

**\*\*\*YHRIM:** This evening at the going down of the sun/sunset began **Yahuaahs Shabbat** being the **15<sup>th</sup> day of the 10<sup>th</sup> month** in this the acceptable year of Yahuah 6003sc. (*pagan calendar: sunset jan 16<sup>th</sup> ~through~ sunset jan 17<sup>th</sup> 2022*)

In **1996** a man named Dr. Gregory H. Stanton, who led the nonprofit organization called **“Genocide Watch”**, wrote a document he titled **“Ten Stages of Genocide”**. In this document he used recent historical references from nations where genocides had happened, such as nazi Germany. And he took all of this accumulated information, studied and compared all the details of the events that took place in each one as it all progressed until “mass genocide” was carried out. He broke down what took place, and how it was used to lead up to (and after) each of these mass genocides. With this information he categorized it and laid it out in a list of “stages” of progression.

In this he titled a ‘general term’ for each stage, and the things that took place in that stage. You can read the full document in its revision made in 2013 at this link, as it goes into much more detail about each stage and some of the historical references: [https://www.genocideeducation.org/wp-content/uploads/2016/03/ten\\_stages\\_of\\_genocide.pdf](https://www.genocideeducation.org/wp-content/uploads/2016/03/ten_stages_of_genocide.pdf)

Below is a basic list of that document, and a brief description of what took place in each stage. You can find similar lists on the internet which is how I first came across this info.

Also keep in mind that in the full document linked above, Dr. Stanton also reiterated that with each additional stage, **all previous stages were still continually in play**. Meaning that each stage is basically built upon the last stage, but previous stages are still running simultaneously as they advance forward.

He also stated that some stages may overlap in or out on different points during the same time period. As with each “occasion”, the government pushing the genocide may be able to advance some points faster than others at different times and etc.

**Lets Take a Look at the List:**

## **10 Stages of Genocide**

<b>1.</b>	<b>CLASSIFICATION:</b>	People are divided into “us and them”
<b>2.</b>	<b>SYMBOLIZATION:</b>	people are forced to identify themselves
<b>3.</b>	<b>DISCRIMINATION:</b>	people begin to face systematic discrimination
<b>4.</b>	<b>DEHUMANIZATION:</b>	People equated with animals, vermin, or diseases.
<b>5.</b>	<b>ORGANIZATION:</b>	The government creates special groups (police/military) to enforce the policies.
<b>6.</b>	<b>POLARIZATION:</b>	The government broadcasts propaganda to turn the populace against the group.
<b>7.</b>	<b>PREPARATION:</b>	Official action to remove/relocate people begins.
<b>8.</b>	<b>PERSECUTION:</b>	Beginning of murders, theft of property, trial massacres.
<b>9.</b>	<b>EXTERMINATION:</b>	Wholesale elimination of the group. It is “extermination” and not murder because the people are not considered human.
<b>10.</b>	<b>DENIAL:</b>	The Government denies that it has committed any crime.

Now, let's look at this list and put it together with what has been happening in the US and across nearly all the nations on earth, concerning **"covid"** and the **"proof of vax"**.

I can hear plenty of people rolling their eyes right now. *"...you are crazy, that will never happen! This is so beyond ridiculous I'm not going to bother reading another word..."*. Well, that's your choice. But unfortunately this is not "crazy" nor "ridiculous" by any stretch of the imagination. Just like the many other events that we have tried to warn people was coming for many years, this too is **In Progress and Happening Right Now all across the earth.**

Further, as we have stated and shown in video teachings, the **injection** is the **mark of the beast** which is changing people's DNA therefore physically making them no longer what Yahuah created. And spiritually they left Yahuah, and are giving their right hand/works and forehead/mind-heart over to the beast by their **Obedience/Worship**. The **"proof of vax"** is the **number of the beast**, without which you will not be able to buy or sell. And this includes selling your time/labor for pay/compensation... aka "a job", which is already in Wide Spread progress.

And we know what Yahuah's Word states about the beast and its mark:

**REVELATION 13:11** And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spoke as a dragon.

12 And he exercised all the power of the first beast before him, and caused the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

13 And he doeth great wonders, so that he makes fire/lightening come down from heaven on the earth in the sight of men,

14 And deceives them that dwell on the earth by *the means of* those **miracles** which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and **cause that as many as would not worship/obey the image of the beast should be killed.**

16 And he caused all, **both small and great, rich and poor, free and bond, to receive a mark** in their right hand, or in their foreheads:

17 And that no man **might buy or sell**, save he that had the **mark**, or the **name of the beast**, or the **number of his name**.

