יְהוֹשֻׁעַ

Yahushua

Our Moshiach/Messiah

Shalom Kol/All Yisrael!

On the 7th Day of the 3rd Month (sunset of may 26th - 27th) of 5994s.c. (s.c. = Since the Creation of Ahadm/Adam) The 50 Days of Omer was fully Counted & Recounted, so that we could come together in Yahuah at His True Appointed Time. As that day was the Day of Shavuot (*aka Feast of Weeks, or in the kjo-pentacost*).

Shavuot literally means **“The Sign of the Sevens”**. This has a direct connection to the 70 Weeks that is written about in Daniel, and the True Scripturally Restored Solar Lunar Calendar, which is speaking to this generation. If you have seen the video teaching **“The 70 Weeks of Daniel – The 1290, 1335 & 2300 Days”** Then you already know what I am speaking of, and also how important the count to Shavuot is for Yisrael in these Last Days.

If you have not seen this teaching, it is freely available on our YouTube channel, and the link to Part 1 is on the home page of our main website www.YHRIM.com, along with the full teaching of the **“Restoration of the True Shabbat & Yahuahs Yearly Calendar”** document which is on the “Teaching Publications” page. We also have it available on DVD.

With the understanding of the 70 Weeks of Daniel, and/or seeing the many Signs of the Times that are occurring all around the Earth in these Last Days. There are many questions that we as Yisraelites should be asking in these troublesome times. If we are not asking, or do not understand or see the Day & Late Hour in which we live, then we have a lot of waking up & catching up to do. Events are taking place on an ever quickening pace, on a global scale. Things are happening so quickly that most are never heard of, or are easily over-looked/ignored. But for all of those in the body of

Yisrael who are watching, we all know that the Signs of the Times are ever prevalent, and we see them taking place on a daily basis. Therefore as watchmen we try to sound the alarm to wake up our fellow brothers and sisters so that they too can see, read, and understand. And we are not the only ones, as there are others who are doing the same, who also see the things coming to pass which speak to us the times.

We try to post a few of the events which are taking place, on our facebook page. This page is open and viewable to the public, so you do not have to be a member of facebook to view, read, and open linked articles, or watch linked videos. The direct link to our page is: <http://www.facebook.com/yahushua.benmosheeliyahu>

The earth is in its birth pains and wants to be delivered. We must understand that Yahuahs appointed times for the deliverance of His People, and for the events that are and will take place in this earth, as we approach the **Great and Dreadful Yom Yahuah/Day of Yahuah**. Understand the events that are written **will take place regardless if we as individuals are ready or not.**

Yahuah will not wait on anyone, everything will occur at the exact times that are written in the Word, and at the time Appointed by Yahuah.

Hosha 4:6 My people are destroyed for lack of da'at/Knowledge: because you have rejected da'at/Knowledge, I will also reject you, that you shall not be a kohen to Me: seeing you have forgotten the Torah of your Elohim, I will also forget your children.

Yes, this verse is speaking about the knowledge of Torah. **BUT** this verse can also be applied to **having the knowledge of the things that are occurring in these end days. Because the events that are taking place are fulfilling what is written In the Torah! They are Signs to Yisrael**, which we as Yisrael should **See and Wake Up** and To know the day and hour in which we live, to know that we are in the Last Days, to know that **we are in Tribulation (and nearing the Great Tribulation)**, to Know that **Yahushua's Return is Near**, and that the **Great and Dreadful Day of Yahuah is Fast Approaching!!** And if we are awake and know these things, and see the Signs of the Times which speak these things from Yahuahs Word, then We MUST Get Prepared to Flee as Yahuahs Word Commands Yisrael to do in these Last Days. If people reject the knowledge which Yahuah is pouring forth in these last days, then as the Word states, these people will be destroyed by the serpent and this beast system, **It Is Written.**

There is so much taking place on an ongoing daily basis, we wish we could have a live service with kol Yisrael from around the earth, and share just what we know with all

of you. We could share Restored Teachings, show events and the signs of the times that are taking place, for hours on end. We could literally have live services twelve hours a day, everyday, for weeks, and not cover it all. And live services with a projector are much, much easier to show and explain all these things, than what we could ever put into a document, out on the websites, or even in a video.

But at the present time, Yahuah still has Yisrael scattered throughout the earth. But He is about to begin the physical regathering of His People in His hand.

Yahuah made us to understand His Appointed Times were spoken forth by His Two Witnesses the Sun and Moon. And **For the Past Twelve Years** we have been teaching Yahuahs Scripturally Restored Solar Lunar Yearly Calendar. Yahuahs True Solar Lunar Calendar is a **Foundational Teaching**, and **major Sign to Yisrael**. As it concerns so many parts of Scripture, and is Required to understand the Day and Hour in which we live. The Restoration of the Scriptural Year is one of many teachings which is built upon the understanding of the True Solar Lunar Calendar. The Restoration of the Scriptural Year was first taught in a live service in Oregon in the beginning of the 4th month of 5992s.c. (2010) Then by the Word of Yahuah at Pesach of last Year 5993s.c. (Pesach/Passover of 2011) Yahuah stated that **The Exile of Yisrael was Over!** Which was later confirmed again through the Word. **HalleluYah!!**

