

Shalom Kol Yisrael,

We want to address several Important Topics in this Newsletter, So please read it in full.

We could go on at length about each of these topics, but will try to keep each topic as brief as possible, while still fully explaining.

**THE WORD FIRST:** Some Brothers and Sisters in Iowa who we know personally, were reading and discussing **Lamentations/Echad 2:6**, and what came out of that discussion is very Important.

### **Lamentations/Echad 2:6**

And He has violently taken away **His Tabernacle**<sup>H7900</sup>, as if it were of a **gan/garden**<sup>H1588</sup>: He has destroyed the places of the **congregation**<sup>H4150</sup>: **YHWH** has caused the **moadim** and **Shabbats** to be **forgotten in Tzion**, and has despised in the indignation of His anger **both** the **melech/king** and the **kohen/priests**.

There is a lot that is being said and done in this one verse, IF a person will recognize and understand it.

### **FIRST LETS TALK ABOUT THE OBVIOUS:**

In this verse, Yahuah states that HE has caused the **Moadim** AND **Shabbat** to be **forgotten in Tzion**. **What does this mean?**

It means just what Yahuah stated. The people, and specifically mentioned are the kings (government) and priests (religious leaders) in Tzion/Zion **No Longer Remember** Neither **Yahuah's Moadim/Appointed Times** NOR **His Shabbats**. Which means whatever they are keeping is **NOT** Yahuahs Moadim **NOR** His Shabbat! **Plain & Simple**.

This is seen twice in this verse, once very obvious written as "...**YHWH** has caused the **moadim** and **Shabbats** to be **forgotten in Tzion**..."

But because of mans translations and inserting words that THEY think are better. It is also seen first (but not obvious) as :

"...He has destroyed the places of the **congregation**<sup>H4150</sup>..."

Where the translators put '*congregation*', it is actually the Hebrew Word "Mo'ed"

Which we all know Mo'ed means All of Yahuah's Appointed Times, both the **Weekly Shabbat** AND **Annual Festivals/Shabbats** – Wayiqra/Leviticus 23

This is even clearly shown in the Strongs Concordance

**H4150** מועד מועד מועדה - **MÔ'ÊD** - mô'êd - mô'âdâh (*mo-ade', mo-ade', mo-aw-daw'*)

From **H3259**; properly an **appointment**, that is, **a fixed time or season**; **SPECIFICALLY A FESTIVAL**; conventionally a *year*; by implication, an *assembly* (as convened for a definite purpose); technically the *congregation*; by extension, the *place of meeting*; also a *signal* (as appointed beforehand): - **appointed (sign, time)**, (place of, solemn) assembly, congregation, **(set, solemn) feast**, **(appointed, due) season**, solemn (-ity), synagogue, **(set) time (appointed)**.

So **twice** in **ONE** verse Yahuah states that **He is destroying His Mo'edim from the place, and that He has caused them to forget His Mo'edim And Shabbats.**

This is also very Evident from the many things that they do today. Such as postponing the feast days because they do not '*fall*' on the day they want, or because it falls on some other day that they want to be separate. So they postpone & move them at **THEIR** discretion.

The also **do not read** the sun nor moon for **ANYTHING**, as is Commanded in the Word. They begin the year, when they **THINK** it should start, not at the Turn of the Year. Among many other things.

Since Yahuah caused them (*kings/government* and *priests/religious leader*) to FORGET His Moadim AND His Shabbat, also means that '*saturdays*'/'*saturday*', **IS NOT, WAS NOT, HAS NOT, AND NEVER WILL BE YAHUAHS SHABBAT!** It is **THEIR** 'sabbath' **NOT Yahuahs**. The man made tradition of keeping '*saturdays*', as we showed in the teaching "*The Plain & Simple Truth About The ' Star Of David ' & the Multitudes of Real Pagan Symbols that Thrive In These End Days*", comes from the worship of, *Not Yahuah*, but **Saturn!** the god of the **romans**. Which '*saturn*' is one of the names of **Moloch**, who is actually **Ba'al** also known as **Nimrod**.  
(link to teaching: <http://www.yhrim.com/The Plain and Simple Truth About the Star of David.pdf>)

For generations, Yisrael has strayed from Yahuah to Worship these **SAME false idols**, over and over again, even after being chastened by Yahuah time and time again.

