

**\*\*\*YHRIM:** This evening at the going down of the sun/sunset, began **Yahuahs Shabbat** being the **29th day of the 9th month** in this the Acceptable **Year of Yahuah 6002s.c.** (*pagan roman calendar dates: sunset dec 13th ~through~ dec 14th 2020*)

First, I wanted to let people know this is indeed the last day of the 9th month, as even the dark moon can be read during Shabbat due to the solar eclipse that will happen during this Shabbat Day. Meaning that tomorrow evening at sunset, ends Shabbat and begins Rosh Chodesh/1st day of the 10th Month. I will try to post the calendar for the 10th month on Rosh Chodesh. (*Rosh Chodesh on the pagan calendar is: sunset dec 14th ~through~ sunset dec 15th 2020*)

Many Multitudes of events continue to increase. I just posted a few articles on our fake book page about some of these events. Including how the FDA "approved" the mark of the beast injection this past pagan friday. Also how it is just now making news how canada has been working with the chinese military... Which we have stated for many years how the Canadian government had made deals with both china and russia on the orders of the talmudic elites, as well as to protect their own "high up" people there. Some of which included helping them in their preparations for their "invasion" of the US, when that time arrives... which will likely take place once the US cities are in Civil war and chaos. Of course instead of being in "chinese" or "russian" military uniforms, they could also come in under the UN "peace keeping" forces.

**In any case, the Day and Hour is Much Later than most people think.** As stated previously the **Mark of the Beast is Now being rolled out.** It will only be a matter of probably months before they begin to enforce their injection starting by limiting peoples travel. The first thing will likely be that no one without their "*proof of vaccine*" will not be allowed to travel outside the US. Quickly followed by not allowed on airplanes, then all forms of public transportation. And these limitations will only increase, and will likely increase very quickly, until it gets to, as they have already stated, that without their "*proof of vaccination*" **No One will be able to Work, Buy, or Sell.** As we posted the article two weeks ago, that this was **stated point blank in the "state of israel"**... of course since it is where the talmudic elites are sitting on their stolen lands, and performed their abomination on Mount Olives last pagan sept 27th, just a day before Yom Teruah (*1st day 7th Scriptural Month*) which on the pagan calendar began sunset sep 28th 2019. And at that time we stated that day, **Yom Teruah, had begun the Great Tribulation,** and that events would escalate and increase quickly in the months ahead. It was only a month later, in pagan november, when the first reports of a "*virus was spreading in china*". Which has led up to the Mark of the Beast beginning to be rolled out across the nations **Right Now.**

**The Hour is Late. And its getting Later by the Day.** We continue to try to warn people to get out and away from the cities and get prepared as best as you are able. We have warned this for so many years, to what few we have been able to reach, hoping as many of Yahuahs people as were willing would flee and not be captured in this beast system when they begin to lock it down. **All have witnessed the first stages of them locking down the cities** with the so called "quarantine" mandates. But this is only going to **Increase Dramatically** in the months ahead.

Linked below is a video that I recorded nearly 3 years ago, in which I spoke some about the Mark of the Beast and the Great Tribulation and (*at that time*) that it was nearing. Fast forward to Today, we are now about one year and four months into it. But this video can still help some. Take some time during Shabbat to watch it, as some of the verses I go over are connected to a teaching concerning **Daniel 9:27** which I hope to complete soon and get recorded.

With that said...

~**Shabbat Shalom...** even though there is No peace in these last days.
