

*I made this post on our fake book page, and sent it out to our mailing list, a couple days ago. Fake book erased it the first time right as I got done writing it, so I had to rewrite it all over again that night. In any case, I wanted to go ahead and turn this into a PDF and post it to our newsletter archive on our website. And I also wanted to update some of the info in this, specifically one of the video links that I listed which has since been deleted. I was expecting this would happen as it had already been purged from many sites, as even though it is a short video (10 min) it contains a lot of important information. So with that expectation, I download the video when I originally made this post. Last night I began to try to find someplace to upload it, and surprisingly was able to get it uploaded to our bitchute channel, so I will be posting that link instead. Watch it while you can, as it would not surprise me if it gets deleted from bitchute as well.*

Here is that fake book post – *additions, edits and emphasis added*:

**Yahusha Ben Moshe Eliyahu**  
**July 15<sup>th</sup> 2:16 AM**

**Shared with Public**

**\*\*\*anyone paying attention...** starting to believe that we are in the great tribulation yet, as we have warned for well over a year and half now. beginning just before and after they performed the abomination on mount olives, when we said at that time (*and ever since*) that the great tribulation was going to begin on **Yom Teruah/1<sup>st</sup> day 7<sup>th</sup> month 6001sc (sep 28<sup>th</sup> 2019)**

as to the [first] video linked down below and after some searching I found the extended versions of this video... so I'm posting the short version. But I am also including the link to the extended version at the end of this as well.

even though presidents, officials, celebrities and many more from many nations, have openly stated all along about their plans and progress toward their "*new world order*"... anyone pointing out what they were saying, like so many other truths, people just dismissed them using the cia created keyword "*crazy conspiracy theories*".

Well now they are announcing the "***first full day of the new world order***" on mainstream news, in this particular case Australian news. let alone gov/UN organizations and "officials". And before people say [that clip] is "fake", after doing some further searching I have seen that news clip on many videos now. I tried to get the original video from 10 News First website, **BUT** I got a message stating that no one outside Australia is allowed to access their news videos... what a surprise.

they also continue to openly state that people and communities who don't take the injection will have to be "**isolated**" and "**quarantined**". this **IS** the fema concentration camps that we warned was coming for years. just as we warned they will turn many cities into "**prison cities**", now using the excuse saying they are "quarantined". which this is all part of their depopulation plan (*mass genocide*) across the nations. this is why all of this is being done "globally" **across the nations, all simultaneously**.

also they are openly stating that the world will not go back to what people call "normal" and that this is never going to end. we stated that when this all first began, that it wasn't going to be "weeks" or even "months" but rather that things would NEVER go back to "normal". that this was only going to continue to speed up and increase.

further, we also stated and showed video from doctors and ect, that this rna injection was rewriting/changing peoples DNA, changing what Yahuah created in His image, into the image of the beast.

further, before they claimed there was even a 'vac', we posted where many officials in different nations (*including the 'state of israel'*) and ect, who were stating that **no one would be able to buy or sell**, even from amazon online, **without the injection and its 'passport' ID**. And several months ago we made two main video teachings concerning all of this and how it fits in with Yahuahs Word.

-->**LINKS to those teachings:**

**We are ALREADY IN the Great Tribulation!!**

<https://www.youtube.com/watch?v=ZkqgAGXn7B8&t=3194s>

**Daniel 9 27 & The Mark of the Beast**

<https://www.youtube.com/watch?v=t3OKOrYBtww&t=12s>

In the "extended" version of this short news video that I found, they have clips from leaders of multiple nations all stating that the **people have a deadline** to get the injection and the *"health pass/passport"* ect... **OR**... you will be arrested and thrown in jail, you won't be able to return to your job, you won't be able to go into any stores, won't be allowed to travel, and ect. And they are going to be making **ALL** private businesses to begin enforcing this as well, no matter if it is employees or customers. **which should be no surprise to anyone**... as anyone could have found the info with them stating these things point blank many months ago, just as we found and posted some of it at that time.

for those who haven't heard, there are a **Multitude** of hospital networks [with more being added daily] across the US who are **Requiring** their staff, volunteers, and even vendors to get the **injection by their deadline or be fired**. some of which have already took place and many nurses and ect have been fired. this is beginning to be seen pushed in other areas outside of health care as well. much of this is also taking place in other nations.

