

YHRIM NEWSLETTER 8TH DAY - 12TH MONTH - 5994S.C.

## IF YOU'RE NOT AWAKE YET... "...SLEEP ON..."

At the going down of the sun last evening, began the 8th Day Shabbat of the 12th Month of the year 5994s.c.

### How many of you are prepared in to Flee? Are You Ready?

If you are physically ready (or at least think you are) the better question is: **Are you Willing to Flee?**

There is many people, groups, and organizations, who have stated things like, and I'm going to sum up a few points they try to make:

*"Yahuah does not expect His People to leave their husbands, wives, sons, daughters, grandchildren, extended family, friends, jobs, homes, property, etc etc."*

Really? Yahuah would never ask His People to do anything like the above?

**Luka 14:26** "If any man comes to Me, and does not put aside his abba/father, and eema/mother, and wife, and children, and brothers, and sisters, yes, and his own chayim/life also, he cannot be My talmid/disciple."

This verse in Luka/Luke is speaking of, **if you put anything before Yahuah**, if Yahuah is not **1st in your life**, (which means you put Him before everyone and everything) then you are not worthy of Him. Regardless if that means putting aside father/mother, wife, children, brothers/sisters, who don't believe **and/or** won't be obedient to Yahuah. And yes even putting aside the things you would like to do in your own life, 'career', jobs, stuff, vacations, etc etc.

And instead of all those things, **Do** what Yahuah is Commanding His People to do. And in this day and hour, that means being obedient to His Command for His People to Flee.

*"What do we have to Flee from?"*

**YirmeYahu/Jeremiah 9:16** "I will scatter them also among the gentiles, whom neither they nor their ahvot/forefathers have known: and I will send a **sword after them**, until I have consumed them."

**GilYahna/Revelations 12:17** "And the **dragon** was angry with the woman, and went **to make war with the remnant of her zera/seed**, that shomer/observe the mitzvoth/Commands of YHWH, and have the testimony of Yahushua ha Moshiach."

**MattitYahu 24:21** "For **then** shall be **Great Tribulation**, such as was **not since the beginning** of the olam hazeh/This Age **to this time, no, nor ever shall be.**"

## *"To Flee Where?"*

**GilYahna/Revelations 12:6** "And the woman **fled into the wilderness**, where she has a place prepared by YHWH, that they should feed her there a thousand two hundred sixty days."

**GilYahna/Revelations 12:14** "And to the woman was given two wings of a great eagle, that she might **fly into the wilderness**, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent."

*"Why would Yahuah want us to go into the 'wilderness'? We can't be His Witness if we are 'hiding'"*

**Yochanan/John 9:4** "I must do the works of Him that sent Me, while it is day: **the night comes, when no man can do works.**"

**Daniel 9:27** "And **He (Yahushua)** shall confirm the brit/covenant with many for **one week**: and in the middle of the week He shall cause the **sacrifice and the offering to cease...**"

Again as we have stated and explained before, **Daniel 9:27** is One of the Most misinterpreted & misunderstood Scriptures used today. Not because it is that hard, but because of what has been taught by the church system.

Yahushua ha Moshiach/Messiah Causes the **Sacrifice & The Offering to Cease.**

## **FIRST: WHAT IS THIS SACRIFICE & OFFERING?**

**RomiYah/Romans 12:1** "I beg you therefore, Yisraelite brothers, by the rachamim/mercy of YHWH, that you present **your bodies** a **living sacrifice**, kadosh/set-apart, acceptable to YHWH, which is your act of reasonable worship."

**Tehillim/Psalms 141:2** Let my **tefillah/prayer** be set forth before You **as incense**; and the lifting up of my hands as **maariv/evening offering**.

**GilYahna/Revelations 8:3** And another heavenly malach came and stood at the altar, having a golden censer; and there was given to him much incense, that he should offer it with the **tefillot/prayers** of all the Yisraelite kidushim upon the golden altar that was before the kesay/throne.

4 And the smoke of the incense, which came with the **tefillot/prayers** of the Yisraelite kidushim, ascended up before YHWH out of the heavenly malach's hand.

So the sacrifice that it is speaking about in Daniel 9:27 is **NOT** the daily animal sacrifice as many have stated must resume, **as it will not**. This sacrifice, is the daily Prayers and Worship of True Yisrael to Yahuah which has been increasing more and more in recent years, as more people woke up to the Truths of Yahuahs Word.

## **SECOND: HOW DOES THESE "SACRIFICE & OFFERING" CEASE?**

If the sacrifice and offerings in **Daniel 9:27** are prayers and praise, then does this mean that Yahushua ha Moshiach will Stop the Prayers and Praise from Yisrael?