As my Abba has taught for many years, in the Scriptures the **Right Hand represents a person's works**. The **forehead is their knowledge and mind/heart**, it is what makes a person and the decision they choose. In this case, to obey Yahuah even if it means unto death. Or to obey the beast, take the mark and sell your "penny" of eternal life and in return continue to operate (buy/sell) in the beast system for a very short time.

Now to begin to go through this list in more detail. Some of this information is hard to put into one "stage" or category, as it overlaps so much. Also it depends on what nation you are in. As there are Many other nations which on some levels are far more "advanced" on some levels than US. Especially with things that are only happening in some cities/state currently here in the US, but are happening on a national level in nations like Australia, France, and more.

*\*\*Also I've already been working on this newsletter for almost a week now. Next Shabbat (15<sup>th</sup> day 10<sup>th</sup> month) is coming fast, and I need to get this sent out. **There is so much info that could be added to this.** I'm going to leave the info I have already written, but for the remaining Stages I'm going to have to cut the amount of info down in order to get this done. As I really want to send this out at the beginning of this Shabbat.*

# 10 Stages of Genocide

## STAGE 1. CLASSIFICATION: PEOPLE ARE DIVIDED INTO “US AND THEM”

This is deeply multi-layered here in the US. But as far as just in recent years (*not including everything leading up to this*) the main propaganda being pushed by the government controlled mainstream news was the **“radical/racist trump supporters”** (by which they include any conservative in general) **v/s** **“the ‘rational’ left liberals”** which at the top includes the **media, “science”, and the government**. You also have all of the people/groups who make up (*or are being used by*) the left, which just a FEW of these include:

**\*\*The BLM, Antifa, and other groups/organizations.** All of which the media, state and local governments, police and more have show that these people are “superior” in the fact that they are shown by actions to be **‘above the law’**, that they can do anything including **burning cities, mass looting, violent crimes, and more...** but all of that is called **“peaceful protesting”** by the media/gov as long as it is being done by these groups.

This is in comparison to those present at the so called **“jan 6<sup>th</sup> capital building riot”**, which has been all over the news again... who mostly were just a bunch of people who should have never been **dumb enough** to be there in the first place. As they should have known they were being setup. *I even stated in posts earlier that week as well in previous months etc, that no one should go to any of these events or “rallies” for this and other reasons.* But of course mixed in with this crowd was known and later proven members of Antifa, allegedly fbi and other alphabet agencies, and etc.

However, even with all that, what was actually done? Did they burn the capital? Did they hurt anyone? no. Although the media/government claim that 5 people died there, making it sound like **“this violent mob killed 5 people”**. But when you look up the details, they state that **1 died** of a **“drug overdose”**, **3 people** supposedly died of **“natural causes”**, and **one** was **shot by the capital police**. So none of the people were killed by this so called “mob”. **With all that said**, even with the antifa trying to lead the crowd, there was only some broken windows, and etc (*by which the crowd in large was trying stop (this is on video) and even was calling on the capital police to stop it from happening, but they just stood and watched as obviously they were told to do.*) Yet this event was labeled by the media and government as a **“domestic terror attack”**... and again for comparison **the same media and government also labeled the blm/antifa burning down parts of cities and more “peaceful protests”**. Lets move on.

**\*\*All of those involved in the sodomite agenda** which has now reached the level of using their agenda to destroy the children and even babies. Teaching them these things before they can even begin to understand how to read these days. If this generation were allowed to continue, they would have no hope of knowing Yahuah. Just as it was in the days of Sodom and Gomorrah.

**\*\*The so called “feminist” and child murders/“abortionist”**.

**\*\*The “toxic masculinity” agenda**, which basically boils down to that there should be **No Actual Men today**. As any real man is to be hated, this is especially true if it is a white man.

**\*\*Which brings in the hatred and the true racism against white people, and men in particular.** (\*\*NOTE: *they also include anyone of any color in this if you disagree with this narrative.*) You even have white people now who hate themselves and make public apologizes for **“being white”**. And they hate all other white people who are not like them. Which this goes directly along with the accompanying ideology which has been point blank stated by some groups and other, that **“only white people can be racist/all white people are racist”**. They have even had events which had roped off segregated areas which stated **“no whites allowed”**, yet they claim

that isn't "racist" because it was being done by "people of color".

The so called "*white privilege*" garbage, which basically is saying that "*white people have everything handed to them*". Schools pushing the "*CRT*" or "*Critical Race Theory*" agenda, teaching **children** that if they are any color besides white then they are a "victim". And if they are white, then they should hate themselves, that they are racists, and they are to be shunned etc. There was even some schools/classrooms where they had segregated the white children apart. This is what grade-school-government-indoctrination-centers are **teachings children**. At least there are some parents that are finally standing up to the schools on this, and taking their children out.

