

Shabbat Shalom,

As we near the end of this 22nd Day Shabbat of this the 8th Month of 5995s.c. we wanted to send out a short newsletter, and to cover a couple topics.

First: yet another pagan satanic ritual (thinly disguised as an 'american' day) is coming up, this one they call 'thanksgiving'.

A little over two years ago we released a teaching document about the 'american thanksgiving', and why it is a Pagan Day. **NO Yisraelite has ANY Business keeping this pagan day!** And there is **NO EXCUSE** for doing so, I don't care if it is to '*keep peace in the family*' as I have heard some try to use as an excuse for this and many other days and things. If a person keeps this day in **ANY WAY, SHAPE, or FORM**, they are participating in **Pagan Ritual worship unto false 'gods'**, which is **Pagan Idol Worship**, which **all Idol worship is actually worshipping satan**, **Plain & Simple!**

Here is the link to the teaching which is freely available on our main website. Anyone can read, download, save, print, and share this teaching with all of your family.

Next: We want to share two Events which has occurred in just the last month, but just today come to light. We shared this quote and comments on our facebook page just this afternoon:

"BREAKING NEWS ALERT! - READ IMMEDIATELY -

Quote from article:

"The Ministry of Defense (MoD) is reporting today that the Vityaz early-warning radar system deployed along the entire Russian border has confirmed the Republic of China Navy (ROCN) launching from their Type 092 Xia-class nuclear ballistic-missile submarine (SSBN) of **two atomic JL-2 missiles** off the Northeast American coastline near the State of Oregon on **Wednesday 30 October (2013) and Wednesday 20 November (2013).**"

-end of quote

We've been talking about this for years now, that the 'elite' will have china and russia to nuke U.S. Cities. But this will most likely be blamed on iran or other nations.

Yahuah showed my Abba 30+ years ago, the missiles coming in through the air, and burning the cities.

We have been telling Yisrael to Get Out of the Cities! Now the time is right upon this nation.

We will have upcoming newsletter hopefully by next week to cover this and more.

Here is the link to the article which we posted below these comments:

We have talked extensively about these events coming for many years now, even long before we had a website or any internet outreach.

Even in just the previous newsletter, we sent out earlier this month, we included several articles, some of which included information from Chinese news media, about china's plans to nuke U.S. cities, and what the fall-out would be.

Here is some of those links that we sent out before:

<http://www.washingtontimes.com/news/2013/oct/31/inside-china-nuclear-submarines-capable-of-widespr/>

Chinese state-run media revealed for the first time this week that **Beijing's nuclear submarines** can attack **American cities** as a means to counterbalance U.S. nuclear deterrence in the Pacific.

“This is the first time in 42 years since the establishment of our navy’s strategic submarine force that we reveal on such a large scale the secrets of our first-generation underwater nuclear force,” the Global Times said in a lengthy article titled “China for the First Time Possesses Effective Underwater Nuclear Deterrence against the United States.”

“This astonishing story below this morning from the Washington Times proves that the Chinese government has published nuclear devastation plans for America as shared in the story and graphic below. Does China and the world now see America as the new ‘axis of evil’, to be reckoned with via nuclear annihilation? With China’s ships now in Hawaiian waters as shared in this story from Mort Amsel, have American wars of aggression upon other nations begun to

return to haunt us? Details of China’s plans are ‘chillingly macabre’ according to the Times story:

“Because the Midwest states of the U.S. are sparsely populated, in order to increase the lethality, [our] nuclear attacks should mainly target the key cities on the West Coast of the United States, such as Seattle, Los Angeles, San Francisco and San Diego,” the Global Times said.”

While Barack Obama is busy gutting the U.S. nuclear arsenal, Russia and China are rapidly preparing for the day when they will nuke the United States. To most Americans, it sounds very strange to hear that Russia and China are concerned about nuclear war. After all, isn’t the Cold War over? Isn’t that what politicians from both major political parties keep telling us? Unfortunately, the truth is that Russia and China both consider the United States to be their number one geopolitical threat, and both nations have been systematically strengthening and updating their strategic forces. At the end of last month, Russia held a large-scale military drill that involved the launch of four nuclear missiles, and the Chinese government released a major report for the public which included maps showing what would happen to major U.S. cities in the event of a nuclear attack by Chinese submarines. Obama may blindly believe that wishful thinking and unilateral disarmament will keep the United States safe, but Russia and China are taking a much different path. Both of them believe that a military conflict with the United States in the future is quite likely, and they are rapidly preparing for that eventuality.

There is so many events taking place, it would be mind boggling to a person who is still asleep. Just like those who are in false doctrine, It is easier for a person to ignore or deny what is taking place, than to accept it, and then take action and do something about it.

Lastly, we are finishing the projections for next years **Projected** calendar. We should be able to release it by next Shabbat. We are also working on several teachings, which we also hope to be able to finish, and release soon.

We pray that Kol/All Yisrael who Keeps and Guards Yahuahs True Shabbat, and NOT the pagan days made by man, has a Blessed Shabbat and a Blessed Week.

"No Scripture Ever Contradicts another Scripture, if it seems to we just need to adjust our perspective until we can see them clearly. Unless you can use All of Yahuahs Word without throwing any out, you can't Teach that subject Fully or Correctly."

Ahmos /Amos 9:9-11 "For, see, I will command, and I will sift Beit Yisrael among all nations, like corn is sifted in a sieve, yet the least kernel of grain shall not fall upon the earth. 10 All the sinners of My people shall die by the sword, who say, The evil shall not overtake nor find us. 11 In that day I will raise up the Sukkah of David that has fallen, and close up the breaches of it; and I will raise up its ruins, and I will rebuild it as in the days of old:"
