

Shabbat Shalom Yisrael,

Last evening at the going down of the sun (sunset) began the 15th Day of the 8th month of the year 5994sc

We were going to take photos of the sun and moon as we did last month. But this time showing how they had already "Turned" over their primary directions. However, we were under complete cloud cover at the beginning of Shabbat (at sunset). But the sun is out this morning, so hopefully this evening at sunset, we will be able to take those photos. If we can, we will be sending out a 2<sup>nd</sup> newsletter showing this.

We have a few notes first, just below. But at the end of this, is the link to this weeks Newsletter concerning "The Great Tribulation – The Last 3 ½ Years of Mans Rule" We are also working on a Current Events Newsletter, which we were hoping to have completed this week, but we will be sending it out at least by Aviv.

### **PESACH IS STILL A MONTH AWAY:**

Many people are keeping Pesach/Passover today. But as is clearly seen, we are still in winter, and they are keeping Pesach a Month To Early. Because instead of following and reading Yahuahs Time Pieces, they are following men who say '*the barley has spoken*' or '*so-and-so has spoken*' or '*my rabbi said so*' or whatever....

That is why snow has covered half the US, because Aviv (spring) has not yet arrived.

Again, we published the teaching "How To Correctly Read & Determine The True 'Turn Of The Year'" back about three years ago. Which shows how to read Yahuahs Two Witnesses, the Sun and Moon (*no man, barley, or anything else*) can speak forth His Calendar, including the Year- Beresheeth/Genesis 1:14

**This teaching can be studied here:**

For all of you who are looking to keep Pesach Aviv next month. Make sure to keep things in mind, and get things prepared, as we approach the time, since it is now less than a month away.

Remember, to be careful walking into hospitals, funeral homes, etc. As you will become 'unclean by a dead body' and will not be able to partake of Pesach, if you don't have enough time to go through the 7 days of purification, that is required by the Word. **Barmidbar/Numbers 19:11-17**

If it is less than 7 days before Pesach, and you are unclean due to a dead body, then you do have the opportunity to keep Pesach in the 2<sup>nd</sup> Month. But that may prove difficult to find a group who is keeping Pesach in the 2<sup>nd</sup> month - **Barmidbar/Numbers 9:6-14**

My Abba/Father Moshe EliYahu wrote a teaching several years ago, about **"Appearing Clean Before YHWH On His Moadim Sabbath's And His Set-Apart Feast Days"**  
It can be studied here:

[http://www.yhrim.com/Appearing Clean Before YHWH on His Sabbath Feast Days 3.pdf](http://www.yhrim.com/Appearing_Clean_Before_YHWH_on_His_Sabbath_Feast_Days_3.pdf)

He also wrote the teaching **"Passover And Feast Of Unleavened Bread"** which explains what the Word Commands Yisrael to do and to keep at Pesach, instead of the traditions that man has passed down, to replace the True Pesach.  
This can be studied here: [http://www.yhrim.com/Passover Main Doc. 1 2007.pdf](http://www.yhrim.com/Passover_Main_Doc_1_2007.pdf)

Also before you throw away everything out of your homes, because you 'think' it might be 'leavened', because of whatever ingredient it contains.  
Please Read and Study **"Are we to Keep 7 or 8 Days of Chag Matzoth/Feast of Unleavened Bread? Scripturally What is Chametz/Leavening?"**

The teaching can be found here:

#### **OTHER SUBJECTS:**

My Abba/Father, Moshe EliYahu has also completed a new teaching titled **"Faith & the 9 Gifts of the Spirit"**. It is now live on our main website, [www.YHRIM.com](http://www.YHRIM.com), and can be found on the home page. Here is the direct link to the teaching:

Finally, here is the newest YHRIM Newsletter. Again it is titled “**The Great Tribulation – The Last 3 ½ Years of Mans Rule**”. This is a Word of Warning that my Abba/Father Moshe EliYahu was compelled by Yahuah to write, about what is about to take place. This newsletter can be shared with your family and friends, who are still in the church system. This is now live on our main website in the newsletter archive <http://www.yhrim.com/Newsletter-Archive.html>