From the time that we first taught the Restoration of the Scriptural Year and began to warn Yisrael, until today (4th month 2nd Day) has been two years. And Yahuah has given other watchmen, who are in New Zealand, Philippines, and other places around the earth, the exact same understanding, and they too are teaching and trying to warn Yisrael. Yahuah has given Yisrael Two Years to prepare, as He sends His Hand a 2nd Time to Gather His People in these End Days, just as He wrote in His Word. When Yisrael begins to gather, then **His Teachers whom Yahuah has appointed** will teach the People of Yisrael how to be **Obedient to His Word**, so that we can appear before Yahuah Face to Face **and die not!** - **Yechezkel/Ezekiel 20:34-35**

But if we are to meet with Yahuah in the Wilderness, **We Must be Ready, Prepared, Willing to Leave Everything Behind and Go To Yahuah!** What do we as Yisrael have to do to be Ready?

In this document, we are going to cover several topics and Scripture in Order to Answer:

“What Should Yisrael Be Doing Right Now in These Last Days?”

“What does Yoseph/Joseph have to do with these last days?”

“Where or What is Mitzrayim/Egypt today?”

“And Where is Goshen?”

“What is Bavel/Babylon?”

“When will Bavel/Babylon be Destroyed by Yahuah?”

“Should Yisrael Flee to the Wilderness? And Where is the Wilderness?”

“Will the presidential elections change anything?”

All of these questions are directly connected to each other, and some must be answered together. Some of these questions have short answers, while others take more study. We'll try to keep this to the point, but also elaborate when necessary to explain each from Yahuahs Word.

WHAT SHOULD YISRAEL BE DOING RIGHT NOW IN THESE LAST DAYS?

This question is what this entire document, and several other teachings, is really all about.

Yahuah has been Restoring the Truths of His Word for some years. Many people have rejected these restored truths, but there is a remnant who will search out the truth, do the work it takes to read and study, and then move up and do the required changes to be obedient.

So first and foremost: What should Yisrael be doing?

Becoming obedient to Yahuahs Word.

But many people always try to “spiritualize” Scripture. But to be obedient to Yahuahs Commands is also a **Physical Work** and not just ‘spiritual’ or mind change work.

For example: To be obedient to the Word when Yahuah Commands not to break His Shabbat. We must **physically** prepare food on the 6th day of the week (*preparation day*) finish all tasks, and wash and be clean before sunset. **Then on Shabbat day, we do not work, we do not buy or sell, we gather with other Yisraelites** (*physically if we are able to, or if because of distance this is impossible, we ‘gather’ in mind by reading, studying Yahuahs Word, or listening to teachings.*) as this is what Yahuahs Word Commands. **It is a physical work.**

**So if to be obedient to Yahuahs Word requires physical Work, and it does;
What physical work is required of this generation in these Last Days?**

THE 1ST EXODUS IS OUR EXAMPLE

What Did Yahuah do for Yisrael in the first Exodus, and how does this relate to Yisrael today?

There were many things that Yahuah did for Yisrael before and after the 1st Exodus from Mitzrayim/Egypt. To understand what we must do today, we must understand how the 1st Exodus relates to us today.

Which brings us to our next question:

“WHAT DOES YOSEPH/JOSEPH HAVE TO DO WITH THESE LAST DAYS?”

Beresheeth/Gensis 41:30 And there shall arise after them **seven years of famine**; and **all the plenty shall be forgotten** in the land of Mitzrayim/Egypt; and the famine shall consume the land;

31 And the plenty shall not be known in the land by reason of the famine following, for it shall be very severe.

32 And because the dream was repeated to Pharaoh twice; it is because the thing is established by Elohim, and Elohim will shortly bring it to pass.

Yahuah gave Yoseph/Joseph the understanding of what Yahuah was going to bring upon Mitzrayim/Egypt. But was the famine only upon Egypt? **No** it was upon the **whole earth**:

Beresheeth 41:53 And the seven years of plenty that was in the land of Mitzrayim, had ended.

54 And the **seven years of scarcity began to come** (“began” shows that the famine started, but grew worse as time went on), according to what Yoseph had said: and the **scarcity was in all lands**; but in all the land of Mitzrayim/Egypt there was lechem/bread.

55 And when all the land of Mitzrayim/Egypt was famished, the people cried to Pharaoh for lechem/bread: and Pharaoh said to all the Mitzrim/Egyptians, Go to Yoseph; what he says to you, do.

56 And the **famine was over all the face of the earth**: and Yoseph opened all the storehouses, and sold to the Mitzrim/Egyptians; and the famine grew very severe in the land of Mitzrayim/Egypt.

57 And **all countries came into Mitzrayim/Egypt to Yoseph** to buy corn because the **famine was so severe in all the lands**.

The only reason that Mitzrayim/Egypt had grain during this time, was because Yahuah set Yoseph in that place to save Yisrael. Now we know the story of Yoseph, and how his brothers came to get grain, and then toward the end of the 2nd year his Abba/Father Ya'akov/Jacob/Yisrael and all of his house hold moved to Mitzrayim/Egypt, to the best part of the land, the place called Goshen.

