

Shabbat Shalom Kol Yahsharel/Yisrael!

Although men can try to deny it, and 'make up' and 'create of thin air' **many false satan inspired reasons** not to keep it, and teach many to **keep many other false pagan sun worship calendars**.

But Yahuah does **NOT Change!** And since Yahuah **is** His Word, that means **His Word Does NOT Change!** And His Word states over and over that the **Sun AND Moon** are **HIS Two Witnesses**, and Speak forth **HIS Calendar!** Which **NO man** nor **satan** can **Change!**

SO WHO'S WORD WILL YOU FOLLOW? MAN OR YAHUAHS?

At the going down of the sun/sunset this evening, the 29th Day Shabbat of the 12th month of 5995s.c. ended. And with what was spoken forth by the Two Witnesses, the **Sun and MOON** as is **Declared and Written** in the Word, showed and spoke forth the 'Turn of the Year' in the past couple of weeks, which told us that this was the Last Month of this year.

****Teaching on 'The Turn of the Year': <http://www.yhrim.com/The Turn of the Year.pdf>*

WHICH MEANS: At sunset this evening, as the 29th Day Shabbat ended, it began **Abib 1st Rosh Chodesh 5996s.c.!** The New Year!

As we enter this new year, and as everything begins to turn abib/green, we look at the vast multitudes of major events taking place around the earth. If you follow our facebook page (<https://www.facebook.com/yahushua.benmosheeliyahu#>) you have seen a small amount of the events taking place.

The events written about and prophesied in the Word, is happening on a daily basis. Right now. Just a few major events that is right on the horizon:

***The de-valuation of the US dollar** which will be shortly followed by hyper-inflation in the US and the many other Economically-Connected nations

***Russia, China, and the other BRICS** nations taking over the worlds economy with a gold backed currency.

***World War 3** – being setup **Right Now.**

And this is besides all of the multitudes of major and lesser events taking place every day. Those of you who are 'watching' know that there are more '*wars and rumors of wars*', '*earthquakes in diverse places*', '*pestilence*' and '*famines*' than what one could even begin to list. And besides all these, we have so many more events which shows us '*as it was in the days of Noach/Noah*' and '*as it was in the days of Lot*', that this is truly the Last Days of this Generation.

However, even with babylon (*which is made up of all the nations of the earth*) is getting ready to start burning, and the 'flood' of events taking place every day with much worse on the door step.

At this time of year, we as Yahsharel/Yisrael should be turning our focus to one of the most important times of the year, Yahuahs Appointed Times of The Memorial Dinner and Pesach/Passover.

Pesach is now less than two weeks away. Which means we should be in full preparation mode, getting a holding pen prepared, setting up both a place to roast the lamb and a place to burn 'all that remains', and finding a lamb that Scripturally Qualifies for the Pesach.

Also in the next few days, we should watch for and be seeing Hyssop being to spring up, which is required to strike the blood on the door posts of our houses.

Yes, the only way to actually keep Pesach, is to keep it how it is Commanded in Yahuahs Word.

- A Male Lamb, under One Year old, with **No blemishes** (*no tags in the ears, no burnt off horns, no docked tails, etc*) from either the **sheep or goats** – *Shemoth/Exodus 12:5*
- It must be penned up on the 10th day of Abib, and inspect it each day for any blemishes. (*And yes, you **do** feed and water the lamb every day while it is penned up, if you feed it on the 14th day is up to you, as it may make it harder to clean*)
- Then on the 14th day of Abib at the 9th hour, it must be killed by cutting its throat (*a Very Sharp long blade knife is Required!*), and letting it bleed out. The blood must be drained into a pre dug hole and buried, except for the very small portion used to strike upon your door posts.

- The lamb must then be skinned and cleaned, with Only removing the waste and connected systems (*intestates, kidneys, and stomach*) as if left in they will poison the meat and it will not be able to be eaten. The heart and lungs are left in, But of course are NOT eaten, as we are Not to eat organs.
- All of the skin, intestines, kidneys, stomach, Must Be Burned! A Very Hot Wood Fire is required to do this. You will need a good pile of Wood! And it is advisable to have someone to tend this fire to make sure it does not go out, as the intestines and stomach is hard to burn.
Also everything that remains and is not eaten of the lamb, after the meal, is also burned. – *Shemoth/Exodus 12:10*
- The lamb must be **Roasted WHOLE** with its **Head and Legs!** It Can Not have any broken bones, nor can it be Dis-Membered in any way! Which also means it Can Not have its **Head and/or Legs Removed as most butcher shops will do**, under the claim of '*required by federal law*'! If any of these things are done, then According to Yahuahs Word **it is No Longer a Pesach Lamb** and therefore no longer qualifies, which means if eaten it has become a 'common' meal, Not the Pesach Meal. – *Shemoth/Exodus 12:9*
- Also, the one who kills the lamb, should be an Yahsharelite/Yisraelite man! Not a ger/stranger who does not partake of the Covenant! Which is why, even IF a local butcher shop would prepare it correctly, should still not be used!
PLUS, a butcher shop/meat processing place, will want to kill it several days ahead of time as well, which once again would nullify it from being a Pesach Lamb!

