

Shalom Kol Yisrael

**Today is Aviv 14th which is the Day of Pesach/Passover!**

This evening, as we keep Pesach beginning at the 9th 'sundial' hour and going into the night/beginning of the 15th.

We will be observing it the same way, and on the **exact same day** as Yisrael did **3548 Years** ago, when they were in Mitzrayim/Egypt, just before the 1st Exodus.

Today is also exactly **3974 years** to **the very day**, since the **blood covenant** was made between Yahuah and Avraham, where Yahuah promised Avraham that his Seed would inherit the Promise Land. **Beresheeth/Genesis 12:4 & 15:9-21**

Today we stand in this time of Restoration, also on this **very same day**, the day of Pesach/Passover, Believing Yahuah's Word that He will fulfill His Promises with this last generation.

As we prepare for the 2nd Exodus, knowing and seeing the Signs of the Times taking place all around the earth, which by them alone are telling Yisrael that we are in the last days, and that the beginning of the Great Tribulation is fast approaching.

Even though we came to this place in South West Kansas, where we had never been before and were not familiar with this area, Yahuah once again provided a Pesach Lamb so that we can Keep this Day as He Commanded:

And even though the group here had never seen it grow anywhere on their property before, Yahuah has also provided the Hyssop which is also required:

For more information on Pesach, we also wanted to include links to last years Pesach Newsletters, as in those we included more about the requirements, other photos and information about the Hyssop, and other related information. These newsletters are also found in our Newsletter Archive, and are titled and dated in that list.