**\*\*\*BREAKING: AG Merrick Garland Orders FBI to Mobilize Against Anti-CRT Parents**

<https://www.informationliberation.com/?id=62591>

**Why does the "racism" agenda matter here in this discussion?** Again this is yet another point being used to create a major division between the people. And to make more of the "*us and them*" mentality. As either you are part of the "*SJW/Woke/Sodomite/etc*" crowd/organizations... or "*you're a racist*". AND because they are equating "*anti-vaxxers*" are also "*racist*". By connecting these, they are making people feel if they don't hate "*anti-vaxxers*" then they also don't hate "*racist*". There are one or two linked examples later.

**\*\*This also leads into the so called "Woke" agenda, which connects the sodomite agenda, to the 'racists', to "toxic masculinity" agenda and more.** Here is just one article exemplifying this:

**\*\*\*Woke lesson at public high school told students they're privileged if they're Christian, straight, or male**

[https://www.theblaze.com/news/woke-lesson-at-public-high-school-told-students-they-re-privileged-if-they-re-christian-straight-or-male-now-district-reportedly-is-doing-damage-control?utm\\_source=theblaze-dailyAM&utm\\_medium=email&utm\\_campaign=Daily-Newsletter\\_AM%202022-01-13&utm\\_term=ACTIVE%20LIST%20-%20TheBlaze%20Daily%20AM](https://www.theblaze.com/news/woke-lesson-at-public-high-school-told-students-they-re-privileged-if-they-re-christian-straight-or-male-now-district-reportedly-is-doing-damage-control?utm_source=theblaze-dailyAM&utm_medium=email&utm_campaign=Daily-Newsletter_AM%202022-01-13&utm_term=ACTIVE%20LIST%20-%20TheBlaze%20Daily%20AM)

Mainstream media, grade "schools", and "colleges/universities" are the main proponents at claiming that not only are people racists, but literally "everything" is racist. I scan a lot of news and events taking place, and therefore things like this I forget the details, as I don't often bother even opening the articles. But the level of absolute absurdity and stupidity of how bad this has gotten would be laughable if it wasn't for how it is being used to destroy the people/nation.

And when I said they are claiming "*everything is racist*", here are just a few examples that I have seen this week on some videos, and note **these are from main stream news or publications and "schools" stating these things are "racist":** **mathematics, reading, and writing**. I've seen this before, and this is now being pushed in schools across the country. And these **3 very basic educational needs** have now been **Removed** from **high school Requirements** in the **state of Oregon** to quote "*help students of color*". This was **made law** by the Oregon "State Governor". So what are they saying? That because people have a different skin color, they can't learn? Saw some comments from non-whites who were angry about this and similar things going on, and rightly so. As this is the real racism and more.

**\*\*\*Oregon governor signs bill suspending math, reading proficiency requirements for HS graduates**

<https://www.foxnews.com/us/oregon-governor-signs-bill-suspending-math-reading-proficiency-requirements-for-hs-graduates>

**Why does this matter?** Because the schools have not taught anything "*educational*" for a long time. Only propaganda, sodomite agenda, ideologies to destroy the home, satan worship, islam, to hate the "bible", to hate "god"/Yahuah and etc. They also have destroyed critical thinking, and lower the status of those who dare

question what they are being told. Then they openly punish those who would dare stand against the “false teachings” and propaganda and point out the truth, as well as to “*teach the rest of the herd a lesson*”. Also realize one of the base rules for slavery, was that **slaves** very often were **not** allowed to learn to **read or write**. This is what they intend for this current generation of children who are still alive after their “*plans are complete*”. Of course they won’t get to complete their plans, as Moshiah is returning soon and He stops and destroys the Beasts. But between now and then, the elites at the top of beast system will get a good ways into their plans.

--->Just a few more examples of things the media and schools/colleges say are racist... and sadly no they aren’t joking with some having specific individual lengthy articles as to why these things are racist: *soap dispensers, babies can be born racist and/or bigots, using the word “looting” or “looters”, including neighborhood crime data in real-estate information listings, bicycles and cycling, Cheese, crossword puzzles.... And much more...*

\*\*\*Now I know that was hitting on a lot of topics, while sifting through all their garbage. But the point of all of that was to show how their agenda is in **complete opposition** to any number of people who are summed up and categorized as “conservatives”. Including all of those who they label as “christians”, which is anyone who uses or believes in “the bible”. No matter what ‘denomination’ or beliefs, they categorize them all the same. And especially those who serve Yahuah and become obedient to His Word, they would call “*extremists*”.

