, one bloodline.

What am I saying? As I posted on the Restoration of All Things Network a year and half ago **(please read that post here for the full explanation:** <http://restorationofyisrael.ning.com/forum/topics/presidential-elections-hoax>).

As far as the united states goes, ALL of the 'presidents' are ALL Related! They Are ALL Part of the Same Family, Same Blood line.

I can just hear some people saying "What?! You're Crazy, there's No Way that's Possible!"

Don't take my word for it, the news made a report about it first. Actually there was at least two news videos which showed the same thing, the 'newer' one has been deleted from YouTube. The first video is still available on that news stations channel, here is the link:

<http://www.youtube.com/watch?v=uw2mkHmIKOA>

Now, one of the first things you see in this video, which the 2nd reporter trying to insinuate, is that this 11 year old girl, researched out the presidential lintage all by herself on her summer vacation. **BUT** if you do some searching, and find the some of the printed news articles about this, which state that her Grandfather was the one who had been doing this reseach for a number of years.

In the other news video which has been deleted from YouTube, They stated that it was known by 'professional genealogists' that 22 different presidents were related, but only following the fathers side of the bloodline.

In both of these videos they state that "All but 1" are related. The "1" they claim isn't related to the rest was the 8th president Martin Van Buren. But with a little searching you quickly find that he was related to both Roosevelts.

So Why did they select him and pick him out of the other 43 presidents?

Among other things that happened...

Martin Van Buren

"...His administration was largely characterized by the **economic hardship of his time**, the **Panic of 1837**. He was scapegoated for the depression and called "Martin Van Ruin" by his political opponents. Van Buren was voted out of office after four years, losing to Whig candidate William Henry Harrison..." - http://en.wikipedia.org/wiki/Martin_Van_Buren

What was the Panic of 1837?

"...The **Panic of 1837** was a **financial crisis in the United States** built on a speculative fever.[1] The **end of the Second Bank of the United States** had produced a **period of runaway inflation**, but on May 10, 1837 in New York City, every bank began to accept payment only in specie (gold and silver coinage), forcing a dramatic, deflationary backlash. This was based on the assumption by former president, Andrew Jackson, that government was selling land for state bank notes of questionable value. The Panic was followed by a **five-year depression**, with the failure of banks and then-**record-high unemployment levels**..." -http://en.wikipedia.org/wiki/Panic_of_1837

Sound Familiar?

This is almost word for word at what is happening right now (*except there is no real amount of gold left*) in the US Economy, and also the global economy. Especially when speaking about the Euro. They controlled the economy back then and they are controlling the economy right now. They have stated that they want a "controlled economic collapse" of the dollar. They will attempt to replace the dollar, the euro, and other currencies, with a global currency, possibly even a cashless currency, in the near future. There are so many things that I could go on and on here, but do your own research and you will find out things like the Federal Reserve is not part of the US government, but instead it is a private bank owned by the elite.

Andrew Jackson was actually to blame for that depression, as he is the one who brought it on by his actions and laws. **But it didn't actually 'collapse' until 5 weeks after Martin Van Buren got into office.**

Now lets bring it up to today:

When I found out about martin van buren, it was the first time since obama began his first campaign that I wondered **IF** they might put in one more president after obama, even if its just for a very short period of time before the collapse.

Think about it, romney has proposed massive tax cuts across the board, cutting all "non-essential" programs, and many other "money" saving measure. **IF** he is appointed to office, and he does these things, it will be these exact measure that will be blamed for the economic collapse. Martin van Buren was only in office 5 weeks when the economy collapsed in his day, how long will it be after this election regardless who gets in office.

Now, what if I told you that Romney is related to both George Bush's? And though that relation, is actually also related to Obama?

Some might say **"What!! You're Off Your Rocker!!"**

Don't take my word for it, watch this video on YouTube. A guy put together a series of Main Stream News clips, stating and showing the relations:

<http://www.youtube.com/watch?v=Qknzd8jt8Jo>

Now, does this mean that romney will be 'appointed' to be president? No, a lot of 'candidates' have been related to the incumbent president, as seen in the above video.

Does it matter who wins? NO! They already have their laws in place, their huge amounts of 'supplies' ready, and a civilian army (homeland security) ready and waiting.

I fully expect obama to continue his appointment, for at least a little while longer.

And it looks like they have already counted 99% of the votes across the nation, and it is showing obama has already 'won' the election.

"What?! The election isn't for another week! How could they have already counted the votes??!"

Don't ask me, ask CBS News, they're the ones who showed it vote cout: (*dis-regard the video in the background, just watch for the 'news ticker' which pop up at the bottom of the screen*)

<http://www.youtube.com/watch?v=mTf6OXIVbi4&feature=colike>

Now, if obama does continue his appointment:

And I first want to be Very Clear to everyone, including any officials who may be reading this, I **hope and Pray** that The following scenario Never Happens.