Beresheeth/Genesis 45: 6 For these **two years have the famine been in the land**: and yet there are **still five more years**, in which there shall be **neither plowing nor harvest**.

7 And Elohim sent me before you to **preserve for you a remnant in the earth**, and to save your lives by a great deliverance.

8 So now **it was not you that sent me here**, but **Elohim**... Here Yoseph is a type of Yahushua haMoshiach, being sent two days/two years/two thousand years before the final Great deliverance of remnant Yisrael in these last days.

In Goshen, Yisrael was protected and grew into a great nation over the next 210 years (*yes they were only there 210 years. The 430, 400, & 210 years all end at the same time, but all begin at different events. All explained in the full "Restoration of the True Year" live teaching*).

But after Yoseph and all his brothers died, what happened to Yisrael? They were put into slavery and hard bondage.

To understand how Yoseph and the 7 year famine fits in, we must ask our next question:

WHERE OR WHAT IS MITZRAYIM/EGYPT TODAY?

To be able to understand where Egypt fits into today, in these end times. We must first understand where Yisrael currently is.

In 3341s.c. Ephrayim (*the northern house*) was thrust out of the land. Then later in 3471s.c. Yahudah (*the southern house*) was also thrust out of the land. What is the reason that Both Houses were cast out? It was because of **disobedience**. Eventually both houses were scattered throughout all the nations of the earth just as was written several times in Scripture, one being:

Devarim/Deuteronomy 4:27 And YHWH shall scatter you among the nations, and you shall be left few in number among the heathen, where YHWH shall lead you.

28 And there you shall serve elohim, the work of men's hands, wood and stone, which neither see, nor hear, nor eat, nor smell.

29 But **if** from there you shall seek YHWH your Elohim, you shall find Him, **if** you seek Him with all your lev/heart and with all your being.

30 When you are in great tribulation, and all these things have come upon you, even in the latter-days, then you shall make teshuvah/repentance to YHWH your Elohim, and shall be obedient to His voice.

31 For YHWH your Elohim is an El of rachamim/mercy, He will not forsake you, neither destroy you, nor forget the brit/covenant of your ahvot/fathers, which He swore to them.

So again, where is Egypt today? Whatever nation Yisrael has been scatter into. In these end days, Yisrael is in all the nations of the earth.

So all nations is Egypt.

HOW DOES THE 7 YEAR FAMINE RELATE TO TODAY? As we stated two years ago in teachings, and on the Restoration of All Things Network, just like in the days of Yoseph, All the earth is in a global famine. (*No the news is not going to tell you that... Did you really expect them to tell you anything that is truth? Of course not.*) In the past two years there has been more and more crop loss all over the earth, and especially in the major grain producing nations. Either due to floods, droughts, pestilence, hail, and many other events. This has also had a major effect on livestock, especially all types of cattle. Millions of cattle and other livestock have died worldwide. Just one place was Texas last year, most of the cattle producers were losing their cattle to starvation and dehydration. What cattle they had left, they took to market trying to save what few they could.

IF ALL THE EARTH IS EGYPT: THEN WHERE IS GOSHEN?

Now that we understand that all the nations of the earth is Egypt, so we must ask: Then where is Goshen?

Simple, Where Yisrael is dwelling today in many nations. In Yosephs day, He placed Yisrel in the land of Goshen, this where Yahuah gave them substance, and Yisrael greatly multiplied.

Today, Yisrael has dwelled in different places in all nations. And since they were first scattered, the physical descendants of Yisrael have become great multitude of people.

So where ever Yisrael has dwelled in the nations since we were scattered, which in these places is where Yahuah preserved Yisrael, Prospered them, and multiplied them throughout these generations. These dwelling places has been their Goshen.

So wherever you as an Yisraelite has lived and dwelled, that place has been your“ Goshen”.

But as we know for ancient Yisrael, the place of Goshen also became their place of enslavement. **Yisrael today has also been in physical slavery and hard bondage.** The only difference this time, the beast system and the serpent has been more ‘clever’ in disguising our slavery, and most of physical Yisrael don’t even realize they are in slavery. Only those who have the understanding from Yahuahs Word can even really see the slavery we are in amongst the nations. And it is only the remnant who are

crying out to Yahuah for Deliverance, just as they did in the days of Moshe/Moses.

Don’t believe you are a slave? Go take a look at the Copy of your ‘birth certificate’. It is printed on bank bonds paper, even with a serial number. It even declares in small print at the bottom “American Bank Note Company”. This is your “Title”. But remember yours is only a copy. The government makes sure to keep their original “Title” of the property they declare to own.

But Yahuah is going to make known who is His, as He Owned Yisrael long before this beast system tried to steal its claim.

These things are all Physical Real Actual Events and Places, which have only been really realized in these end times by this last generation. But there is more to consider:

WHAT IS BAVEL/BABYLON?