But since they would not turn from their idolatry, and continued to sin against Yahuah, Sometime after Yahushua ha Moshiach/Messiah came and died as the Pesach Lamb, Yahuah finally stripped away the knowledge of **HIS** True Moadim and Shabbats completely from Yahudah/'jews', and gave them unto the false worship that

they desired. Which since they were surrounded by and ruled the romans at that time, the religious leaders adopted 'Moloch' in his new form 'Saturn', and kept his day, saturday. **And this has continued even to this day.**

Which is why Yahuah in His Word **Commands** Yisrael in:

**Shemoth/Exodus 20:8** "Remember The **Shabbat Day**, to shomer/keep/guard it as kadosh."

Why are we Commanded to 'remember' His Shabbat?

*It sure doesn't mean to walk over to a roman calendar and see what day of the month 'saturns day' falls on this week.* Because Yahuah knew when He told Moshe the 'Ten Commandments', He would cause Yisrael to **Forget** His True Shabbat because of their continual disobedience and false worship, as He stated in **Echad/Lamentations 2:6**.

Around the year **5980s.c.** (roman 1999), Yahuah began to Restore the knowledge of **His Moadim and Shabbat**, and from that time Remnant Yisrael began to Remember the Shabbat. But it is up to kol/all Yisrael to whom they will serve.

Now lets read this verse again, & talk about two other truths that have **become** hidden:

### **Lamentations/Echad 2:6**

And He has violently taken away **His Tabernacle**<sup>H7900</sup>, as if it were of a **gan/garden**<sup>H1588</sup>: He has destroyed the places of the **congregation**<sup>H4150</sup>: **YHWH** has caused the **moadim** and **Shabbats** to be **forgotten in Tzion**, and has despised in the indignation of His anger **both** the **melech/king** and the **kohen/priests**.

Re-Read that:

"He has Violently taken away His **Tabernacle** as if it were of a **garden**".

Is the word '**Tabernacle**' here speaking of the 'temple' as many assume because of the translation? **If so**, what does the temple have to do with '**taking away a garden**'?

### **Strong Concordance 'Tabernacle' H7900**

-----  
**H7900** תֶּבֶן - šôk - soke

**From** **H5526** in the sense of **H7753**; a booth (as interlaced): - tabernacle.

-----  
**H5526** סָכַךְ - sâkak - sâkak - saw-kak'

A primitive root; properly to entwine as a screen; by implication **to fence in**, **cover over**, (figuratively) **PROTECT**: - cover, **defence**, **DEFEND**, **hedge in**, **JOIN TOGETHER**, set, shut up.

**H7753** שָׁקַ - sūk - sook

A primitive root; to entwine, that is, shut in (for formation, **protection** or restraint): - **fence**. (make an) hedge (up).

-----

**'Gan'/Garden H1588** -גַן -gan

From H1598; a garden (**as fenced**): - garden.

-----

So even from the strongs concordance, we can easily see, where it is translated as

*'And He has violently taken away **His Tabernacle**<sup>H7900</sup>, as if it were of a **gan/garden**<sup>H1588</sup>'*

Is actually speaking of Yahuah **Removing His Protection, His Hedge, His Fence,** around Yisrael because they **continually Sinned Against Him** by worshiped false Idols and keeping their false days, instead of Worshiping Him and Keeping His Moadim.