This exact same agenda is also seen in many/all other western nations as well. In addition to just the “opposition”, there is also the active demonization of “conservative” minded people, where they are being called “*potential terrorists*” by media and government documents. Here in the US some of these people/groups/ideologies were those who, *in government documents going back to 2013*, were stated as being “**potential terrorists**” (just a very few examples): “*christian extremist, right wing extremist, evangelical christians, anti-abortion, anyone concerned about fema camps, opposed to agenda 21, for individual liberties, for states rights, anti-sodomite, those who believe impending gun control, who display patriotic or anti-UN bumper stickers, anyone who has a negative view of the UN, anti-globalist, and Yes “Anti-Vaxxers” (and this was before ‘covid’)*).

Many of these can be found in an article that I posted back sometime ago on our fake book page titled: “**72 Types Of Americans That Are Considered “Potential Terrorists” In Official Government Documents**” and they had the link to each document where the specific term was used (Here is a link to one article, but search there are plenty more: <https://republicbroadcasting.org/news/72-types-of-americans-that-are-considered-potential-terrorists-in-official-government-documents-you-can-now-be-considered-a-potential-terrorist-just-because-of-you/>).

But there are many other examples of these same ideas being put out there and used. I even remember one fbi list that stated something to the effect that “*a person might be a terrorist if they paid for a cup of coffee with Cash.*” Things like this was used to get people who believed the propaganda, to look at people and question if they should “*turn them in*”. Which this has only ramped up with the “*see something, say something*” programs. And the more recent one from the fbi:

**FBI: “Report ‘Family Members and Peers’ for ‘Suspicious Behaviors’ to prevent homegrown violent extremism”**

[https://www.breitbart.com/politics/2021/07/12/fbi-tells-americans-to-report-family-members-and-peers-for-suspicious-behaviors/?fbclid=IwAR2ySKB-uBOFkqkN11EIOqgqWq7Cz205DpvVqiK\\_hdwj4XdZTUKRUfVbQNA](https://www.breitbart.com/politics/2021/07/12/fbi-tells-americans-to-report-family-members-and-peers-for-suspicious-behaviors/?fbclid=IwAR2ySKB-uBOFkqkN11EIOqgqWq7Cz205DpvVqiK_hdwj4XdZTUKRUfVbQNA)

Of course this was put into play all over the news (*and still is being done*) with the completely orchestrated “*jan 6<sup>th</sup> capital building riot*” where some children actually turned in their parents to the “authorities” saying that their parents had been there at the capital building that day, that they were “trump supporters” and etc. And now just recently, the “vice president” puppet stated in a public speech comparing the “*jan 6<sup>th</sup> capital building riot*” to “*9-11*” and “*pearl harbor*” events. *\*On a side note, the one factor these 3 events do have in common, is that they were all orchestrated events.*

**Anti-vaxxers** was one that I don’t think is on the list I mentioned earlier. But it was seen in other reports and etc, most often connected to those who stated and showed the data proving that it was the vaxxes which were causing at least a large increase in autism and many other disorders, health problems, and specific conditions claimed to be “diseases” and more. And because of this “*anti-vaxxers*” were labeled as “*potential terrorists*”.

**But since “covid” began**, the “*anti-vaxxer*” narrative has only exploded, and they have outright called them “*violent extremists*” and “*domestic terrorists*”. You can find it easily on “news” and more just by running a search. Such “news” titles just in recent months:

**\*\*\*“*Anti-maskers and anti-vaxxers now present a real threat of violence - Across the country, more anti-vaccine extremists are turning violent. It's time to take the threat seriously*”**

<https://www.salon.com/2021/09/08/anti-maskers-and-anti-vaxxers-now-present-a-real-threat-of-violence/>

Another article, pay attention to their programming:

**“*The new alliance between anti-vaxxers and the far right is a deadly threat*”**

<https://www.newstatesman.com/science-tech/2021/09/the-new-alliance-between-anti-vaxxers-and-the-far-right-is-a-deadly-threat-2>

News like this is being used to get people to once again ‘**connect**’ “anti vaxxers” with what they label as the “*far right*” and “*conservatives*”. And that this “group” of people are the “*deadly threat*” and/or “*domestic terrorists*”.

Rhetoric like this is not so much being used to cause division; it is being used to **mentally condition people** to “who” is the “enemy”. The more people accept their propaganda programming, the more comfortable they feel in not only accepting “these people” as the enemy. But they will also feel good when they “turn in” people who are listed as “the enemy”. And when they see the governments or other groups, performing mass arrests, going door to door dragging people/families out of their dwellings, sending them off to fema camps, etc etc. They not only will accept it, but they will also call for it, even demand it. There is many people who even now already accept and are for this happening.

