**1<sup>st</sup> Day – Abib – 5998s.c.**

Last evening at the going down of the sun/sunset, began Rosh Chodesh/1st Day of the 1st Month of Yahuahs calendar, which is the Only month which Yahuah gave a name, **Abib**, in this the Acceptable Year of Yahuah 5998s.c.

**Barmidbar/Number 10:9** *And if you go to war in your land against the enemy that oppresses you, then you shall blow an alarm with the trumpets; and you shall be remembered before YHWH your Elohim, and you shall be saved from your enemies.* 10 *Also in the day of your simcha/joy, and in your moadim/appointed-times, and in the beginnings of your chodashim/months, you shall blow with the trumpets over your burnt offerings, and over the sacrifices of your shalom offerings; that they may be to you for a memorial before your Elohim: I am YHWH your Elohim.*

 (sunset of 4-7-2016)*

Today is Abib 1st, the first day of this new year. In less than 2 weeks, on the 14th day of Abib, Yahuah's commanded moed/appointed time of Pesach/Passover will arrive.

**Qorintyah Alef/First Corinthians 11:14** "...Does not nature itself teach you..."

As you can see in the two photos above, the Hyssop is ready for Pesach. Back just over two years ago, we had only one month before Pesach Day when Yahuah opened the door for us to be able to get this place. In the following weeks, He provided us with a source (*a neighbor*) to buy a Scripturally qualifying Pesach Lamb without blemish.

And as Pesach approached with only a couple weeks until it arrived, we had been watching and looking for Hyssop growing around the property, but hadn't seen any. Then Yahuah told my Eema, that hyssop was growing right at the side door of the house. We went and looked, and there it was. A single small hyssop plant growing right next to the door.

By the time Pesach arrived, we were able to find enough for Abi/my Father, Moshe Eliyahu, to use to dip in the blood of the lamb and mark the door posts AND the **Threshold**, as Yahuah Commands us to do in His Word. And Yes, the threshold is supposed to be covered as well.

**Side Note about the Threshold:** Today we think of a "basin" as a bowl or vase, but that is not what is hidden in the hebrew. In biblical times, it was the **threshold** of the door which is written as the "basin" in most Scripture versions today. It was this special made threshold that held the blood of the Pesach lamb. I don't have time to go into detail in this newsletter, but we did have a newsletter last Abib where we showed and explained this from Scripture. So if you are interested, and want to apply the blood in All the correct places, please read last years newsletter: **"Where do we Place the Blood of the Pesach Lamb?!"**

**Link:** [http://www.yhrim.com/Newsletters/5997/YHRIM\\_Newsletter\\_14th\\_day-Abib-5997.pdf](http://www.yhrim.com/Newsletters/5997/YHRIM_Newsletter_14th_day-Abib-5997.pdf)

Last Abib, there was more hyssop growing around the yard and such, and we found that there was at least two different types growing naturally on the property.

Now in Abib this year, it's growing everywhere! It's around the yard, in the fields, in the woods. You can't walk far without seeing at least some type of Hyssop growing.

Point being, Yahuah Provides what is needed, at the Time that it is needed, to those trying to be obedient to His Word. As we have observed over and over again in past years. Hyssop grows quickly in the spring, usually just shortly before Abib begins. It will be of good size for Pesach in Abib, and it will still be there for the 14th day of the 2nd month, when Yahuah allows (*for specific reasons*) for Pesach to be kept in the 2nd month. Then very shortly after the 14th day of the 2nd month, the hyssop quickly dies out and is gone. But it is available when its needed, for those who are willing to be obedient. *"...Does not nature itself teach you..."*

## **THE COMMANDED MOED OF PESACH**

As we have taught in past years, in written teachings, videos, and newsletters. Since Yahuah commanded His People to keep Pesach, like all His moadim/appointed times, *"...throughout your generations..."* and they were

never to *cease*, nor be "*stopped*", nor "*...done away with...*" as many claim, we are once again making preparations to keep the Pesach meal. And you cannot have the Pesach meal, **without** a **Scripturally Qualifying** Pesach Lamb. Unlike what some do and teach, either not having a lamb, a 'leg of lamb' or other 'piece', without the head or no hooves, or having a... tofu or similar non-meat "*vegetarian lamb*"....

Just as with Yahusha ha Moshiach/Messiah, there can be No Substitute for the Pesach Lamb. You cannot just replace it with a "politically correct" substitute. If you do not have a **Scripturally Qualifying Lamb**, then you are **not** keeping Pesach. As you cannot keep Pesach, without the Pesach meal (*as that meal IS pesach*), and you cannot keep the Pesach meal without a Scripturally Qualifying Lamb without blemish.

