Shabbat Shalom Yisrael!

Last Evening at the going down of the sun, the **8th Day Shabbat** of the 6th Month of 5994s.c. began!

So we wanted to say "**Shabbat Shalom!**"

Below is a photo of the moon just after the sun went down, taken from our current location in Indiana:

We are working on some major updates, and several new teachings. Our time has been hard pressed with completing our preparations as we get ready to move. We pray continually that Yahuah show Kol Yisrael when to Flee, as this will be one time when you can not be late.

We wanted to include in this newsletter for all of you that have recently joined the network and the YHRIM.com mailing list, some of the basic Restoration Teachings that everyone needs to understand and be doing. These teachings are to call Kol Yisrael out of sin & false teachings, and to get prepared to meet Yahushua ha Moshiach/Messiah.

\*The first of these is the foundational teaching of the "**Restoration of Yahuahs True Shabbat/Sabbat & Yahuahs True Yearly Calendar based upon His Word**". Because if you do not understand this, not only are you breaking Yahuahs Commanded Shabbat, but you will also not understand many other teachings, because again this is a foundational teaching, meaning there are many other teachings that connect to and are built upon Yahuahs True Calendar.

We used to post current events here on the network, but as I just posted on the current event page here, we are no longer doing this, as there are so many events taking place, and post each thing here is very time consuming.

What we have done is switch to using our facebook page. We post many many current event articles & videos which are truly "Signs of the Times" almost daily on our facebook page, as it is the fastest way to do so, and time is limited. **So save it in your favorite or bookmark bar and check back often.** You Do not have to be a facebook member to view our page, it is publicly available.