**\*\*\**The Unvaxxed May Soon Be Shipped To Quarantine Camps***

<https://newsconcerns.com/the-unvaxxed-may-soon-be-shipped-to-quarantine-camps/>

**QUOTE:** “The aggressive **Us/Them** language in this White House message is insane.” Olivia Nuzzi, a Washington, D.C., reporter for New York Magazine tweeted, **“Who is this for?”** Unvaccinated Americans are not going to be persuaded by messaging like this.”

This is true, this was never a message to the “unvaxxed”. But rather a message to further reinforce the mental conditioning of the beast obedient.

## STAGE 2. SYMBOLIZATION: PEOPLE ARE FORCED TO IDENTIFY THEMSELVES

Much could be added here. But let's bring this forward to right now. They have now made the true division line clear. It is the **“vaxxed”** v/s **“un-vaxxed”**. And even here in the US, people are having to prove they are vaxxed. Or in places like New York **Right Now**, if you are in any restaurant (*or many other 'banned' areas*) and you don't have your number of the beast *“proof of vaccination”* to show the police on demand, you will be arrested, hand cuffed, and hauled off to jail. And they have been doing this on a regular basis now. There are videos on the internet which are quite easily to find. In at least one that I saw, there were police actually going into restaurants going table to table requiring people to show their “vax proof”. And arresting anyone who didn't. Here are just a few articles/videos that I found in a quick search just now:

**Below is one of Many videos from nations overseas of the beast enforcers at work, in this case Australia:**

**\*\*\*Disturbing: Aussie Cops Take Elderly Woman to Jail for Failing to Show Vaccine Papers**

<https://www.infowars.com/posts/disturbing-aussie-cops-take-elderly-woman-to-jail-for-failing-to-show-vaccine-papers/>

Not only is this expanding into more and more parts of the nation. But the locations are going to continue to expand until it covers everything including: banks, grocery stores, and other locations necessary for the daily life of the “average citizen”. We stated this before the “vaccine” was ever released... how does anyone know this is what they are going to do? Because they publicly stated it point blank and it was written in news articles which we posted at that time. But first and foremost, because it is Written in the Word. Refer to first page of this newsletter. With that said, at the point we are already at, and how they are expanding now it is likely to happen rapidly, especially when the "next event" kicks off. Which could come in many forms, but I'm not going to get into that here.

Also the “lists” are beginning. One such recent list is concerning those with a *“religious exception”* to not take the vax: **QUOTE:** *“A notice posted Tuesday in the **Federal Register** by the Pretrial Services Agency for the District of Columbia said that it intends to create an “Employee Religious Exception Request Information System. This system of records maintains personal religious information collected in response to religious accommodation requests for religious exception from the federally mandated vaccination”*

It is believed that this is in preparation for launching a similar system on across all federal agencies, and then on the public.

**\*\*\*Bone-Chilling: Feds Launching 'System' to Collect 'Religious Information' on Unvaccinated Americans**

<https://www.westernjournal.com/bone-chilling-feds-launching-system-collect-religious-information-unvaccinated-americans/>

### STAGE 3. DISCRIMINATION: PEOPLE BEGIN TO FACE SYSTEMATIC DISCRIMINATION

Well, this goes right in with the previous one also. They are discriminating against anyone who refuses to take the injection. And who can't show their number of the beast "vax proof". Even in states where they are not yet arresting people, there are plenty of other things they are doing. Such as many many people are getting fired from their jobs if they don't get the vax.

**\*\*It mostly began with hospitals**, then quickly moved to Anything/Anyone connected in any way to **ANY** type of medical field, from hospitals all the way down. Even Volunteers at hospitals, nursing homes, etc. Even people who just make deliveries to medical related locations

**\*\*Police and Fire departments** - many police and firefighters have been fired or quit because of vax mandates.

**\*\*Airlines** is another big one, where since the Airline companies made their own "mandates" many pilots have died even in flight. There were many who were no longer able to pass physicals and as such were not cleared to fly. Finally the airlines told them to fly anyway, regardless of their medical clearances.

**\*\*Banks** have now begun to firing employees if they don't have vax.

**\*\*News stations** are firing reporters, meteorologists, and any other staff who refuses the vax.

**\*\*And don't forget all federal employees** as of nov 22<sup>nd</sup> had to have their proof of vax.

**\*\*Multiple states** are also following mandates for **state employees**. Some states going further to include anyone connected to "education" and "healthcare" of any kind.

