Gathering Together Waiting to Return to the Land of Promise...

## **A message to all members of Restoration of All Things Yisraelite Chaverim Network**

Shabbat Shalom Kol Yisrael!!

Last night at sunset began the **8th Day Shabbat of the 12th month of this year 5993s.c.** We have Only 3 Weeks until **Aviv 5994 s.c.** begins! As we enter Aviv, we will be entering into the 3rd year of the 7 year tribulation, but we'll talk more about that in a moment.

We now have a **Newsletter Archive** on our main website! So now you will be able to view, save, download, and share **This** and **All New Newsletters** that we send out from the Newsletter Archive page. The Archived Newsletters will be freely available in PDF format. We also have a few of the past newsletters for recent months, however my computer had a software problem back a few months ago, at which time we lost most of our other past Newsletters/Broadcast Messages, which we sent out to the Restoration of All Things Network & The YHRIM Mailing List.

So if you happen to have saved some of our past Newsletters/Messages, or still have them in your email, and would like to contribute to re-building the archive, you can email them to us at [info@yhrim.com](mailto:info@yhrim.com).

The Newsletter Archive can be accessed from the navigation menu on our main website [www.YHRIM.com](http://www.YHRIM.com). Plus here is the direct link to the Newsletter Archive Page: <http://www.yhrim.com/Newsletter-Archive.html>

We have recently been asked some questions about how to share teachings, calendars, and other information from our main website, on facebook. So we have just added a **facebook "Like" button** to the navigation menu of our website. Anyone can now click on the **"Like"** button and automatically share the website on their facebook page.

In addition to the facebook button, we also added a **"Share with a friend"** easy email share button. When you click on this button, it comes up with an easy email share page.

So we hope that these items will help you share Yahuahs Word easier with more Brothers & Sisters around the Earth!

Also, we now have several teachings available in Spanish! This is thanks to Brother Yechezquel Efraim who took the time and work required to translate several teachings to be able to share with his Brothers and Sisters there, so that they could study these things for themselves.

He has now sent them to us, and we have posted them on our main website so that we can

share the Word with more of our Brothers and Sisters too! So we thank Brother Yechezquel for his time and work, and pray that Yahuah blesses him for his labor in the Kingdom. These documents are listed in the new Spanish Teaching Translations section on the Teaching Publications Page, directly under the english teachings. Here is the direct link to the page: <http://www.yhrim.com/Publications.html>

**We have two events coming quickly.** The first is this next week, **The Turn of the Year** is about to occur. The moon can be seen this week either at the beginning or ending of the Next Shabbat, the 22nd. The sun will be very very close at that time, but can also be followed each evening at sunset for the couple days after Shabbat, as it will turn before the end of this month. As I have said before, it's not that we have to know the exact day or hour that the turn of the year occurs, so long as we know what month it occurred. And it will happen this month, which means the Next Rosh Chodesh will begin Aviv 5994 s.c.!

If you do not understand the Turn of the Year, you can read the Newsletter we sent out about two months ago, which has the links to the teachings and other info. The direct link to that specific newsletter in the archive is:

The Second Event is **Pesach/Passover!** It is only 5 Weeks from Right Now! So we hope that everyone is making preparations, either making arrangements to join a group who keep Pesach/Passover Correctly. Or the leaders and/or men in your family or group, making preparations to get a Scripturally Correct Pesach Lamb selected and ready.

To keep Pesach, you must have a Whole Lamb Roasted in fire as the Word Commands! You Can Not have a shank, lamb chops, or other piece of a lamb, as it does not qualify as a Pesach/Passover Lamb. The lamb is to be whole, with-out blemish, and with no broken bones.

Yahuah gave the command of a Whole Lamb for very specific reasons. A couple of reasons that the Word Commands that the Lamb is to be Whole, is because it represents Yahushua and His Word. Yahushua did not have one bone broken when He sacrificed Himself as our blood atonement. And we are not to break even one part of His Word. We are also to eat the WHOLE Word, not just eat one book or one portion.

If you are searching for a lamb which qualifies as a Scripturally Correct Pesach/Passover Lamb, there are some things you Must ask and know when purchasing a lamb:

Most Lambs/Farm animals in general, have tags in their ears. This is an automatic disqualification, as it is a hole which is a blemish.

Some farmers will burn a lambs horns when they first begin to appear, so that the horns will not grow. This again disqualifies it as a blemish. This can be hard to spot, as they will quickly heal over and you won't even know anything is wrong until you skin it.

Many farmers will cut or "bob" the lambs tails... I don't know why. But this too is a disqualification as it is a blemish.

A Pesach lamb can not have had its wool sheered.

It must be 8 Days or older, but not older than 1 year. If it is one year old, or close to a year, you need to know what day it was born.