France is a bit further ahead, **all** people are to get the Injection and ID. and for those who do not get the injection, some of the limits go into effect **THIS MONTH**. with many more limits on stores and much more going into effect in **august**. a clip of frances president, macron, is in the extended version of this video stating exactly this.

we have warned for many years, that **\*\*anything\*\*** that this beast system would **\*\*require\*\*** a **person to have in order to buy or sell**, would be the mark and number of the beast, **just as is Written**. we also have said that this "ID" could come in MANY forms such as the "real ID drivers license", a phone app, or any other form of government ID. and this is exactly what we are now seeing.

as we also stated it is NOT just the 'microchip' to be imbedded in the *"right hand or forehead"* which the government clergy in the churches have pushed for decades, and the vast multitudes believe this so whole heartedly that they have and **ARE still** looking for **NOTHING else** but a *"chip implant in your right hand or in your forehead that would be scanned"* ....

as my Abba has taught for so long, **the right hand** represents a persons works, the **forehead** is a person heart/mind which is your knowledge and with it you choose who you will serve,

Yahuah or the beast system. **Yes, This is About OBEDIENCE aka Worship.** Will you choose to obey Yahuah? Or to obey the beast system.

One of the many things that Yahuah gave my Abba's Abba (*my Grandfather*) Yahezkiel, to prophecy more than 40+ years ago was *"they'll give people a shot in the arm, and take them out and bury them"*. Another was that *"the hospitals will be full and running over"*. **Its happening.**

how long we tried to warn people to flee out and away from the cities and high density population areas and get prepared for these days the best as possible. how many years we tried to convey to people that they will be faced with a choice of having to watch their children/family ect starve and/or have them taken/arrested by the government and sent to a fema camp where they will be tortured and killed the same as was practiced in nazi germany. Or they can obey the beast and choose to take the mark. And for a time will receive food and water rations, and other essentials. but even then **they too will be taken in the end.**

*we continue to pray for those who didn't have the means or ability, that Yahuah will send His Malachim/Angles to make a path for them to escape as He did for Lot.*

we also warned this past **Shabuot**, which was only about a month ago on the 7<sup>th</sup> day 3<sup>rd</sup> month / jun 17<sup>th</sup> 2021, that events were going to take yet another **big leap** forward in the intensity and speed at which they were happening. look around. this is NOT going to slow down at all, this is only going to **CONTINUE** to leap forward faster and faster.

as we come to this **fall and winter**, more events are going to come into play. toward the top of that list very very likely is going to be food shortages and the collapsing of the economy. we have warned about the coming food shortages for a long time, and have especially shown the destruction of the crops and livestock across the nations for the past two years. we have also been warning about the collapse of the economy and dollar, and hyperinflation. not long ago when **lumber prices suddenly skyrocketed**, we posted that if people would understand what they were seeing, that it was the **initial stages of hyperinflation**. This is not some 'theory' or 'guess' that it is going to happen, all you have to do is notice how every time you go to the store, you are getting less and less but it costs more.

another thing that Abi Yahuah gave my Grandfather to prophecy back all those year ago was *"that people will take a wheelbarrow full of money to the store just to buy groceries"*. this **IS** soon coming to the US, except maybe for the most part it will be the number of zeros being taken from your bank account. but it has already happened in a few other nations. with one post we made back a couple years ago in particular, where news photos and video was **\*literally\*** a man pushing a wheelbarrow full of paper cash **HOPING** he could buy some food (*not only hoping he had the money, but also hoping there was any food to buy*) from the store for his family.

as we have said all along, these are their **CREATED shortages and the orchestrated collapse of the economy**. they are doing this in order to bring about the end goals of their plans. this is about the control and demise of the people. and this is **NOT limited to the US**. this is happening across the nations and that is **NOT an "accident"**. when the US falls, the rest of the "western" nations will quickly follow.

among all of this is war, not only the open war between nations/alliances-of-nations which will be gog-magog/aka ww3. but it will also be war within nations, governments against the people,

people/races/groups against one another. But also just general chaos in the streets, people/groups/gangs ect going through breaking into peoples houses and taking anything they want, killing people ect. which is the reason for yet another thing that Yahuah gave my Grandfather to prophecy “*one will stay awake, while another sleeps*” because someone will have to be on guard at all times.

we have taught and warned for years that these days and events were coming... they are no longer coming. **they are here.** pray for Yahuahs people scattered across the face of this earth, but soon to be gathered into His hand.  
Moshiach tells us of all these things in Luke chapter 21.

### **remember and pray:**

LUKE 21:28 And when these things begin to come to pass, then look up, and lift up your heads; for your redemption/deliverance draws near.

36 But stay alert at all times, praying that you may have the strength to escape all these things about to happen, and to stand before the Son of Man.

-->**EDIT** the video that was at the original link I listed, was deleted about a day after I made this post. But I had downloaded this video expecting that would happen. I was able to get that saved video uploaded to bitchute last night, so here is the new link:

-->**P.S.** if you see **ANY** posts/emails from “us” that is pushing/supporting their agenda... it is **NOT from us**. Besides all the censorship and ect on the internet, we recently saw a news release that ‘they’ are monitoring peoples phone text messages to family/friends, and are “**correcting misinformation**” before it is sent on to the receiver. specifically concerning the injection. and if they are doing that with peoples cell phones... which is no surprise... email, fakebook, and ect is much easier to do the same.
