

YHRIM Newsletter
8th Day – 11th Month – 5996s.c.

Shabbat Shalom Yahsharel/Yisrael!

Last evening at the going down of the sun/sunset, Yahuah's Two Witnesses which He placed in the heavens, the Sun and Moon, to Speak Forth His Calendar, has declared this to be Yahuah's Shabbat being the **8th Day of the 11th Month in this the Scriptural Year 5996 s.c.** (since the creation of Ahdam/Adam) (*pagan roman dates: sunset of 27th day jan 2015 – through – sunset of the 28th day jan 2015*).

Its been a while since our last newsletter. We have been very busy in the past weeks and months, we are working every workday as there is many things we have to get ready and completed here. It has really pushed us trying to get this work done, and there is still a lot of work to do. We've had and have a few things that is holding us up on some in a few areas, but we're working as fast as we are able believing Yahuah to provide.

In any case, we have been very busy, and our time has been stretched thin. This is the reason why we haven't been able to get out more newsletters, or video newsletters on our YouTube Channel. Hopefully in coming weeks we will be able to get more made, although I don't know when as we are going to be constrained for time from here to the foreseeable future.

On top of this, over the past few months we have had a series of computer problems once again. But with the suggestion from a fellow Achi, I took the time to change our main computer over to a Linux Operating System, along with dual booting Window for a few programs which we must use that don't run on Linux. It took some time to do this, and to work out a few issues with Linux, there is a little bit of a learning curve, but I had used it before back several years ago. It is working smoother now, and most of the issues both with Linux, and with Windows are mostly resolved. It also took some time to sort through several Tera-Bytes of information and files we have, to be able to maintain a Up-to-Date backup copy on an external harddrive which I've had for a couple years now. With that said, hopefully with this change we have eliminated the re-occurring issues we've had in the past.

We are also working on catching up with our emails, so if you have emailed us in the past couple months and haven't received a reply, *just hang on*, we'll try get replies out to all remaining emails in the next couple weeks. If you don't think we have received your email, please resend, as we have had that issue several time in the past, for unknown reasons as that has to do with our email provider.

Moving on: As we have repeated so many times in past years, There are SO MANY Multitudes of Events and Signs taking place all around the Earth. And they are increasing more and more by the Hour. I cannot begin to go into the events taking place in this newsletter, as I want to get this out today. If you follow our "Signs of the Times" facebook page (*the link is at the end of this newsletter*), then you have seen at least some of the 'highlights' of the events happening.

We have several things we also want to cover in this newsletter:

We've had people contacting us about Next Year's Projected Calendar. We want to let you know, that the **Projected Calendar for next year 5997sc (2015-2016)** is Now Available for free to **View, Download,** and **Print** from our main website www.YHRIM.com

We have them listed on the Home Page, and also on the "Yahua's Calendar" page, which also lists this year, and all past years projected calendars.

There is a change with the 5997sc calendar:

In past years, we have done projections in EST (*eastern standard time*) and GMT (*greenwich mean time*) time zones. For next years calendar, 5997sc, we have changed. Instead of projecting the EST, we have instead projected from CST (*central standard time*). This is mostly due to that we are now in the CST time zone. It is only one hour different than the EST timezone projection.

We have maintained the GMT projections for 5997sc projected calendar.

**Also there is at least two months, where conjunction times are Very Close to sunset. So we have projected them to the best we are able, and believe the projections are correct. However, they will be months that will have to be watched closely to go out and read the moon when the time comes, to know for certain. These conjunction times are marked with an " * " in the "Moon Conjunction Times" box, which is located on the lower right corner of the calendars.

I also want to note, that the "Turn of the Year**" which is the Sun and Moon showing us when the new year begins (*teaching link http://www.yhrim.com/The_Turn_of_the_Year.pdf*), is close this year, especially for those here in north america. As the sun is projected to "**Turn**" right at the very last day of this year on the 29th day of the 12th month, which on the pagan calendar is mar 20th.

However, the moon will "**Turn**" a couple weeks earlier, at the end of 15th day of the 12th month, which on the pagan calendar is the evening of mar 6th 2015.

So, even though it was close, there will only be 12 months this year 5996sc.

However next year by projections, 5997sc, the sun and moon will create a 13th month.

New Teachings:

Among all of our other work, we also are working on several different teachings, many of which are not yet completed. However, we do have two new teachings to release today, they were written by Achi Kalev and are very tob/good teachings that people need to Read and Study.

They are now live on our main website, we have them on the home page in the "Brand New Teachings" box.

They are also on the "Teachings Publications" page, which we have tried to sort in some manner according to subject.

These two teachings and links to each are:

Spirit of Jealousy - For many claim they are converted, but who or what are you converted to?

Who are the Pharaoh, Ahab and Jezebel of Our Day? - The devil and his seed cannot break Yahuahs Word

http://www.yhrim.com/Teaching_Documents/Who_are_the_Pharaoh_Ahab_Jezebel_of_Our_Day.pdf

I also want to send out a big "Todah Raba" to Achi Andrew Nielson.

We have talked many times and I always enjoy our conversations about Yahuahs Word and the things that are taking place in these Last Days. Knowing that we have been really busy and that our time has been spread thin trying to keep up with the website, facebook page, and many other things. He has stepped in and been a big help in our online work.

If you keep up with our facebook page, you have seen that he posts a lot of important news and events there. As of lately, there are many days I just don't have time to even get on our facebook page, so he has stepped in to post important news and events, that may have been missed or at least delayed until I had time to do so.

Also, Achi Andrew is now the network Administrator on our "Restoration of All Things" fellowship network. I'll be honest, again due to time constraints of everything, the network has fell behind, I have not been actively working on the network for months now. I have tried to go on there as I was able, but not able to put the time into it that it needs. With Achi Andrew's help, there will be changes coming, first of which is to sort through and clean up the site a bit. I've also got to get many things updated among other work and posts.

Again, I just want to say Todah Raba for the help Achi, as it is Much Appreciated.

As always, there is so much more that I would like to get into this newsletter, but I want to get this out today, so I'm going to close it here. We pray that Yahuah gives Kol Yahsharel/Yisrael a Blessed Shabbat Day even during these troubling times.

~Shabbat Shalom

No Scripture Ever Contradicts another Scripture, if it seems to we just need to adjust our perspective until we can see them clearly. Unless you can use All of Yahuahs Word without throwing any out, you can't Teach that subject Fully or Correctly."

Ahmos /Amos 9:9-11 "For, see, I will command, and I will sift Beit Yisrael among all nations, like corn is sifted in a sieve, yet the least kernel of grain shall not fall upon the earth. 10 All the sinners of My people shall die by the sword, who say, The evil shall not overtake nor find us. 11 In that day I will raise up the Sukkah of David that has fallen, and close up the breaches of it; and I will raise up its ruins, and I will rebuild it as in the days of old:"

Luka/Luke 21:28 "And when these things begin to come to pass, then look up, and lift up your heads; for your Geulah/Redemption draws near."

Hoshea/Hosea 14:1-9 “4 I will heal their backsliding, I will love them instantly: for My anger will be turned away from him.”