In the Word we see Yahuah speak about the Great City Bavel/Babylon. It is seen with Nimrod and the tower of Bavel. They were trying to build another way to the shamayim/heavens, and Yahuah destroyed it, but left 1/3 of it as a witness. But this destruction did not deter men from false worship of Nimrod. In fact it has never stopped, and has only progressed to “space exploration”, with the devil/serpent using man to try leave the earth to which he is chained, or in an attempt to break Scripture.

The towers of Bavel are seen in every city across the nations. Either with high sky-scraper buildings, with someone always trying to build a taller tower to claim the title of the “tallest”. Then you also see the church “steeple” littering the landscape. Both of these are directly connected with the phallic

symbols of Egypt, which had their origin of religions, reaching all the way back to the Tower of Bavel.

But more than the symbols which still exist, **where is Bavel today?**

You can read most of **GilYahna/Revelations** chapter **18** to see what the Word speaks about Bavel/Babylon in the end times, but we'll point out a few verses:

GilYahna/Revelations 18:2 And he cried mightily with a strong voice, saying, **Bavel the great has fallen, has fallen** and has become the dwelling of shedim/demons, and the haunt of every foul ruach/spirit, and a cage of every unclean and hateful bird.

3 For **all nations** have drunk of the wine of the wrath of her fornication and the melechim/kings of the olam/earth have committed fornication with her and the **merchants of the olam have grown rich through the abundance of her delicacies.**

11 And **the merchants of the olam shall weep and mourn over her; for no man buys their merchandise any more:**

17 For in **one hour** so **great riches have come to nothing.** And every ship captain and all the passengers and sailors and **as many as trade by sea, stood far off,**

18 And cried when they saw the smoke of her burning, saying, What city is like this great city!

19 And they cast dust on their heads, and cried, weeping and wailing, saying, Oy, vey that great city, in **which all that had ships in the sea were made rich** because of her wealth! **For in one hour she is made desolate.**

This is not one “city” or one “country” as some state. These and other verses show us clearly that the great city Bavel/Babylon in these end times is the entire **Commercial Beast system** which encompasses All Nations. The merchandise, which is transported mostly by ship, is traded back and forth by all the nations of this earth. It is also the International Banking System which it speaks about in verse 3 being **All Nations** have drunk of her wine. And also in verse 3, it speaks about the kings committing fornication with her. Which the world banking system and international stock markets have all been setup by the governments/kings of this earth, by which the merchants have gotten rich which is also written in verse 3.

But as is written, Yahuah is going to destroy this Commercial Beast system called Bavel/Babylon. And that is why as it states in verse 11, that they merchants cry and wail, and that **No One** Buys their merchandise anymore. And in Verse 17 **For in one hour so great riches have come to nothing...**”

Does any of this sound familiar? It should, it’s being talked about in all the nations of the earth, and even mentioned to a small degree on main-stream media news. The financial systems of this earth, which the governments/kings **intentionally interconnected all nations together** to make them fully dependent upon each other, is about to have a major **financial collapse** or **“fall”** as it is written in verse 2, only in past tense form. The men who are orchestrating this collapse, have gotten all nations to become reliant upon other nations. So if one major nation collapses, it will be a domino effect to the other nations, causing not just one nation to fall, but the entire global financial system to fall/collapse/melt down. This is what we are currently seeing with the financial systems of the entire European union nations (*many of which are literally on the brink or are already beginning to implode*), here in the united states, Canada, great Britain, and all other nations.

LET’S BE BLUNT ABOUT CURRENT EVENTS THAT ARE TAKING PLACE:

The powers behind the scenes are causing this because they believe they can use this “controlled” collapse to institute a one world global government, and a one world

global finance/"currency". They already have all of the initial needed organizations in place, like the U.N, World Bank, IMF, and many others.

They also know there will be massive civil un-rest or even civil war, and they are preparing for that too with organizations here in the US, like FEMA and "Home Land Security", which both have now literally become a domestic military. (*Many other nations have similar organization now as well*)FEMA and HLS have ordered hundreds of millions of rounds of ammunition, are currently receiving military type armored vehicles, and are installing bullet-proof/blast proof checkpoints on US highways. They have also passed laws (*and done away with other laws*) that the military can operate and be deployed on American soil. They have our military, and foreign military's from many nations, currently training here on America soil **already**, if you do some searching you can see this on local news reports, or even government notice documents. They are even doing 'military exercises' in major cities, like recently in Miami, Chicago, St Louis, and many others. They even publish many of these exercises on the news, but most people have been programmed that it is a "good" thing and that it might even help "keep down crime". All the while having no understanding why the military is doing urban takeover drills, and citizen/crowd/riot control, is because they are training to do these things in a military takeover of the united state citizens.

They also have the FEMA Concentration camps built and ready, although they have a prettier name for them, they call them "Residential Centers". **They are Prisons!** They are nazi type concentration death camps, with rail lines and more, only bigger and better than those of WWII! When this collapse occurs, most people will run to the government and to the temporary tent cities, which will be set up in places like walmart parking lots (*which walmart is a FEMA partner, and is owned by hillary clinton who has controlling interest*), and from there people will be taken to these camps, all in hope of receiving food, water, etc. No matter what you do, **DON'T GO TO THESE PLACES!**

During this time shortly ahead, they specifically intend to reduce the world population. Not by accident, but by **any means necessary**. Regardless if that means poisoning people, using military, civil war, nuclear war and the radioactive fallout, whatever it takes to kill billions of people, that's what they **intend** to do. And if you are overseas in other nations reading this, do not think that your nation isn't doing and planning the same thing, because they are. We have seen reports from many nations of similar exercises and planning take place. That is why they are making it to be on a **global scale**.