**It is so Important to keep Pesach/Passover**, that Yahuah made a special provision for His people to be able to Keep Pesach on the 14th day of the **2nd Month** (*but only for specified reasons*). Pesach is the **ONLY** Moadim in which Yahuah gave a "2nd chance" so to speak, for His people to keep a moed.

If you want to know more about keeping Pesach/Passover according to what Yahuah commanded in His Word, then you can see these teachings and study His Word to show yourself approved:

## CHAG MATZOTH/FEAST OF UNLEAVENED BREAD

Also, beginning at the time of the Pesach meal, also begins Chag Matzoth/Feast of Unleavened Bread. Which is from the 9th hour of Abib 14th (*when the Pesach Lamb is slain*) through to the 9th hour of Abib 21st, seven full days. With that being said, Today is also the time to begin to prepare for Chag Matzoth, and to begin thinking about what leavened bread you have in your home and on your property. Also keep this in mind when shopping for groceries, making sure not to buy leavened breads (*frozen, in dinners, etc*) which may not get eaten before it begins.

**BUT** first: **Do you know what Chametz/Leavening is?** Are you Sure???

There are many Yisraelites who have kept Unleavened Bread for years, and yet they still do not know what Chametz/Leaving actually is. **Why?** Because the most common teachings, which all stem from judaism, state that "leavening" is yeast or other ingredients. And therefore all these people, including jews, every year when Unleavened Bread arrives, they throw out **Everything** containing Yeast... **and** (*depending upon what organization they follow*) baking powder, baking soda, cream of tartar, some bicarbonates, and many other "ingredients"... Many even throw out cat/dog foods, laundry soaps, shampoos, tooth paste, "medications", and many other things, simply because they also contain one or more of these 'ingredients'.

*Additional Note: Some people also throw out beans, rice, and other things that "swell" when it is soaked in water. This 'teaching' also stems from judaism.*

If we had to throw out everything with Yeast in it, then we would also have to throw out wine, as wine which is to drank at Pesach must be "*...fruit of the vine...*" which is to say grapes only, and it contains yeast. But we know that wine is Required for the Pesach meal, which Unleavened Bread has already begun at by that time.

And for those who say that "brewer's yeast" is 'excluded' because its '*dead and not an active yeast*' as some say. That is Only True for "*modern*" "FDA approved" **dead** wines. As the yeast is killed by added chemicals and pasteurization, which also destroys the wines beneficial health value.

Grape juice today is also done the same way, except they kill the yeast imminently before fermentation can begin. In ancient times, the only way you could have "grape juice" was to drink it as soon as the grapes were crushed and strained, otherwise if they left it sitting for just a short time, it begin to ferment and start turning into wine.

Also in ancient times, and up until a hundred years ago, the yeast in wine was **NOT** killed, which is the Reason that Wine would **AGE**, and why aged wines were sought after. So wine from 'biblical' times, was alive, and is the reason why Yahuah used wine in His Word and in the Pesach meal, to represent the blood of His Son, Yahusha ha Moshiach/Messiah.

Again, in ancient times, before "yeast" was discovered, separated, and cultivated, the 'yeast' that was in wine came from the skin of the grapes. There was nothing added to cause fermentation, it happened naturally

when grapes were crushed. And the yeast on the skin of the grape would mix with the grapes juice, and fermentation began.

It is also to note, that wheat grain **ALSO** has yeast on the outside of the grain, naturally. So if natural wheat (*which has Not underwent heating, chemical baths, irradiated, etc*) is ground up into flour, and then water is added to make dough, and then set aside and allowed the time, the yeast found naturally on the grain will make the dough rise with No Other added ingredients.

With that being said, we are **NOT** to throw out wine, nor anything else which happens to have Yeast or other "ingredients". Because this is not what Yahuah commanded in His Word.

**Shemoth/Exodus 12:15** - we are to "...put away **Leaven/ seh-ore'** ..." - From **H7604**; *barm* or '**yeast cake'** (**as swelling by fermentation**). And we are not to eat this **Leavened Bread**... we don't eat catfood, dog food, nor laundry soap... In other words, we are commanded to throw out **Leavened BREAD**, thats it !!

**What is Leavened Bread??** It is very simply Bread that has been **allowed to Rise**. And that is the only thing we are commanded to throw out.

There is a lot more to this, and many more verses which go to prove these points. If you want to know more about what is the Scriptural Definition of Chametz/Leavening, and also when Chag Matzoth/Feast of Unleavened Bread is to be Kept, when it begins and when it ends and more; then we have a written teaching titled:

**Are we to Keep 7 or 8 Days of Chag Matzoth? And what is Chametz/Leavening?**

**Direct Link:** <http://www.yhrim.com/Are we to Keep 7 or 8 Days of Chag Matzoth 11-25-5992.pdf>

**WHICH GROUP ARE YOU CHOOSING TO BE IN?**

Now that we've covered the moadim approaching, let's move onto some other subjects concerning the day and hour in which we currently dwell.