THE MEMORIAL DINNER:

The evening of the Abib 13th going into Abib 14th, which is the evening before Pesach, is when the Memorial Dinner is to be kept. The Memorial Dinner is a meal, and then is the matzah/unleavened bread, and the wine, and also the men performing foot washing, which we do and keep every year as a Remembrance of what Yahusha ha Moshiach/Messiah did, as He Commanded.

When the Moshiach instituted the Memorial Dinner, He Added a Day that was to be Kept. He did NOT Replace the Pesach Meal with the Memorial Dinner as many teach.

If you want to learn more about Pesach and Feast of Unleavened Bread, **Why** it is Commanded to be Kept, and **How** it is to be Kept According to Yahua's Word. Then you Need to Read and Study the teaching titled:

"Passover and Feast of Unleavened Bread"

http://www.yhrim.com/Passover_Main_Doc._1_2007.pdf

Also, as the Pesach Meal begins, Chag Matzoth/Feast of Unleavened Bread also begins. If you are throwing out everything in your house which has 'yeast' or other ingredients in it, trying to keep Unleavened Bread, or if you just want to learn more, or just for review, here is a teaching titled: *"Are we Keeping 7 or 8 Days of Chag Matzoth – And Scripturally What is Leavening?"*

IN ENDING THIS NEWSLETTER: Over the next several months, we are going to be making significant changes and updates to our website. These changes will be to update, organize, and reflect new understandings and teachings which we have learned. There will also be some new teachings as well, but when these will be released I do not know, as we haven't even begun to write some of them.

Also these updates will be to all of our teachings which is on the website, which will take some time to do.

At the present, and for the foreseeable future, we will also be very busy with many other things as well. So please bear with us, as we will get the updates and changes rolled out as we are able.

Some of the changes you will see, or may have begun to see already:

- And updated correction of the pronunciation of the Moshiachs/Messiahs Name. To the best of our understanding and knowledge, the correct pronunciation of the Messiahs Name is – **Yahusha** – pronounced **'Yahoo – sha'**. The reason as to why and how this is known, will be in a new teaching.

As we are able to update both the website and teachings, we will be making this correction to the Messiahs name in all of our document teachings.

- Most people knows there is no **'J'** in Hebrew. But did you also know there is no **'V'** in Hebrew? Or at least not in the original or ancient Hebrew.

In the 'modern hebrew' which uses an aramaic alphabet (*which was adopted when Yahsharel/Yisrael was in Babylon*) there is a letter called **'Vav'** which looks like  and is used as a **'V'** **'W'** or **'U'**.

But in the Paleo and Ancient Pictographic Hebrew, there was no letter **'Vav'**. There was only the letter **'Waw'** which was used as a **'W'** or **'U'**, making a **'U'** or **'oo'** sound, as in the Name of *'Yahuah'*.

Also in the modern Hebrew the letter **'Beit'** has been added to and given a **'V'** sound. When in the Paleo and Ancient Pictographic Hebrew, the letter **'Beit'** only had a **'B'** sound. Like in the word *'Abib'* pronounced *'Ah-beeb'*, which in modern Hebrew they pronounce it *'Aviv'*.

This is another correction which will be made to the website and all teachings, as we are able to get to them.

We pray that Yahuah Blesses Remnant Yahsharel/Yisrael, who are the one which tries to fully serve Him by becoming obedient to His Word, in the blessed name Yahusha ha Moshiach.

~Shalom

"No Scripture Ever Contradicts another Scripture, if it seems to we just need to adjust our perspective until we can see them clearly. Unless you can use All of Yahuahs Word without throwing any out, you can't Teach that subject Fully or Correctly."

Ahmos /Amos 9:9-11 "For, see, I will command, and I will sift Beit Yisrael among all nations, like corn is sifted in a sieve, yet the least kernel of grain shall not fall upon the earth. 10 All the sinners of My people shall die by the sword, who say, The evil shall not overtake nor find us. 11 In that day I will raise up the Sukkah of David that has fallen, and close up the breaches of it; and I will raise up its ruins, and I will rebuild it as in the days of old:"