As we have stated in previous documents and teachings, they are also using the muslims to cause the up-evil in the middle east, so that they can over throw different nations. But on the other hand the muslims think they are using the “elite”, and intend to implement their own place, which basically consists of turned the nations of the earth into one Islamic state under sharia law. But we cannot just focus on just one or the other. They are both being equally used by the serpent the devil. If we only focus on the muslims or only on the “elite”, then we will miss and not understand many of the things that are occurring. Yes the muslims is a major part of these end time events, but they are not alone. Remember there are two beasts; one beast gives power to the other beast. That is what we are seeing. One beast is all the governments of this earth, in which commercial bavel/Babylon is also a part of. The other beast is all of the false religious systems of this earth, by which the major two are the muslims and the pope/catholics.

We as Yisrael are supposed to be watching, reading, and understanding what is taking place, and how it is fulfilling Scriptures. The events that are happening are all written in the Word! It will come to pass! But when we know this information, see it taking place, what should we do about it? We'll get to that in a few pages.

WHEN WILL BAVEL/BABYLON BE DESTROYED BY YAHUAH?

As it is written, and just like with Mitzrayim/Egypt, All the nations of the earth have become the commercial beast Bavel/Babylon. So when it is Yahuahs Time Bavel will fall, and she will not rise back up.

When will this occur? We believe from what we can understand from Yahuahs Word, and what we can blatantly see taking place, that the fall of the commercial financial Babylonian Beast System will occur at or around the **Middle of the Week** that is mentioned in **Daniel 9:27**, which is also the beginning of the last 3 ½ years, which is also known as the **Great Tribulation**.

How long is that from right now? We are in the 4th month of the True Scripturally Restored Year 5994s.c. The middle of the week, the beginning of the last 3 ½ years, **begins in the 7th month of 5995s.c.** We have only 16 months (470 days) as of the time of this writing, before the Global financial Bavel/Babylonian system will totally fall/collapse.

When will the plagues that are written about in *GilYahna/Revelations 18:4* be poured out against Bavel? How long is the “One hour” in which Bavel is destroyed? To the best that we can understand from Scripture, it is a period of 6 months from the time it starts until the time when the Commercial Beast Bavel/Babylonian System is destroyed. The middle of the week begins in the 7th month, so that would place the time that the plagues are to **begin** would be this next Aviv/1st month of 5995s.c. That is only 10 months from right now.

However, individual nations can/are/will collapse before the final fall 16 months from now. As a matter of fact, the entire global financial system may collapse **to a degree, before** the middle of the week. Why? Again the people who are behind the scenes, who hold the actual kingship over nations (*as ‘presidents’ are only figure head puppets for the most part*) believe and want to collapse the individual national financial systems to a good degree, so that they can bring forth their One World Global solution.

When might this precursor to the final collapse occur? Really it could be at any time. We are seeing so many nations right on the verge already. Greece, Spain, Portugal, Ireland, Italy, France, Belgium, and more could go at any time. If anyone of them is allowed to collapse, it will bring down other countries they are heavily connected to through the banks. Once they start going, all of the EU is next, then US, China, etc.

In the early stages of the collapse, hyper-inflation will hit. Which means that the ‘buying power’ of your dollar will rapidly decrease in weeks, days, or even overnight. In other words, if it costs you \$2 today to buy a loaf of bread, when this occurs, the next day it might cost you \$5, a day later maybe \$12, etc. etc. (*Or you money may become completely worthless overnight.*) Fuel will skyrocket, along with anything that is imported from other countries, due to the devaluation of currencies. Essential commodities, will quickly increase, and then a short time later will be difficult to find at all. If you don’t believe this, just ask the people over in Greece right now, and they haven’t even suffered this fully. They are being held in a kind of ‘mid-collapse stasis’, as they are being propped up by the EU.

And all of that is only if nothing changes. If they cause another false flag “9-11” or worse type of event, like a multi-city/multi nation attack, the collapse would be accelerated.

As we have stated before, they have laws on the books here in the US that they can declare what they call a “bank holiday” which means that all assets (your deposits/money) are frozen. This could go on for days or weeks. Then they may come out and declare the dollar dead, and a new currency is being brought in, the country

and all citizens now have a 'clean slate'. Most people who are in debt, would cheer for this. They would think it's Great because their debt is gone. But what really happened is the buying power of anyone with money was just taken and they now have nothing. But things will never go back to "normal" as Yahuah is going to destroy this beast system just as is written. And man's plans will never be fully implemented.