**Gilyahna/Revelation 11:14** And to the **\*woman** was given two wings of a great eagle, that **she might fly into the wilderness**, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

15 And the serpent cast out of his **mouth mayim/water as a flood after the woman**, that he might cause her to be carried away by the flood.

16 And the **ground helped the woman**, and the land opened her mouth, and **swallowed up the flood**, which the dragon cast out of his mouth.

17 And the **dragon was angry with the woman**, and **went to make war with the \*remnant of her zera/seed**, that **shomer/observe the mitzboth/commandments of YHWH**, and **have the testimony of Yahusha ha Moshiach**.

In the verses above, there are **Two Distinct Groups of People**, the 'Woman' and the 'remnant of her seed'.

**Between these groups there are some several Commonalities:**

\*Both of these groups combined make up the body of Yisrael.

\*Both groups serve Yahuah, and this is shown by their observance and keeping of Yahuahs Commandments.

\*They also Both have salvation, as they have received the testimony of Yahusha ha Moshiach/Messiah.

**Additional Note:** The 'remnant of her seed' group is **Not** speaking about the 'church system', unbelievers, or other groups. But rather this is a portion of those who **ARE** true believers. The Scriptures is very clear about this, as it specifically states they keep the Commandments of Yahuah, and have salvation through Yahusha ha Moshiach/Messiah. And as such, they are **part** of the true body of Yisrael.

**However, there is also have one Major difference between these groups:**

\*The **woman**, who is made up of those who **prepared and fled** into the wilderness, which is to say they have fled away from the cities which is the control points and power hubs of this beast system, is protected from the Flood.

\*The **remnant of her seed**, who is obviously those who did not flee, is open to the attacks from the dragon/satan, and his flood of armies.

**QUESTION:** Which group of people are you choosing to be a part of? And have no doubt, it is not 'fate' or happen stance which group you are in. Also, it is **Not Yahuah** who "chooses" you for one group or the other. He doesn't want to see **ANY** of His people killed. Which is why He shows in His Word for Yisrael to flee to the wilderness. And why He also gave many Signs of the End, which by the way are **ALL** happening!

**Just as it is a choice** to be a part of Yisrael, by serving Yahuah. It is indeed also a **choice to which group you are a part of**. And you are choosing which group you are joining yourself to, by the Actions (or in-action) you take.

If you are a true believer, have salvation of Yahusha Messiah, keep/guard the Commandments of Yahuah, then **you" NOT YAHUAH" have chosen** to be, and are, **a part of the body of Yisrael**.

**BUT...** if you have **not fled** into the wilderness, (which is to say the 'rural areas' **away** from the cities and population hubs), **but instead have chosen** (through **decision** or **inaction**) to **stay in/near** the cities and mass populated areas. Then by doing this you are choosing to be a part of '**the remnant of her seed**' who is open to the attacks of the dragon/satan and his flood of armies.

**BUT...** If you **have fled into the wilderness**, which means you have gotten away from the cities and mass populated areas, which again are the power and control hubs of this beast system who serve satan and is in **ALL** nations, and have **prepared the best you are able**, then **you have chosen to be a part of 'the woman', who is protected** from satan and his flood of armies. The flood of armies who come after '**the woman**' are swallowed up by the earth, which is to say they are killed and buried in the grave.

So Yes, **you choose** which group you want to be a part of.

With having said that, those who are killed by the beast system **are not lost, so long as they do not deny Yahusha nor turn away from His Word.** But **because of their choice** (*again whether by decision or inaction*), **they will have to endure and will suffer many atrocities.** Unfortunately because of this, **some will turn away from Yahuah.** Some will do it to try to bargain for the lives of their family, so will they do it to bargain for their own life. Some will do it simply for food or other necessities. Some will do it because of the torture they are put through, or because they are threatened with, or forced to watch, their spouse and/or children being tortured or killed unless they do not deny Yahusha and accept whatever false deity (*most likely allah*) which their perpetrators push them to accept. If they do deny Yahuah and accept their false deity, even after doing so, they and their family will still most likely be killed, so they will not only loose this life but the one here after as well.

**So whatever you do, whatever you have to go through or see your family go through, do NOT deny Yahuah nor His Word Yahusha ha Moshiach/Messiah. And PREPARE your family for this too, you Must think this through Now and have a Made Up Mind. Make sure that they understand what they may face, and that they, nor you, Can Not give in, no matter what is done to you or to them.**

For those who say *"Wait a minute... I don't want to part of the 'remnant of her seed', I want to be part of the Woman who is protected!"* Well, **then put your words into action.** Faith and Works goes together.

