Subject: Shabbat Shalom 8-22-5994s.c. - Updates & More

Shabbat Shalom Kol Yisrael!

This evening at the going down of the sun (sunset) began the 22nd Day of the 8th Month of 5994s.c. (*roman dates sunset of 11-5-12 through 11-6-12*) We pray that kol/all Yisrael has a greatly Blessed and Tov/Good Shabbat!

Going to try to keep this newsletter short, but we do have some updates we want to go over. But first...

I hope that it doesn't need said, But I'm also sure that many need told. The US elections are today (well tomorrow on the roman calendar) **Who Are going to Put First???** Are you going to put Yahuah first and keep His Shabbat? Or are you going to put the beast system first and vote to play in their games? Because the election is nothing more than a game. Its to 'entertain' the masses, make them feel in control, and to make them think they have a choice. Do you honestly believe that those in power would actually allow the slaves to pick who is over this nation? No.

And again it changes nothing and makes no difference who is in that 'office'. The only thing it may change, is which 'event' they will use to bring about the next part of 'their' plan. Which direction they want their plan to proceed is what will determine if obama will continue, or if they will appoint romney. it has nothing to do with peoples 'vote'.

obama was a sign (*one sign out of multitudes*) to those who were watching, to the day and hour we live. As for one thing by all of his actions, doings, and even the ring he wears, he is a muslim. Let alone the many other 'laws' and actions he has done in the past 4 years. Even to declaring that homosexuals should be allowed to marry, which by him as the nations 'leader' doing so officially turned this nation into a sodomite nation.

Out of all the multitudes of signs/events that are occurring Do people not see that THIS IS as it was in the Days of Sodom & Gomorrah? And THIS IS as it was in the Days of Noah/Noah?

Even if "the people" did actually have a real 'vote'. Yisrael should have nothing to do with it, as 'they' are Not our kings! Wanting men to rule over us like the other pagan nations, is what caused Yisrael to be under punishment for 3038 years. From the year when Saul was made the first man-king over Yisrael in 2954 s.c. Until the end of 5992s.c. (*which was a Sabbatical Year*) which at Pesach 5994 s.c. Yahuah Spoke and stated we were Released.

Yahuah Is Our Melech/King! And Yahushua ha Moshiach will very soon return and Reign on this earth as the Melech/King of Kol Yisrael! And this is just a few years away, but much will happen between now and then. Selah/Pause & Think About It

Continuing: We do have an update on brother Emet. He called my Eema/Mother this morning! He is doing very well, the doctors are even amazed at how quickly he is moving in his recovery. So much so, that he very possibly got released from the hospital this afternoon/evening, but we haven't heard for sure. He is wanting to get back home, to continue to His Studying in Yahuahs Word, and helping his mishpacha/family getting prepared to flee. But he said he will have to be careful in what he does, and how much he does, until he can get fully healed. We thank Yahuah for bringing him through the surgery with no complications or other problems, and we continue to pray for him to receive strength and to fully recover quickly.

The calendars for 5995s.c. are not yet complete, but we will try to get them done asap, and get them posted to our main website. We will send it out when they are completed.

In Last week's newsletter, we said that it looked like we would not have internet capability because of the work and power requirements needed to setup, install, and run a mobile satellite internet system.

Well during this week, we were discussing about having some type of temporary internet capability while we were traveling. So if we needed to get information along the way, we could.

After doing some searching, what I found was a small internet device from Verizon called a 'Jetpack 4510'. Which is a prepaid wireless internet device, which has a wide coverage area, including most of montana, idaho, and most other areas in general. I had looked for a device like this back several years ago before we ever got satellite internet here, but such a device was not available at that time.

So we decided to order this device and service, as this will give us the capability to have internet access while we are on the move, and even when we get to a destination. Allowing us to keep posting updates, teachings, and other information to our website, network, facebook page, email, and other contacts.

We will be receiving the new internet service this week, as we are going to change over before we leave to make sure everything is working correctly. So as of right now, it looks like we will be able to stay in contact with everyone, and also continue all of our internet ministry work as long as Yahuah allows. We'll continue to post updates and

other information in coming weeks.

Also in last week's newsletter, we said that our place here had sold, and we now have approx 5 weeks left before we have to leave. Right now we working to finish packing our trailers, and performing final checks on our trucks to make sure they are ready to go.

We have one large truck (Deuce and a Half), and one pickup truck, both are pulling 24' ft cargo trailers. Plus other members of our congregation have a pickup truck pulling a 37 ft cargo trailer, and a full size SUV pulling a 28' travel trailer. A total of about 10 people.

We do not currently have a specific destination, although like we have stated, (*unless Yahuah tells us to go elsewhere*) we are hoping to be in northwestern montana or northern idaho, although we are not looking for a stationary location, but only a resting place. As we know it is only less than a year until the Great Tribulation, and that at some point Yahuah will move us on. So we have been looking into the 'rules' of camping in these areas, and have also thought about some of the camp grounds. But campgrounds get expensive over time, and having to deal with rangers and other situations, rules, etc.

If there is someone who lives in these areas who would like to help us work in Yahuahs ministry. Who has property where we could park our trucks and trailers which we will be living out of (*as we have built bunks in the cargo trailers, plus we have all of our supplies and other gear*), would allow us to set up a campsite there, and for us to be able to stay in that location until Yahuah directs us on.

It would be much appreciated if you would Please contact us and we'll see what we can work out with you. You can email my Abba/Father Moshe EliYahu directly at moshe@yhrim.com

Again, we pray that Yahuah Blesses kol/all Yisrael on this His Shabbat! Hallelu-Yah! Remember, you can read this & last weeks newsletter (*and other past newsletters*) in the "Newsletter Archive" on our main website www.YHRIM.com