Update: Before I could even get this document finished, the first declaration of "bank holiday" has already taken place. The Bank of Italy, the oldest bank in Italy, has declared "holiday", closed its doors, and frozen all of its customer's assets. All accounts, CD's, deposits, direct deposits going in, etc, cannot be touched by the account holders. All of its ATMs are shut down. No one who has anything in that bank can touch any of their money. They can't pay for the utilities, house payments, taxes, groceries, or anything else. But I seriously bet you haven't heard the first thing about this (*unless you were on our facebook page*). As the "main stream" english news is not reporting it. The only way anyone is finding this information out, is one if they speak Italian and are able to watch the local Italian news. Or if you found a news report on the internet, and were able to translate them, or found where someone else posted the translated news reports. Again they are keeping this completely blocked out in all english news so far. There is also talk that several other banks may follow suit, not only in Italy, but in other EU nations. – *end update*

But we as Yisrael should be able to see these things that are occurring. As is written:

Tesloniqyah Alef/ First Thessalonians 5:2 For you know perfectly that the Yom/Day of YHWH comes as a thief in the night.

3 For when they shall say, Shalom-ve betachon/Peace and Safety/Security; then sudden destruction comes upon them, as labor pains upon a woman in labor; and they shall not escape.

4 But you, Yisraelite brothers, are not in darkness, that the day should overtake you as a thief.

5 You are all the children of Light, and the children of the Yom: we are not of the night, or of the darkness.

6 Therefore let us not sleep, as do others; but let us watch and be sober.

7 For they that sleep, sleep in the night; and they that get drunk, get drunk in the night.

8 But let us, who are of the Yom, be sober, putting on the breastplate of emunah/faith and ahava/love; and as a helmet, the tikvah/hope of chayim/life.

9 For YHWH has not appointed us to wrath, but to obtain deliverance by our Master Yahushua ha Moshiach,

Again we as Yisrael should see these things and understand what is written, and know the day and hour in which we live. So now that we know these things, **What should we do? What does Yahuah tell us in His Word about Bavel/Babylon when concerning Yisrael?**

GilYahna/Revelations 18:4 And I heard another voice from the shamayim, saying, **Come out of her, My people-Ami, that you be not partakers of her sins, so that you receive not of her plagues.**

5 For her sins have reached to the shamayim/heavens, and YHWH has remembered her iniquities.

6 Reward her even as she rewarded you and repay her double according to her works: in the cup that she has filled, fill it double to her.

7 How much she has esteemed herself, and lived deliciously, so much torment and sorrow give her: for she says in her lev/heart, I sit a malka/queen, and am not a widow, and shall see no sorrow.

8 Therefore shall her plagues come in one day, death and mourning and famine; and she shall be utterly burned with fire: for strong is the Master YHWH-Eloah who judges her.

What Yahuah spoke here in **GilYahna/Revelations 18:4**, saying **"Come out of her, My people-Ami"** is not a question, He is not asking us, **Yahuah is Commanding us to Physically Come Out of Bavel! Why? "so that you receive not of her plagues"** These plagues are the beginning of wrath of Yahuah. No Yisrael is not appointed unto Yahuahs Wrath as it states in verse 9. The wrath it is not for Yisrael, that is why He is Commanding us to Come Out! What does this mean? Just as was the 1st Exodus, this is an actual physical Command! Which means when it is time, before this system collapses, **we are to leave.** Where are we to go? Where did Yisrael go in the first Exodus? **They fled into the wilderness.**

SHOULD YISRAEL FLEE TO THE WILDERNESS? AND WHERE IS THE WILDERNESS?

What does Yahuah tell us in His Word on where we are to go in these end days?

GilYahna/Revelations 12:6 And the woman **fled into the wilderness,** where she has **a place prepared by YHWH,** that they should feed her there **a thousand two hundred sixty days.**

This verse in GilYahna is speaking about Yisrael in the end times. The Woman is Remnant Yisrael who has prepared to flee. It states that she “fled” in the wilderness. To flee is not just taking your time and traveling from one place to another. Or just moving from one stationary location to a different stationary location one time. To flee means you are trying to escape from something. In this case, Yisrael will have to flee to escape the serpent and the beast system.

Where does the woman go? **To the place prepared by YHWH.** Just as in the 1st Exodus of Yisrael, YHWH will go before Yisrael and prepare a place for her to rest. However just as in the 1st Exodus, this place will continually move, it is not a stationary location. How long will Yisrael be in this place prepared by YHWH? One Thousands two hundred and sixty days, or 3 ½ years, the time of the Great Tribulation.

MattitYahu/Matthew 24:16 *Then let them who are in **Yahudah flee into the mountains:**
17 Let him who is on the housetop not come down to take anything out of his bayit:
18 Neither let him who is in the field return back to take his clothes.
19 And woe to them that are with child, and to them that are nursing children in those days!
20 But make tefillah/prayer that your flight is not in the winter, neither on the Shabbat:
21 For then shall be Great Tribulation, such as was not since the beginning of the olam hazeh to this time, no, nor ever shall be.*

These verses here in MattitYahu tells us several things. For one He tells us that if you are in Yahudah, flee into the mountains. The mountains are the wilderness, and what Yahuah said unto one, He said unto Kol Yisrael – **Yochanan Moshe/Mark 13:37.**

Second, if we are not already prepared when the time comes, there will not be time to prepare then. You don't wait until the last minute and expect to be able to get your things together, or to be able to get the things you're going to need in the wilderness.