In verse 14 above it states *"... And to the woman was given two wings of a great eagle..."* does this mean you are just to wait around until two wings sprout out of your back? Or until Yahuah reaches down and plucks you up and throws you into the woods somewhere?? Of course not.

Look at Noach/Noah. Yahuah could have simply spoken a boat into existence, dropped it out of heaven, and said *"all aboard!"*. But He didn't. He told Noach to Go Build It. Noach had faith in Yahuah, He believed His Word, so he and his sons spent 5 Years building the Ark and preparing it with food and other necessities. Not only for themselves, but for ALL the animals too.

So if you want to be a part of the woman in the wilderness, put **feet** to your words and **Get Going!** Make the decision that you are going to do **whatever you have to**, to leave the cities and the populated areas, and go to the "rural" wilderness area away from the cities. If that means leaving or selling your house at a discount price to sell it quickly, leaving behind family, friends, jobs, etc. You have to make the decision to do it and do it NOW. ALL this doesn't mean anything anyway, and if you stay, you're going to lose it all and have nothing from it, **PLUS** you will have to go through the things in the previous paragraphs.

If you are **waiting for someone else to 'get ready', stop now!!** Just as we have witnessed with people waiting behind for others to *"come to the understanding of truth"*, you are not going to pull them forward, they will pull you **back**. If you intend to flee, but wait for others to leave with you, you will be caught right beside them.

There are people who just can't fathom not living in a fully furnished house, with running water, full shower, toilet, sink, kitchen, etc. They get offended if told they may have to use an outhouse or live in a 8 foot by 10 foot "cabin". **You aren't doing this for 'comfort', or to be at ease. This is Not a 'backup' plan.** This is a fully intentional and driven life style change. **You do this if you want you and your family to be a part of the woman, who is the remnant that is protected from satan and his flood of armies!**

And at this **VERY Late hour** it may mean you might have to live in a cargo trailer, with only a 'shower' **tent** with a little tub of water and cup to scoop up water and pour over yourself to take a bath, and an outhouse for a toilet. Just like we did for the better part of the year and half while we were on the road trying to find the place where Yahuah would have us be.

Or a better option than any trailer (*cargo, RV, etc*) is to buy or build a small wooded storage building, get it insulated, get bunks built into it, and a **wood burner** installed. Build the bunks, shelves, loft, etc in such a way you have a place to store your food and other necessities.

You should have **at MINIMUM** a **1 year supply of food** for each person that is with you. And this is just the **bare basics**, but you will be incalculable times better off than those near the cities. At least you will be warm in the winter, have a place to sleep, a stove to heat and cook on, and food to eat. And you will be Very Thankful for every inch of it, especially seeing or knowing what so many others will be facing at that time. It would be best to go to a location where other like-minded believers are gathering. However there are so few willing to do this, this will most likely be very difficult to find.

We hope this newsletter helps those who are Keeping Pesach and Unleavened Bread coming up. And also to help Yisrael to understand the decision that they are faced with, and at least an idea of what they and their family will soon face. I know this is not something that people like to dwell on, but if you don't and if you don't prepare, and if you don't get your family prepared with the understanding of whichever decision you make, it will only make things worse when you are faced with it.

And just to be clear, I'm not just speaking to those here in the US, or even just to those who are in the western nations. ALL nations make up the beast system which **WILL** be Destroyed. Yisrael is scattered in all the nations of the earth, and although some nations may be hit harder than others, this **WILL affect ALL nations**.

This is far from the first time we have tried to warn people what is coming, and what they are going to face. We have warned many, many times now, over more than these past 6 years especially. We warned about many of the events now occurring or in process, with many more quickly progressing. But one thing we especially stated would happen, as we mentioned earlier about one of the things Yahuah revealed to my Grandfather, is that people will go house to house looking for food. Well, just this morning we read a news article where, even before the many major events which are right around the corner, that this has already begun. It was reported that a man and woman broke into a 71 year old mans house, threatened

and beat him to keep quiet, and they went through and took all his food. This is just the start!! As people get more desperate, and the economy and the dollar collapses, among many other events which will take place. It will get **MUCH** worse. This will become common place everyday everywhere, and it will quickly get to a point where anyone and as many as they have to, will be killed, to get food.

**Here is the link to that news article:** <http://www.allselfsustained.com/nj-home-invasion-food/>

If you intend to get prepared and flee to the wilderness away from the cities and mass populations... then we Urge you to **Do So NOW**. Don't keep waiting and putting it off, or waiting on others, **as this is coming** whether **you are ready or not**. And there is only a **Very Short Time**, a few more Days, to do so. Make the Decision and **start moving TODAY**.