Now, in this end time, because Yahuah has Restored the Knowledge of His Shabbat and His Moadim many years ago now. **All** of those who have either **heard** or **had the opportunity to hear**, but **Rejected His Shabbat and His Moadim**, and have **continued** to keep the False Pagan Days of *ba'al, saturn/moloch, allah*, etc. etc. Yahuah is going to **Remove His Protection, His Hedge, From Them!** And they will be consumed by the sword, as is stated and will fulfill the last part of:

***Yechezkiel/Ezekiel 5:12** A third part of you shall die with the pestilence, and with famine shall they be consumed in the midst of you: and a third part shall fall by the sword around you and I will scatter a third part into all the winds, and **I will draw out a sword after them.***

***This is also stated in:***

*Yirmeyahu/Jeremiah 9:16 I will scatter them also among the gentiles, whom neither they nor their ahvot have known: and **I will send a sword after them, until I have consumed them.***

But even still, there will be a Remnant who is serving Yahuah with all of their strength, trying to be obedient to all of His Commands, who will be protected in the Wilderness, as is stated in **GilYahna/Revelations chapter 12** and other verses.

## Next Topic: **BIT-COIN & THE 'MARK OF THE BEAST'**

*I could write a very long article on this, but I'm going to try to just sum this up. If you want to know more, you can see the couple links I provide below, and do your own research as well.*

Most people may ask *"What the heck is a bit coin?"*

Well, depending on who you ask, you will get many different answers.

If you ask a stock broker, he might tell you *"It's the best investment anyone can every make!"* If you ask a banker or politician, they might tell you *"It's the perfect answer to secure online transactions, no matter what country or currency you use or are buying from!"*

But what is bitcoin behind the hype? What is it really use or intent?

Basically, its something that we have watched for, for many years...

### **BITCOIN BASICS:**

\*Bitcoin is a Completely New Currency

\*It does not Belong to, nor is it attached, to any nation or government

\*It is **Completely Digital Currency**, meaning there is No Cash, No checks, No Paper of any kind. In other words a 'Cashless Currency'.

\*Since it isn't attached to any government or nation, it is claimed to be **'inflation proof'**

\* Bitcoin is **Backed By Commodities**, making it the **only currency** of its kind in this day.

\* It is already being accepted in over 167 nations, and more adding all the time

\*It is be touted as the **perfect solution for secure transactions**, and is 'un-stealable'. And if someone does manage to 'steal' your bitcoins, its 'OK' because each 'bitcoin' has a traceable number, and if anyone tries to use a 'stolen bitcoin' a message saying 'this bitcoin is stolen' will automatically be displayed to a retailer.

\*Currently (*as of the time of this writing*) **1 Single BitCoin** is worth **\$813 U.S. Dollars**. This number fluctuates, due to the fact that investors are buying BitCoins as an investment, just like a person might buy gold stocks. So at times it may drop when a sell off occurs, and then rebound when investors begin buying again. In any case, even if it dropped to 1 BitCoin Only being worth \$100 US dollars, it would still be the strongest Currency on the Planet by many times over.

Ok, so that is the Propaganda of BitCoin...

## But What is BitCoin?

In short, It is the **Perfect Setup** to a **One World Global Currency** that is **COMPLETELY** Totally Controllable **and** Traceable. And will be the perfect solution to a U.S. Dollar, and other major nations, Multiple World Economic Collapses.

**Will BitCoin become the New World Reserve 'Currency'?** Maybe... Maybe not.

What BitCoin is for sure being used for, is to create and implement the entire technological infrastructure for a New Totally Digital Currency on a Global Scale. Once this technological infrastructure is in place, and it can be used around the earth, *which is already close to being true right now as it is expanding at a very rapid pace*, they could flip a switch and create Another New Currency and call it... the '**IMF coin**'... or the '**BeastCoin**' .... Or whatever name they want to use.

## **BUT WHAT DOES THIS HAVE TO DO WITH THE 'MARK OF THE BEAST?'**

They churches have taught all kinds of things for many years, about what the 'mark of the beast' will be. When barcodes first started being used, they said the mark was going to be a barcode tattooed on a person's forehead or on their hand. Then when microchips were created, they said it's a chip under the skin.