Third, the time that Yisrael is fleeing, is not just a onetime move. Just as in the 1st Exodus, It is a continuance, that is why we pray that our flight is not in the winter nor on the Shabbat.

YirmeYahu/Jerimiah 23:3 *And I will gather the remnant of My flock out of all countries where I have driven them, and will bring them again to their folds; and they shall be fruitful and increase.*

YesheYahu/Isaiah 11:11 *And it shall come to pass in that day, that YHWH shall set His hand again a second time to recover and restore the remnant of His people, who shall*

be left, from Ashshur, and from Mitzrayim, and from Pathros, and from Kush, and from Eylam, and from Shinar, and from Hamath, and from the coastlands of the sea.

12 And He shall set up a miraculous Banner for the nations and He shall gather the outcasts of Yisrael, and gather together the dispersed of Yahudah from the four corners of the earth.

We are not just fleeing this way or that, Yahuah is going to gather His People Kol Yisrael from around the earth, and by the time the end of the Great Tribulation, He will have brought us to the physically promised land of Yisrael.

Almost a year and half ago, in Aviv of 5993s.c. we wrote a teaching titled "Prepare to Flee Kol Yisrael". In that document, we tried to show things that would get people in the mind set and understanding of what would be needed when Yisrael would have to flee into the wilderness.

But there are few people who even now, almost a year and half later, who are trying to prepare anything at all. Some people think or are being taught, that they have nothing to worry about, that even IF something does happen, Yahuah will do it all for them, and they don't have to do anything.

Well this is not Scriptural, and is against what the Word shows and teaches. Why would we need to be watching to know and understand the times if we do not need to do anything? Yahuah just wants us to know for no reason? Not hardly. The Word is all about being prepared, both in understanding and physically. If Noach/Noah had not spent 5 years building the ark, would he and his family have been saved from the flood? Yahuah has been trying to wake up Yisrael to the day and hour for over two years now. The full "Restoration of the Scriptural Year" teaching was first taught in Oregon in the 4th month of 5992s.c. During this time, we (and others) have tried to wake up our brothers and sisters, and get Yisrael to understand the day and hour we are in. And also what they should be doing during this time.

This is the exact same thing He did using Moshe/Moses before the 1st Exodus. From the first time that Yahuah sent Moshe/Moses before Pharaoh, until the next time, was two years. We find this in the **Scroll of Yahshar/Jasher chapters 79 & 80**.

This two year period was the time during which Yisrael raised oxen, built carts, and gathered/made all the supplies they would need to once again become sojourners, as

they had been stationary as Yisrael is today in Mitzrayim/Egypt. In other words they prepared to flee into the wilderness as Yahuah had commanded Moshe/Moses.

This is what Yisrael should have been doing during this time today. If you have not, you have a short time left, get everything you can together as fast as possible, for the time to flee is nearly here. This isn't something you can do overnight. If it comes down to it, you may be able to grab whatever you can and run, but it will be much harder for you without any preparation beforehand.

WHAT WILL HAPPEN TO THOSE WHO DO NOT WANT TO LEAVE THE COMFORTS OF EGYPT TODAY? AND TO THOSE WHO DO NOT WANT TO LEAVE THIS BEAST SYSTEM?

Yahshar 80:36 And Elohim sent darkness upon Mitzrayim, that the whole land of Mitzrayim and Pathros became dark for three days, so that a man could not see his hand when he lifted it to his mouth.

37 **At that time died many of the people of Yisrael who had rebelled against YHWH** and who would not listen to Moshe and Aharon, and believed not in them that Elohim had sent them.

38 **And who had said, We will not go forth from Mitzrayim lest we perish with hunger in a desolate wilderness**, and who would not listen to the voice of Moshe.

39 And YHWH plagued them in the three days of darkness, and the Yisraelites buried them in those days, without the Mitzrites knowing of them or rejoicing over them.

We have tried to warn our brothers and sisters in these times, so that they can prepare for what is just ahead. We don't want to see our brothers and sisters in Yisrael to be destroyed by this beast system. **Prepare now, before it is too late, as the time to flee may arrive at any moment.**

YirmeYahu/Jeremiah 5:12 *They have been untrue to YHWH, and said, It is not He; **neither shall evil come upon us; neither shall we see any sword nor famine:***

Just because people try to ignore the things that are taking place, or worse yet teach against them, **has no effect** on the timing of the unfolding of these events according to Yahuahs Plan. The only thing that a person will accomplish by ignoring what is written in Yahuahs Word, and the events which are currently taking place all around the earth fulfilling the Word, is they will put themselves, their families, and (if they are

“leaders”) their congregation/flocks, under the ~~mercy~~-**control** and **subjection** to this beast system. And they will literally be led as sheep to the slaughter that is being planned, and will soon be in progress, just as it is written in the Word.

