***As we have posted a few highlights of on our "Signs of the Times" facebook pages.... The Many **MULTITUDES** of events continue to increase across the nations, as anyone can see if they have their eyes open.

There are a couple Scriptural points that I want to post as "food for thought". Just some things which have come to our minds in the past few days, that we hadn't thought of in this exact way previously.

This **first topic** came to my Abba/Father, Moshe Eliyahu, a few days ago. But he never mentioned it to me. Then last night, way up in the early morning hours I was awake and couldn't go back to sleep... "THIS" started coming to my mind. I finally went back to sleep, and when I got up last morning I had forgotten about it. It wasn't until late afternoon that it came back to me, and I told my Abba about it, and he then told me it had come to his mind also, and he had already told my Eema/Mother, Simcha Nachamu.

What was "THIS"? Well... Everyone knows of the so-called Coronavirus... which is actually a Bi O Logic AI we a Pon.... (*<-if I don't type it that way, this will be censored and/or sent to spam*) We know that this is satan using man to create it and use it for their "depopulation agenda", as they have openly stated they were working toward for decades upon decades.

BUT... how does this fit into Scripture?

Whether it is the Ministry, Creation, Earthquakes, Weather, etc etc... We know that satan tries to use man to "counterfeit" Everything that Yahuah has done.

In Mitzrayim/Egypt, most people know about the 10 plagues. The **10th Plague** that fell was the **DEATH** of the **FIRST BORN** of **ALL** of those who were **Not Under the Blood of the Pesach/Passover Lamb** (*which of course also represents Moshiach*).

Today we know in a Scriptural Context, just like Babylon, that Egypt is **ALL the Nations of the Earth**. This weaponized "virus" is satans way of using man to create a counterfeit plague of the **"Death of the First Born"** across **ALL the nations of the earth**, or **ALL of "Egypt"**. And even though being the "first born" does not necessarily have to do with age (*in other words just because someone is old or young, doesn't mean they are or are-not their fathers "first born"*). This "virus" was first claimed that it **"only affected the elderly"** 70's+... then you started seeing those in their 60's dying... then 50's... then all the way down to 20+... and now even **Infants** are Dying from

it. Again, I think this is satan trying to counterfeit the Death of the First Born. **Except** satan, using the elites, are trying flip it around and wipe out the **SLAVES**, which are the "normal people" in all the nations. And in the end, using this event and many other means (*such as collapse of the food supply, take down of the power grid, etc*) they intend to kill out most of the Slaves. Leaving only them the "pharaohs" of the earth left, and their intended small controlled population (*500 Million*) Slaves. Which we know Abi Yahuah isn't going to allow it to go that far, as it is already Written. However, this is also why Moshiach stated:

****MATTITYAHU/MATTHEW 24:22** *And except those days are shortened, there should **no flesh survive**: but for the elect and for the sake of those chosen, **those days shall be shortened**.*

This **second topic** came to my mind later this evening, just shortly before sunset. Again going back to the Ten Plagues that fell upon Mitzrayim/Egypt, the **9th Plague** was the "**Three Days of Darkness**" listed in ****SHEMOTH/EXODUS 10: 21** *And YHWH said to Moshe, **Stretch out your hand toward the shamayim, that there may be darkness over the land of Mitzrayim/Egypt, even darkness that may be felt.***
22 *And Moshe stretched forth his hand toward the shamayim/heavens; and there was a thick darkness in **all the land of Mitzrayim for THREE DAYS:***
23 *They saw not one another, neither rose anyone from his place for three days: but **all the children of Yisrael had light in their dwellings.***

Question, How does this connect with:

****YOCHANAN/JOHN 9:4** *"I must work the works of him that sent me, while it is day: the **NIGHT COMES**, when **NO MAN CAN WORK.**"*

Most people understand that **Yochanan/John 9:4**, when Moshaiach/Messiah states that **"...Night comes when No Man can Work..."** has to do with the Ministering of **His Word**.

BUT what is it that "stops" the ****OPEN**** ministry of His Word??

Further, How does this "NIGHT" connect to the 3 Days of Darkness that was upon Egypt??

In this "modern" age... what is "darkness"? Well, what is light? Today, whether they are the old incandescent's or the new LED's, we have lightbulbs which give us light. These Lightbulbs are Powered by Electricity. Electricity is what is also used for **ALL** modern forms of communications, including the **Internet**. With only few people in these last days searching for truth of Yahuahs Word, the only real way of reaching people is through the Internet via websites, video sites (like YouTube), and other ministry outreaches. If the power grid is taken down (*turned off, EMP, etc*), then **ALL of that is GONE**. Then the verse of **"...Night Comes when No Man Can Work..."** will be fulfilled. As will also:

****AHMOS/AMOS 8:11** *Behold, the days come, says the Master YHWH, that I will send a famine in the land, not a famine of lechem/bread, nor a thirst for mayim/water, **but of hearing the words of YHWH:***

As the Open Ministry of Yahuahs Word to be put out there for anyone and everyone to see and hear, will come to an end as that door will be closed. And just as with the 3 days of darkness in Egypt, **Only** the dwellings of **Yahuah's people had light...** Now in these last days, if there is no power grid/no-internet, the only people at this time who will hear Yahuahs Word, will be those who are close enough to gather with believers who have His Word, which of course is always portrayed in many examples in other Scriptures as **Light**.

Further, what also came to my mind this evening at this same time... many times in the Word **a day** is used to **represent a year**. What if the **3 days of darkness in Egypt...** Represents the **Last 3 Years of the Great Tribulation...** Again, just food for thought. **But definitely some things to think about.**

We continually pray for **ALL** of Yahuahs People across the nations in these days of great tribulation. We are very much looking forward to this **Memorial Dinner** coming up at sunset beginning the 14th. And then we are also very much looking forward to the next evening on the 14th going into the 15th, which is the **Pesach/Passover meal**. Events will surely increase Even More from here forward to say the least.