**\*\*And now Truck Drivers**, especially truckers who cross into Canada or Mexico. No vax, No job. Due to this alone, they are expecting a reduction in truck drivers, as many are refusing the injection. And instead are choosing to retire or just quit. Which the gov will also use this as part of "their reason" for the shortages causing the shelves to go bare, and will blame the truck drivers and many other people. *Which the Mainstream News is NOW beginning to report on the shortages and bare shelves in the stores, which is a major signal as I had stated would happen in some posts in past weeks.*

And this is besides the MANY more companies and businesses who have also made their own employee mandates. Which all of this is being added to daily. As well as all the businesses who have refused to require "vax proof" in cities/areas where it has been mandated. And they are in turn getting fines, threats of jail time, etc.

Now there are a number of states who \*currently\* have Banned vax mandates or proof of vax. However, this is why they are going to perform vax mandates from the federal level for ALL businesses of 100 employees or more. After which they have already stated then will then go after businesses with 50 employees, 10 employees etc. Once the first one is implemented everything else will follow in quick pursuit. This Will Happen Just as it has Already happened in Other nations such as Australia, France, Greece, Austria, Germany, and more.

Further there are some nations/states/cities/or territories who have enacted mandates across a broad spectrum of jobs or any position connected to a "job category" (*in addition to what those mentioned earlier*) such as: *banks, grocery stores, public transportation, agriculture, postal services, pharmacies, emergency services, gas stations* and more. Once again most being necessary for daily life of the "average citizen".

And by the way, at least here in the US if you are fired or quit for refusing to get the injection... you are **Disqualified** from receiving unemployment benefits.

ALSO, we warned early on that people who refuse the mark of the beast injection, they will have their children taken under the claim of "*child abuse*". This is also true even if they only refuse to allow their children to be injected. But in part, this is being by passed in many places by injecting children **NOT ONLY without parent**

**consent**, but even **without parent notification**. In one case they gave children pizza in return to getting the injection IN SCHOOL.

#### **STAGE 4. DEHUMANIZATION: PEOPLE EQUATED WITH ANIMALS, VERMIN, OR DISEASES.**

Well, the last is easy. They have been pushing it is the “*unvaxxed are spreading covid*”, and they are the “*incubators for the new variants*”. And as we posted a few months ago, there was even “politicians” who stated they should be charged with attempted manslaughter or murder.

By national “leaders”, governments, and other authorities. The unvaxxed is being called “**inhuman/not human**” (exactly the opposite), “**pandemic of the unvaccinated**”, *indirect killers, murderers*, The “*Unvaccinated Are a Risk to All of Us*”, and etc.

As can be seen, the main push (*at least right now*) is that the “unvaxxed” are a “major threat” and want to “kill” the vaxxed. And I think this will only continue, as pushing fear like this not only will get more people to justify and encourage the “roundup” and forced imprisonment of the unvaxxed into “quarantine camps”. **But** the vaxxed will also not care if the unvaxxed are killed, as in their minds they are, even now, already shifting the blame to the unvaxxed. As they will say “*it was THEIR own fault, THEY chose not to get the vax, THEY made themselves the threat, THEY knew the consequences*”. etc

So all of this gives the vaxxed self-justification for working for the beast, and on whatever level taking part in their deaths. Or at the very least, for standing by and agreeing with the beast and etc, that these things Should be Done to the unvaxxed for the “safety” of the vaxxed.

The article **below** fits this category not because they are advocating it (*they are not*), but because it is what is taking place in many nations. And although the articles are somewhat hard to find (*at least here in US due to all the censorship*), we have seen video of several nations who are **literally using fencing to corral** the “unvaxxed” and segment them off from the marked people. Some of which was fencing off entire sections of grocery stores, or even dividing off a portion of the store, so that the “unvaxxed” only had a small separate area and could only buy whatever was put out in that area.

Ok, this newsletter is getting too long, and I'm running out of time to get this out by the beginning of Shabbat. So the rest of these are mostly going to be titles, links and maybe some "short" notes. Then a summery at the end. **The point of all of this is: Look at this list, and look at what is taking place in your nation and all over the nations, and ask yourself if this is not the "script" they are following.**

### **STAGE 5. ORGANIZATION: THE GOVERNMENT CREATES SPECIAL GROUPS (POLICE/MILITARY) TO ENFORCE THE POLICIES.**

This is mostly being done by the "forces" they have already created in recent years... well since 2001 actually when they signed the pre-written and prepared "patriot act"...

**PLUS** these also include the 'civilian forces' who Obama openly stated they were going to create in a speech he gave on July 2, 2008 **QUOTE:**

*"We cannot continue to rely on our military in order to achieve the national security objectives we've set. We've got to have a civilian national security force that's just as powerful, just as strong, just as well-funded."*

This has come to pass, but realize it is not just "one" organization. Like the military, they have multiple branches. And then each branch can break down into many more. But these forces are Obviously in place today. Forces such as DHS, FEMA, TSA, and the now "militant" police who are enforcing the "covid orders". Such as them being given "*additional powers*" to arrest people for not "*showing their number of the beast papers*" upon demand, breaking curfew, being in the "wrong" place, etc.