First, the Woman, who is remnant Yisrael who flees into the wilderness, will **no longer be seen openly**. This is the time when 'night comes and no man can work' as the only work that will be done will be Inside the Camps of Yisrael.

This is also when people hunger for truth, but it cannot be found.

**Ahmos/Amos 8:11** "Behold, the days come, says the Master YHWH, that I will send a famine in the land, not a famine of lechem/bread, nor a thirst for mayim/water, **but of hearing the words of YHWH**:  
12 And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of YHWH, and **shall not find it**."

## **WHY CAN'T THEY FIND YAHUAHS WORD IN ALL THE EARTH?**

**First:** Remnant Yisrael is no longer scattered amongst the people of the nations. But instead are **Sealed in the Wilderness**, being gathered into the camps from the ends of the earth, and are under the protection of Yahuah.

**Second:** All the Yisraelites who did not flee, and were still in the nations/beast system/babylon. They will be taken away by the serpent, who will use this beast system to destroy them, and as many physical/blood Yisraelites. That is what is written, and is what Yahuah referred to as the "*Sword*" in **YirmeYahu/Jeremiah 9:16** that is being sent out after Yisrael to consume them because of their rebellion, which will take place in these last days.

**GilYahna/Revelations 12:14** And to the woman was given two wings of a great eagle, that she might fly **into the wilderness**, into her place, where she is nourished for a time, and times, and half a time, from the **face of the serpent**.

15 And the **serpent** cast out of his mouth mayim/water as a flood (*armies*) after the woman, that he might cause her to be carried away by the flood.

16 And the ground helped the woman, and the land opened her mouth, and swallowed up the flood (*death of these armies*), which the dragon cast out of his mouth.

17 And the **dragon was angry with the woman**, and **went to make war** with the **remnant of her zera/seed**, that **shomer/observe the mitzvoth/commandment of YHWH**, and have the **testimony of Yahushua ha Moshiach**.

These are also the final generation of Yisrael which completes those who die by the hand of the serpent and the beast system, that was written about in:

**GilYahna/Revelation 6:10** And they cried with a loud voice, saying, How long, O YHWH, kadosh/set-apart and emet/true, do You not judge and avenge our dahm/blood on them that dwell on the olam/earth?

11 And white robes were given to each one of them; and it was said to them, that they should rest yet for a little while, **until their fellow servants and their Yisraelite brothers, should also be killed as they were, was completed.**

This is how **Daniel 9:27** "...sacrifice and offering to cease..." takes place. Which group we end up in, either the remnant of Yisrael who flee into the wilderness under the protection of Yahuah, or of those who stay in Babylon and are killed, is up to the decision each individual makes.

Yahuah is calling Yisrael out of Babylon RIGHT NOW, as there is little time left to escape. There is only **230 DAYS** from right now until the middle of the week, when the Great Tribulation begins, which is also the day that Yisrael who flee is sealed in the Wilderness. However, you will **not** have **230 Days left to flee, as this nation, along with many other nations, are about to fall.** They will cause and/or use whatever excuse to implement martial law, once this is done and possibly even before this is done, you will not be able to move about through all of the many controls they are now beginning to implement, which will only vastly increase in the days and few months ahead.

My Abba Moshe EliYahu has known these days were coming for many years. But for the last 3 years we have strived to share the knowledge about the exact day and hour in which we live, with all who would listen. Along with the teachings, we also warned about the famines that had begun and would increase each year, and it has. We also warned about how earth magnetic field was weakening, and how the northern lights would be seen in places it should not be seen, all around the earth, and it has. We also spoke about how meteors will increase because earth magnetic field is not strong enough to deflect them, or burn them up on entry, and it has. We spoke about how the earth quakes would increase in number and intensity, and would occur in places where earth quakes have not happened, and they have. Along with many other earth change events, as the birth pains of this earth increase daily. We also have warned about the laws they were passing, to the massive preparations the government, FEMA, and HLS, has/is doing to destroy the nation, and the people. The fema camps they have built, the Billions of rounds of ammunition HLS has purchased, the massive amount of body bags, coffins, and many other measures they have prepared. They are the Sword, they are the ones who the serpent is about to use to try to destroy All Yisrael, both those who truly serve Yahuah, and also those who are only physical descendants.

All of these things have been revealed by Yahuah to those who are watching. Yahuah has tried to wake up His People, and many have woken up as they have been seeking His Word, and can see the events taking place all around the earth.

But also many continue to sleep and slumber. And as Yahushua ha Moshiach tried to wake His Talmidim/Disciples twice, but the third time He came to them, there was no more time left for them to pray as the ones who were coming with the sword were right there, so Yahushua told them:

**MattitYahu/Matthew 26:43** And He came and **found them asleep again:** for their **eyes were heavy.**  
**44** And He left them, and went away again, and made **tefillah/prayer the third time,** saying the same words.