**GilYahna/Revelations 13:16** And he causes **all**, both **small** and **great**, **rich** and **poor**, **free** and **bond**, to **receive a mark** in their **right hand**, or in their **foreheads**:

17 And that **no man** might **buy, or sell**, **except** he that **had the mark**, or the **name of the beast**, even the **multitudes** who **have** his name.

The fact of the matter is, when Yahuah said in His Word, and spoke of a person would have the Mark of the Beast on their '**forehead**', He was speaking about a persons knowledge. When He spoke of a persons '**right hand**' He is speaking of a persons Work life. Not that a 'mark' will literally have to be placed in one or both of these locations.

Once they have the infrastructure for a digital currency in place, all they have to do is make it **mandatory** that you have to have **something** for 'security reasons' of course, in order to have a... *I'll call it a* **'beastcoin' account**.

That 'something' could be **Anything** from your **fingerprint, to an iris scan, voice print, 'social security card', driver license, to a 'real ID' Card** (*which is being implemented right now*), **to a chip, to whatever. It Does NOT Matter what the requirement is!**

If without a 'beastcoin' account you are **not able to buy and sell** (*because it is all digital and there will be no paper cash*). And in order to have an account you are **REQUIRED** to have **'Something'** for 'security reasons', then that **'something' becomes the mark.**

You might even have a choice of which **'something'** you want to use. And because of that, the masses will be deceived. As the people from the church won't get a 'bar code tattoo' or a 'micro chip', they've heard about those. *"But whats wrong with an 'upgraded' drivers license with 'Real ID' features, right? Its just for 'security' reasons, so that no one else can steal my 'money', and I have to have it to get my account so I can pay my bills."* They will take it and not even understand what they are doing, **BECAUSE** they are so in-grained into the Beast System. Others already like the chip because it is convenient.

**In other words, its not What 'Device' that makes it the 'mark'. But rather its Whatever you are Required to get in order to be able to 'buy and sell'.**

Some might say, *"Well even though it may come in different forms, people still won't get it."* Wait until your nations economy collapses, and the money is worthless and you can't even buy food. Then see if that holds true. **People will do get what ever they are required to, even to sign themselves over as literal slaves, in order to buy food for themselves and their hungry family.**

**So this is right around the corner. The Technology is Already being implemented Worldwide, Right Now. It is already here, and most don't even know it.**

The only way that a person won't be forced to do this is **IF** they are growing their Own Food, or have their own food source, and are able to have a large enough group of people to **Guard And DEFEND** It. If you think 2 or even 5 people can even stay awake in shifts to guard your supplies... wait until after a week, or a month, and see how that's going...

Yahuah has promised in His Word that He will **'Nourish'** Yisrael who flees into the Wilderness, **GilYahna/Revelations 12:6 & 14**, because they are relying upon Him and not the Beast system. But **how** He nourishes us is another matter. It may be that He **ALLOWS** and **Blesses** us to be able to Grow Food, despite: climate, weather, droughts, floods, etc. It may also be that at some point, He may send Manna. Which way or when, is up to Him.

In any case, we are to do the best we are able to do, as we know and have been warned this is all coming. If we sit and say *“We’ll I’ll wait until I can’t buy, or when there is no food, THEN I’ll go to the wilderness and expect Him to just Give it to me.”* He may not give you anything, as that is a lazy persons way of getting out of doing anything.

**But even if you starve to death** because of your earlier decisions and because you did nothing to be able to have food, **to starve would be better than taking the Mark.** But you will still be held accountable for doing nothing, especially if your family was also hungry and starved because you didn’t prepare and didn’t provide for them.

**What are we Required to do?** We do the BEST (*and He Knows what our Best is*) we can do, and then Pray Yahuah Provides the Increase.

The man who brought the two fishes and two loaves of bread came prepared for himself, and Yahushua ha Moshiach/Messiah took that little and fed 5000 with it.