With that said, even the white house in recent months has made statements such as a "strike force" would be used. As well as creating additional "named" organizations out of existing groups, or maybe some new one's too. There has already been widespread implementation in some other "western" nations. But it is picking up speed here in the US quickly, with the "police" currently being used as the foot soldiers. But the military/UN will be used in the weeks and months ahead. States are currently also adding their own "strike forces" as well. New York has passed laws and executive orders giving power to detain people and "quarantine" them and more.

<http://www.informationliberation.com/?id=62567>

[photo to left is from this article from NBC news] – **Take Notice** by them using an “official gov agency” authority and the “main stream news”, as has been done for many years, they are physiologically conditioning a large number of the population to accept whatever they are being told/sold. And just one of the things right now, they are pushing is the idea that “*anyone who shows opposition to covid measures*” - **ALL** “measures” (masks, restrictions, quarantine, testing, etc), **not** just the injection, are a “*potential terrorist*”. And they are conditioning people to “profile” everyone they know, specifically: **family, friends, & co-workers**. As these are people’s closest relationships and are the one’s who hear and see the most. AND are more trusted and/or are the one’s who people try to reach the most often. Anyone who fits their perceived “*profile*”, many people will turn them in to

“*authorities*”. Because they think that is what “*good citizens*” do.

Don’t think people being turned in will be wide spread? Think about this, when people watch their spouse, friend, or co-worker lose their job (or lose their parental visitation/custody rights) for not “*getting vaccinated*”... their “image” in these people’s eyes will drastically change. If they “*really loved their family/child, they would have gotten it*”, “*they must hate [me/our children/our family]*” etc. People will be in disbelief that they could “*do such a thing over something so ridiculous*”. They’ll get angry and want to “get back a them”, so they’ll turn them in.

We’ve Already seen multiple news reports of this taking place with people relating to the “jan 6<sup>th</sup> riot”. As mentioned earlier, some were children turning in their own parents. AND these “brave people” who even turned in their own family were praised by the media.

Now what if there was a physical “reward” added to this for each “confirmed” detainee.... Also something that many people don’t know is that this is exactly the same type of mental conditioning and “reward system” that was used in Nazi Germany.

**\*\*\*The new alliance between anti-vaxxers and the far right is a deadly threat - The claim that vaccines are being used to commit genocide is an echo of the white supremacist “Great Replacement Theory”**

<https://www.newstatesman.com/science-tech/2021/09/the-new-alliance-between-anti-vaxxers-and-the-far-right-is-a-deadly-threat-2>

**Read this article linked above**, as this is what they are selling to the population. This is what they are saying about anyone who is against the mark of the beast injection. And those who are sharing the truth about what is openly taking place in any nation. What this article states about “anti-vaxxers”, is actually what they themselves are doing, and what main stream media/gov is selling to the people. It is another example of people/groups self-projecting their own beliefs, and claiming it is “not them” but its “the other side” who are doing these things. Even when they are seen and heard openly doing all of this.

Once again they are connecting “anti-vaxxers” to “far right”, “white supremacists/racist”, **and now anyone who claims** the injection is being used to “commit genocide”. Telling the masses “**THESE PEOPLE ARE THE THREAT**”... aka “domestic terrorist”. The population should “**HATE** these people”. This one article embodies this entire “stage”, as well as interconnecting with several others.

## **STAGE 7. PREPARATION: OFFICIAL ACTION TO REMOVE/RELOCATE PEOPLE BEGINS.**

All the people who have been placed into any type of involuntary quarantine are the initial stages of this stage. Especially those who were taken to some type of “quarantine location”. Whether it was a hotel being run by the CDC/FEMA, or a government “quarantine trailer” park. In some nations overseas it is already much worse, with people being arrested and held from weeks to months... thus far. AND that is only speaking about the few of which have made public news... only Yahuah truly knows to what extent this is already in place. But they are passing their “laws” by the day preparing for this. Below are just two examples, but there are multiple states that are preparing similar bills.

**\*\*\*New York Democrat's bill allowing governor to detain individuals dangerous to 'public health' sparks backlash - State Assemblyman N. Nick Perry defended Bill A416, saying it does not violate Americans' constitutional rights**

<https://dailytruthreport.com/bill-filed-in-washington-would-authorize-strike-force-to-involuntarily-detain-unvaccinated-families-they-have-already-set-up-the-internment-camps/>

**STAGE 8. PERSECUTION: BEGINNING OF MURDERS, THEFT OF PROPERTY, TRIAL MASSACRES.**

Well, as far as murders go... look at the truth of who is in the hospitals. As well as all the many people, even children, dying of heart attacks, strokes, blood clots etc.