A Lamb CAN Be either from the Sheep or Goats. In the Word, when people read "Lamb" most today automatically think "Sheep". But Scripturally this is not true. As anytime that you see the word "Lamb" written in the Word, it can be speaking of either a young Sheep OR young Goat. **Shemoth/Exodus 12:5 Your lamb shall be without blemish, a male of the first year: you shall take it out from the sheep, or from the goats:**

The Qualifications for a Scripturally Correct Pesach Lamb can be found in Shemoth/Exodus, and other scrolls. For the teaching on the Restoration of the True Pesach/Passover, my Abba/Father Moshe EliYahu wrote **Passover & Feast of Unleavened Bread** available on our main website [www.YHRIM.com](http://www.YHRIM.com).

Here is the direct Link: [http://www.yhrim.com/Passover\\_Main\\_Doc.\\_1\\_2007.pdf](http://www.yhrim.com/Passover_Main_Doc._1_2007.pdf)

Also here is a short video clip of one of our Pesach Meals a couple years ago which we posted to our YouTube Channel:

<http://www.youtube.com/user/webmaster2850?feature=mhee#p/u/23/6nzLE50Pw2w>

As we near Pesach, we also near **Chag Matzoth/Feast of Unleavened Bread**. So as we get closer to that time, you must keep in mind what you buy and what items that you have in your pantry or in storage. Any bread that has risen/leavened must be used up or thrown away outside your borders (not on your property) by the 9th hour of Aviv 14th.

Now, we know there is a lot of confusion still begin taught about what is "leavening". We sent out a teaching 2 years ago that proves from the Word that what most are being taught as leavening is incorrect, and is man made traditions.

We must Use Yahuahs Word Only, and NOT add to it nor take away from it. Exactly what is Chametz/Leaven is specifically seen and written in Yahuahs Word. Just like the True Shabbat/Sabbath, Yahuah never gave a Command that He did not tell us specifically what and how to obey that Command in His Word. We have the teaching which goes into detail and proves from Yahuahs Word exactly what is Chametz/Leaven. This teaching is titled "**Are we to Keep 7 or 8 days of Chag Matzoth/Unleavened Bread & Scripturally: What is Chametz/Leavening?**"

This teaching is freely available on our main website, and here is the direct link:

[http://www.yhrim.com/Are we to Keep 7 or 8 Days of Chag Matzoth 11-25-5992.pdf](http://www.yhrim.com/Are_we_to_Keep_7_or_8_Days_of_Chag_Matzoth_11-25-5992.pdf)

We also want to mention, and bring attention to: Many (if not All) Yisraelites are in a constant battle from the devil. But we have noticed that Every Year as we approach Pesach, this fight significantly increases. And it can come in all shapes or forms, and in many ways you may not expect or even catch at first. We know that there are many of you, who right

now is going through hard battles. You may not even be able to explain it in words. Many times it will just be a fight against your lev/heart/mind. It may go on for days, weeks, or even months. Sometimes never ceasing, but a constant battle night and day. The devil will throw everything he can at you, to wear you out and wear you down, just as the Word states. If for no other result, but to slow you down, or stop you from doing Yahuahs Work, from praying, or from studying the Word.

We must keep each other, and all of our Brothers and Sisters in Yisrael in our prayers daily. Yisrael needs strength and fully healed physically, mentally, and in our emunah/faith. Pray for each other, your Brothers and Sisters, and Kol/All Yisrael that Yahuah will Strengthen, Heal, and Revive His Chosen People!

We mentioned at the beginning of this newsletter that in just 3 weeks, **Aviv of the year 5994 s.c.** will begin. Which this will also begin the 3rd year of the 7 year tribulation, or "One Week" of **Daniel 9:27** which we went into detail in the last newsletter.

The Ot/Signs are always a constant reminder of the Day and Very Late Hour in which we live.

There are so many signs which are happening in these last days, it should be **impossible** for **Yisraelites** to **not** understand that we truly are **in the Last Days**.

I'm going to try to keep this newsletter short, but lets think of just some **Brief Highlights** of Signs that the Word Tells us we are in the Last Days:

**Earthquakes in Divers Places:** Just the Average # of Quakes over any 14 day period, GREATER than M4.0 is around **3500 - 4000+** world wide! There are some areas of the US which have thousands of small earthquakes every week, which are only posted on university seismograph monitor websites. USGS and other "gov agencies" have also been caught (*by individuals who keep a close eye on reports and records, I have witnessed this personally*) deleting or changing/downgrading earthquakes often. They don't want people to know how much earthquake activity is increasing, and that this increase is on a global scale.

**Wars and Rumors of Wars:** There are so many different wars by all the large and small countries/territories and terrorists gangs going on, no one really knows how many wars there really are, or even who is fighting!

**Famine:** There has been a Global Famine for the Past two years, and It Will continue to get worse each year forward, just as it did last year over the previous year. The news of course will hardly mention anything about it, but when you start searching there is plenty of information available which shows how the famine is covering so many vast territories and countries around the earth. Many of which were the Big Grain Producers.

**Pestilence:** There have been so many crops destroyed by pestilence its hard to grasp. There has even been programs on the discovery channel covering this a few months ago. And our local news yesterday even mentioned how the "pests" are going to be more numerous this year because we didn't have a hard freeze this winter to kill many of them.