45 Then **He came to His talmidim**, and said to them, **Sleep on now, and take your rest: see, the hour is at hand**, and the Ben Ahdahm is betrayed into the hands of sinners.

46 Rise, let us be going: see, he is at hand that does betray Me.

47 And **while He yet spoke**, see, Yahudah, one of the twelve, **came, and with him a great multitude with swords and clubs**, from the main Kohanim and the zechanim of the people.

If a person is also not awake by now to what is about to happen, then do as Yahushua said "...Sleep On..." for we are now arriving at the hour that there is no longer enough time for someone to wake up, come out of the church system, study, learn, come to the understanding they have to flee, and then still have time to do something. For those of you who are awake, and who do understand, if you are going to prepare to flee, you must do so **Now**.

**I was going to post a bunch of links to news reports and articles about the many current events that going on, which we now instead just posted to our facebook page:**

From the total gun confiscation bills that are in process in multiple states now, which obama will soon declare that congress isn't working fast enough for a federal national gun ban, so he will do it by executive order and/or through the UN Arms Trade Treaty conference which is to be held in New York in march.

To the police chief in California who stated that "a gun is not a defensive weapon, and is only used for intimidation and to show power", which is exactly what most police use them for yes. Along with many others who are also trying to devalue the 2nd amendment in order to call for total gun confiscation.

To the meteor that exploded over Russia with the force of 30 Hiroshima bombs, damaging over 3000 buildings, some of which had collapsed roofs/walls, and other structural damage, and at least 1200 people injured. This was along with at Least 3 other confirmed 'fireball' meteors seen in Cuba, San Diego California, and Japan. All 3 of which the media has fell mostly silent about. All 4 of these (3 + the 1 in Russia) occurred while asteroid DA14 passed by earth half the distance between the earth and our own GPS and other satellites.

And so many other events that are taking place in these last hours of the last days...

**IF YOU DO NOT FLEE, FOR WHATEVER NUMBER OF REASONS/EXCUSES, THEN YOU ARE MAKING THE DECISION TO STAY IN BABYLON, AND ARE ACCEPTING THE CONSEQUENCES THAT COMES WITH THAT.**

We wanted to send out this newsletter last week, but thought there was so much more that needed to be included. However, this is as much as Yahuah is going to allow us to write. We have stated before, and we'll say it now, these newsletters and the public outreach of this ministry, and the public outreach ministry of Kol/All Yisrael, **is coming to a close**. Night is approaching. The teachings and

fuller understanding of the Word will continue inside the Camps of Yisrael in the Wilderness. Those of Remnant Yisrael are preparing to leave. If you have not began to prepare to flee, then NOW is the time. There is no time to wait.

Almost 2 year ago we wrote a document which we have sent out many times. It is Titled "**Prepare to Flee Kol Yisrael**" it is at this link:

[http://www.yhrim.com/PREPARE TO FLEE KOL YISRAEL - Updated 6-29-5993.pdf](http://www.yhrim.com/PREPARE_TO_FLEE_KOL_YISRAEL_-_Updated_6-29-5993.pdf)

It begins with the bare necessities of what is needed, and was written to get people thinking in the right direction and the right mindset. But as we have stated before, people will need much more than what was included in the document, as again it was just the bare necessities. You need to do as much as you are able. If all you have is the bare necessities, and your car/truck. Then begin adding what you can to your vehicle, like bottles of water, extra food, more clothing, blankets, etc. If you have a cargo trailer, you buy or build shelves, and add many more supplies, and/or even add/build a bunk bed. If you cargo trailer is insulated, if you have the room, you could add a wood burner to heat it with, and etc and so on.

If you have some type of an RV Trailer or Motor home, then that could be used, not only to stay in but also to carry at least some supplies.

In any case, you will have to watch your weight though. Not only what the cargo or rv trailer is able to carry, but also what your vehicle can pull. Especially when going up hill.

**In any case, whatever you are going to prepare, you must get done quickly.** As there is short time left to do so. We are less than 2 months from Aviv. Beginning in Aviv, events will begin to drastically speed up and increase. Not only will events speed up, but the plagues will begin to be poured out in the 6 months leading up to the middle of the week, which beings Yom Teruah/Day of Trumpets/1st day of the **7th month of 5995sc** (*pagan roman date: sunset oct 5th through 6th 2013*)

**We will continue to send out any information and teachings that Yahuah allows us to do, for what time He Allows it to be done.**

Shalom Shalom,