But these are not the one's who all of this is geared toward. Of course it is the “anti-vaxxers”. There is already people being arrested, prevented from going into certain businesses or other locations, and other restrictions. Its only going to increase. In other nations it is further along, some of which is through forcibly as in restraining them and jabbing them. Many others have been for sometime forcibly detaining people and putting them into “quarantine trailers” or other “camps”. There was at least one country that even hired people to make videos to show “how great” these place were, and how they got their meals delivered to them and everything. *See, its no big deal... its just a forced vacation where you can't go anywhere.*

This is besides the video that people have taken using their cell phones, of how they were locked into some of these places. Some people have been held for months, as if they “step out of line” they get additional time added to their “unofficial” jail sentence. Some of these people were turned in by family (*or ex-wife etc*), and were being held there to be “*mentally evaluated*”. Yes you are “*mentally ill*” if you question the narrative or “*don't want the vax*”.

There have also been some news and private citizens who have filmed the “quarantine camps” with razor wire and etc that have already been recently built, setup and ready to use. Such locations have also been stated in gov documents as well.

In addition, I think talk as in the examples below belong in this category, although they could be placed in several. However, this is far more than just “discrimination”. And its not to turn the populace against the group. Things like this are a direct attack.

**STAGE 9. EXTERMINATION: WHOLESAL EELIMINATION OF THE GROUP. IT IS “EXTERMINATION” AND NOT MURDER BECAUSE THE PEOPLE ARE NOT CONSIDERED HUMAN.**

This will mostly be done through the “quarantine” concentration camps, once they being to move from “containment” into “exterminate the virus”. But civil war, invasion by china/Russia, and other events will also be used. Not only in the “event” as a whole and the destruction it bring, but also in other mass executions and etc.

A fairly decent synopsis which is right on many points:

**STAGE 10. DENIAL: THE GOVERNMENT DENIES THAT IT HAS COMMITTED ANY CRIME.**

They already are doing so all the while implementing and doing all of this.

**End Summery:**

There is so much more that could have been added to this. And many other links could have been included. But anyone can take this list and know what is taking place if they have eyes to see with, and ears to hear.

My Abba has known and taught that these days of great tribulation were coming for many many years. We didn't know the exact details of how they would get the “populous” to accept and even endorse the death of millions, and billions across the earth, but we knew it was coming. We warned about the concentration camps that were being prepared across the US. We warned they would use food and necessities as a weapon in order to control the people, and to get people to take the mark of the beast... and much more.

In one newsletter back some years ago (*very unfortunately before we started our newsletter archive*), we even gave a scenario where they could use bioweapons to claim a “pandemic”, and round up people into “quarantine camps”, which would actually be the fema concentration camps.

We also warned many times throughout these years that nazi germany was a “small scale” practice run. And that “this time” they plan to carry it out across the nations. Well, now we’re seeing it happen in real time.

These are sad days and times. And this is the Great Tribulation against Yahuahs people. satans goal is first and foremost, wipe out those striving to serve Yahuah. And although many will die, he will be stopped by Yahuah as some of His people are being protected, and the flood that the dragon sends out after them will meet their end. But satan also wants to wipe out all of the physical Yahusharemites/Yisraelites as well, as they still carry the blood lineage. The mark of the beast is ONE of the major ways he is doing both of these. As we have taught in two videos on our youtube channel, this injection rewrites a persons DNA so that they are no longer what Yahuah created. But instead have been corrupted and changed into what the satan and the beast have made. Just like the beast has corrupted everything else through GMO and more. And without the number of the beast, people won’t be able to buy food or etc.

As is shown throughout this entire newsletter, Yahuahs People are in a war for their lives **Right Now**. satan hates Yahuahs people, and satan and the beast are out to kill as many as they are able who will not worship/**obey** the beast. This is **WHY** this war is **across the nations of the earth**. Because the beast has power over **all nations**:

**GILYAHNA/REVELATION 13:7** *And it was given unto him to **make war** with the saints, and to overcome them: and power was given him over **all kindreds, and tongues, and nations**.*

We pray for all Yahuahs people scattered across the nations of this earth in these days of great tribulation. That Yahuah protects His people, places a hedge around them, fills all their needs, and gives them strength to see all that is taking place (*and is right at hand*) and still endure and fall not. To continue in obedience to His Word, seeking His face. Waiting and urgently praying for Moshiach’s soon coming Return.

Think about these things. Prepare yourself and your families physically, but also **mentally**. As these are terrible days that will be witnessed by all.