**Signs in the Shamayim/Heavens:** The Northern & Southern Lights being seen by people All Around the Earth, who live in places and countries where a person should Never see

these Lights! As far south here in the US as Georgia, Mississippi, Carolina's, and other states. They were even seen by many and talked about on the local news here in Indiana. And they even stated, if you missed it this time, that's Ok, You'll have more changes to see them again all this year! However most people did not see the normal "green" lights, instead the lights were showing up blood red.

We also have the increase in meteor and Solar Activity. The weakening and fluctuation in the magnetic field is also affecting climate and weather patterns. Causing many more major storms and damaging weather, like we seen last summer, and just this week with the tornado outbreak across 9 states, killing 9 people and injuring 100+ in what is still considered "winter". And causing millions in damage to businesses, homes, and other buildings/towns. There have been tornado reports all winter long, they have never stopped since last summer. This will only increase in quantity and in strength in the days and months ahead.

**Sun Heating Hotter:** We see several times in the Word that the sun will scorch men with heat. Well the sun's activity has been increasing for some time now, almost 70 years according to a few scientists who will actually speak out, and this year is now bringing the sun into its solar maximum. We have already seen a significant increase this year in solar flare and CME activity. The sun's increased radiation and partial ejection has been affecting the earth's magnetic shield, weakening and putting holes into it. The magnetic shield is now getting very weak, so weak in fact that even the news reported a few weeks ago that passenger airplanes that had routes which normally flew over the north pole **were diverted, because of radiation concerns**. This is all besides the electrical problems that has been occurring with the satellites, some of which were fried, problem and blackouts with cell phones and other communications, and even some problems with the power grid. Now you know the true reason why the Space Shuttle (and effectively NASA) was shut down and retired a few months ago. NASA of course said they were "changing course" to other programs... but those programs have since been canceled, and now many people who worked at NASA were let go, and are now out of work.

**ha allah - The Curse:** Unlike a few years ago, Most people today know who the muslims are and who they worship. However most people don't know their connection and prophetically place in the Word. Ha allah/The Curse is wrote about in [Yesheyahu/Isiah 24:6](#) and other places in the Word. The modern day muslims are the descendants of Esav, which Yitzchak/Isaac prophesied to Esav what would happen in [Beresheeth 27:39](#) And Yitzchak his abba/father answered and said to him, See, your dwelling shall be away from the richness of the earth, and away from the dew of the shamayim from above; 40 And by your sword shall you live, and shall serve your brother; and it shall come to pass when you shall have the dominion, that you shall break his yoke from off your neck. Well this has come to pass. The muslims literally have the dominion, They literally are occupying the vast majority of the Scriptural Eretz/Land of Yisrael. Let alone by population they are literally the majority by global population, and are invading/taking over every country by threat/war and/or just moving in.

**As it was in the Day of Sodom & Gomorah:** Do we even need to ask if this is being fulfilled everyday???! Besides all the other sins and garbage that is being publicized and praised, Just speaking of the US, there are now 7 states: New Hampshire, Vermont, Massachusetts, Connecticut, Iowa, & California, Plus DC/District of Columbia, which now have approved and written new man-made laws for **same-sex/gay marriage!** And they are fighting for it everyday in all of the other states. Does anyone understand that this means there are so many of them/homosexuals that they have the majority vote, in both the majority of the common population and the majority of the city/state "leaders", to be able to get these laws passed!

**As it was in the Days of Noah/Noah:** People didn't believe it would ever rain, even though Metushelach/Methuselah and Noah taught and told them for 120 years it would rain, trying to teach them that they needed to repent and prepare. They even saw Noah making all the preparations by building the Ark and preparing all the supplies, food, and etc. They saw all the animals come and submit themselves to him, as he placed them on the ark. Yet still they did not believe. They only laughed and mocked him. No they didn't believe until the door was closed, and then it began to rain... **But then it was to late.**

Today people do not believe Yahushua will return... at least not in "their lifetime", its always the next generation or two or three. They do not believe we are in the Last Days. Even with all the Signs of the Times, they still say "*I've heard that all my life...*" No most Yisraelites, will not believe... **until the flood comes:**

**GilYahna/Revelations 12:14** And to the woman (remnant Yisrael) was given two wings of a great eagle (Hand of Yahuah - Shemoth/Exodus 19:4), that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time (**the last Three and Half years**), from the face of the serpent. 15 And the serpent cast out of his mouth mayim/water as a flood after the woman, that he might cause her to be carried away by the flood. 16 And the ground helped the woman (remnant Yisrael who was **prepared and obedient**), and the land opened her mouth, and swallowed up the flood, which the dragon cast out of his mouth. 17 And the dragon was angry with the woman, and went to make war with the remnant of her zera (those who are Yisrael, but they did not heed the call and did not flee into the wilderness and are caught still in this system), that shomer the mitzvoth of YHWH, and have the testimony of Yahushua ha Moshiach.

Ahamos/Amos 9:10 *All the sinners of My people shall die by the sword, who say, The evil shall not overtake nor find us.*