**But what if the young man hadn’t brought anything, like the other 4999 people there?** Could Yahushua have created food from nothing, of course He could. But we are always expected to do something, and that young man was supposed to have been an **Example** to the other **4999** people that was there that day, **AND TO US TODAY.**

Here is a link to a propaganda video trying to get people to invest in bitcoin. But everyone should watch at least the first 30 minuets or so, to glean and learn what 'Bitcoin' is, how fast it is being expanded, how it is going to be used and implemented, and just to be familiar with it in general.

Lastly, Ariel Sharon:

*This is a post that I just made this morning on our YHRIM Facebook Page:*

**BREAKING NEWS**: FORMER PRIME MINISTER ARIAL SHARON IS NEAR DEATH

**Lets Review a little 'Recent History' of Ariel Sharon:**

By orders of Prime Minister Ariel Sharon, all Israeli's were forcible kicked out of Gaza Strip on **September 12th 2005**, their homes and all other buildings destroyed, and Gaza was handed over to the Palestinians.

Which **September 12th 2005** on Yahuahs Scriptural Solar-Lunar Calendar IN JERUSALEM was the **6th Month - 8th Day Shabbat - 5987sc**.

**\*\*Less than 3 months Later\*\*** Ariel Sharon suffered his first stroke on December 18th 2005 (*9th month-16th day-5987sc*), and was rushed to the hospital. They found that it had been caused by a hole in his heart. Surgery to repair the hole was scheduled for January 5 2006 (*10th month-5th-5987sc*).

But on **January 4th 2006** **\*\**(10th Month-4th day-5987sc - The Very Last Day of the Real Scriptural Chanukah)*\*\***, he suffered another stroke and a massive cerebral hemorrhage (*internal bleeding of the brain*), and has remained in a comatose state since.

**\*\*\*\* NOW READ THIS NEXT PARAGRAPH VERY CLOSELY \*\*\*\***

So They have been keeping Ariel Sharon alive by life support machines since:

**\*\*\*\*** **January 4th 2006**, which on the Scriptural Calendar was **10th month - 4th day - 5987sc** – And was **the VERY Last Day of Chanukah\*\*\*\***

Which in 2 more days (*from the time of this writing*) will be **8 years to the Very Day**, on **BOTH** the **Roman Calendar** **AND** **Yahuahs Scriptural Calendar** as once again:

**\*\*\*\*** **January 4th 2014** is **Also** the **10th Month 4th Day of 5995sc** - And is **ONCE AGAIN** The **VERY LAST DAY of the Scriptural Chanukah\*\*\*\***

## Quote from Israeli News Sources:

<http://www.timesofisrael.com/ariel-sharons-condition-deteriorates/>

## Quote:

*"Hebrew media reports late Wednesday, said doctors had told the family that Sharon had, at most, **no more than four days to live.**"*

That was released on **Jan 1<sup>st</sup> 2014** - four days would take him to **Jan 4<sup>th</sup>**, which as I stated above, is also once again the **10th month 4th day**, and again this year is **THE LAST DAY OF CHANUKAH**. Exactly **8 Years** to the **VERY Day** on **Both** the **Roman Calendar** **AND** **Yahuahs Scriptural Solar-Lunar Calendar**.

Now we know why this happened to him initially, and **when He gave away Gaza we said and knew to be watching**, because you **DO NOT** give away ANY of Yahuahs Land that He Promised to Avraham.

But we have to wonder, why have the 'elite' kept him 'alive' all this time. And is he really just dying, or are they creating a date for his death? **Why Now?**

In Any Case it is not just 'coincidence' that **january 4th** on the roman calendar **AND** the **10th month 4th day** of Yahuahs Scriptural Calendar was the **Last Day of the Scriptural Chanukah** in **\*\*BOTH\*\* 2006** and now again in **2014**, **Exactly to the Very Day 8 years later** on **Both** the **Roman** **and** **Yahuahs Solar-Lunar Calendars**.