I first thought about what would be the national response to this more than a year ago. And now there are some news reporters/radio hosts who are asking the same question:

<http://www.youtube.com/watch?v=xydWG1qd548&feature=plcp>

What if something "happened" to obama? As in it wasn't an accident, like JFK.

The Division would tear this nation apart.

In the first few hours people would be glued to the tv's listening for updates on the news reports. Then people would begin to take to the streets in protests. Then as the number of people grew, they would start to damage property, then people, and all out riots. It would only be a short time after that would be burning.

After a few days, maybe even a week, the government would be forced to ask the United Nations for help, and the UN would send in troops (*foreign troops - russian, chinese, middle eastern nations, and others who are already here*) would be brought in to restore peace and order. Once again, just to be clear, I hope and pray that nothing like this ever happens. Just discussing what other news reporters/radio hosts are now asking.

<http://www.youtube.com/watch?v=xydWG1qd548>

We're in the 3rd Year

Now, what does this year, the 3rd year of the "...one week..." of **Daniel 9:27**, and also going back to the 7 Year Famine of Yoseph, the 3rd Year of the Famine.

Remember the money failed in the 3rd Year of the 7 Year Famine of Yoseph. So we know that the global money will fail soon, as it is written in:

“**GilYahna/Revelations 18:2** And he cried mightily with a strong voice, saying, Bavel the great has fallen, has fallen <another word for fallen is “Collapsed”> and has become the dwelling of shedim/demons, and the haunt of every foul ruach/spirit, and a cage of every unclean and hateful bird. 3 For all nations have drunk of the wine of the wrath of her fornication and the melechim/kings of the olam/earth have committed fornication with her and the merchants of the olam have grown rich through the abundance of her delicacies. 11 And the merchants of the olam shall weep and mourn over her; for no man buys their merchandise any more: 17 For in one hour so great riches have come to nothing. And every ship captain and all the passengers and sailors and as many as trade by sea, stood far off, 18 And cried when they saw the smoke of her burning, saying, What city is like this great city!”

As we have stated before, These verses tell us several things, first is the “**Fall of Bavel**”. Bavel or Babylon is the global commercial beast system, like it states in verse 3 merchants in all nations have grown rich through selling their merchandise. Another word for “...**Fallen...**” is “**Collapsed**” as in “**Economic Collapse**”. And since Bavel is all the nations, this is speaking about the Global Economic Collapse.

And this is reiterated in verse 11 when it states that merchants of the olam/earth weep and mourn, for No Man buys their merchandise anymore. Again No Man in any nation, meaning on a global

scale.

It also speaks about every ship captain and as many as trade by sea stood far off. Even now in these end times, the vast majority of merchandise is transported by ship into and from all nations. We can see the events taking place that is leading us up to this point. Even though most people think this can never happen to the US, but in fact the only reason it hasn't happened yet is because Yahuah hasn't yet allowed it, and they have been propping up the US economy, which has been bankrupt for years.

Again, the presidential 'elections' are nothing more than propaganda to distract and keep the people focused over 'here', while the other hand is putting in laws like the NDAA, NDRA, and many many other laws. We have homeland security who is supposed to be here to 'protect' american citizens and do not operate outside the united states, who have purchased (*newest numbers that I have heard in current reports*) over 2 billions rounds of ammunition, heavily armored vehicles even better than the military (like I showed in the links in this past newsletter: http://www.yhrim.com/Yom_Teruah_7-1-5994s.c._-Current_Future_Event_Update.pdf) and many other things which we have talked about in past newsletters and current event articles which we have posted on our facebook page.

To end this newsletter, All from Yahua's Word, and from The Signs of the Times that are happening all around the Earth, Time is running out for us to flee Yisrael. Do Not think you can wait until the fall of bavel, or wait until some major event occurs, and think you will leave **After** it happens. **You Won't.**

Yisrael must leave **Before** these things occur, and **Before** this system comes down. **We are less than 1 year from the middle of the week**, when Yisrael is sealed in the wilderness. **But Yisrael will have to Flee Before the middle of the week ever arrives.**

In just a couple weeks we are getting away from the cities and large populations as we have been stating must be done for some time now. We are moving to the wilderness in the mountains, as is written in the Word that we must do. We pray Yahuah prospers our way and goes before us, and for Kol Yisrael where ever they are scattered throughout the earth, just as He went before Yisrael during the 1st Exodus.

There is so much more that could be included in this newsletter, but we'll end it here for now. I hope that this newsletter has been a help to those who are searching for truth, and reaches as many as Yahuah wills.

Shabbat Shalom!