YirmeYahu/Jeremiah 9:16 *I will scatter them also among the gentiles, whom neither they nor their ahvot/fathers have known: and **I will send a sword after them, until I have consumed them.***

This verse will not be fully fulfilled until the Great Tribulation, where all of those in Yisrael who have rebelled against Yahuah will be consumed by the sword just as it is written.

We also read in GilYahna/Revelations what is specifically Commanded for this Generation of Yisrael & what will happen if we as Yisrael dis-obey this Command:

GilYahna/Revelations 12:14 *“And to the woman (which is remnant Yisrael who is fleeing) was given two wings of a great eagle, that she might fly **into the wilderness, into her place**, where she is nourished for a **time, and times, and half a time** (the last 3 ½ years which is the Great Tribulation), from the face of the serpent. 15 And the serpent cast out of his mouth mayim/water as a flood (men/armies from both beasts – government militaries and the muslims) after the woman, that he might cause her to be carried away by the flood.*

16 And the ground helped the woman, and the land opened her mouth, and swallowed up the flood (showing the death of those who come against remnant Yisrael who is in the wilderness), which the dragon cast out of his mouth.

*17 And the dragon was angry with the woman, and **went to make war** with the **remnant of her zera/seed**, that shomer the mitzvoth of YHWH, and have the testimony of Yahushua ha Moshiach. (those who are Yisraelites but who did Not heed Yahuahs Command to Flee to the wilderness and are still out in the cities of the nations).”*

Again, Yahuah shows here where Yisrael is to flee Into the Wilderness where He has prepared a place. He also shows what will happen to those who rebel and do not flee. Since the serpent/devil could not get to the Woman (who is sealed Remnant Yisrael who fled to the wilderness) the serpent then turns to go after her zera/seed. This is speaking of Yisraelies, which it specifically states observe the mitzvoth/Torah and have the testimony of Yahushua, but these Yisraelites **are not where the Woman is**. These Yisraelites are the ones who did not obey to flee. Therefore when Mich-el the arch

malach/angle is commanded to stand still (*Daniel 12:1 and other verses*), the protection over Yisrael will be gone, and the serpent will be able to attack and destroy anyone, using this beast system, who is not part of the Woman who is sealed by Yahuah in the wilderness.

As it was in the Days of Noah, and as in the Days of Sodom & Gomorrah

Luka/Luke 17:26 *And as it was in the days of Noah, so shall it be also in the days of the Ben Ahdahm/Son of Adam.*

*27 They did eat, they drank, they married wives, they were given in marriage, **until the day that Noah entered into the ark, and the flood came, and destroyed them all.***

28 Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they built;

*29 **But the same day that Lot went out of Sedom it rained fire and brimstone from the Master YHWH from the shamayim, and destroyed them all.***

30 Even so shall it be in the day when the Ben Ahdahm is revealed.

*31 **In that day, he who shall be upon the housetop, with his belongings in the bayit, let him not come down to take it away: and he that is in the field, let him likewise not return back.***

32 Remember Lot's wife.

33 Whoever shall seek to save his chayim shall lose it; and whoever shall lose his chayim shall preserve it.

*34 I tell you, in that night there shall be two men in one bed; the **one shall be taken**, and the other shall be left.*

*35 Two women shall be grinding together; the **one shall be taken**, and the other left.*

36 Two men shall be in the field; the one shall be taken, and the other left.

*37 And they responded and said to Him, **Where**, Master? And He said to them, **Wherever the body is, there will the eagles be gathered together.***

Verse 26 "As it was in the days of Noah" covers many more things than we realize. It is not just speaking about the sin that was occurring during that time, but also what Yisrael/Noah was doing. Noah, who is a picture of Yisrael, Prepared! He and his sons spent 5 years building the ark, gathering supplies for them and the animals, and many other things. Like we said before, what would have happened to Noah if he had not built the ark? He would have been carried away and died in the flood with everyone else. This is the same for this generation, except this time instead of an ark it is the wilderness, and the flood is this beast system and the flood of armies.

Also, unlike the lies that are taught by the false church system. Yahushua explains in verse 37, the ones who are taken, are like the ones who were taken in the day of Noach and in the Days of Lot. They were taken away by death. This is the same thing that is going to happen in these end times. And like then, There will only be a remnant who will escape.

There is so much more that needs to be added to this, but time is pressing. We pray that we have at least covered enough here to make people to understand that we must be prepared and it is a physical work that we must do. The 2nd Exodus is also a physical Exodus, where Yisrael must flee into the wilderness.

We have been very busy in preparations here in our congregation. Most of our congregation is preparing to leave. We have been preparing vehicles, trailers, supplies, food, protection, and more for nearly two years. It has even taken longer than we had expected. It is a daily work. We have our place up for sale, and we have been having yard sales to get rid of anything and everything that will not be useful to take with us when we leave. Hoping to be able to use the finances before the economy falls. As we can see what is coming and understand what is written, so we are preparing to move as soon as we can sell and move to the wilderness of north-west Montana or north Idaho, hopefully in the next month or so.

We are planning on getting a mobile satellite internet system, so that when we move, we will be able to keep the websites up and running, and continue sending out teachings and information for as long as Yahuah will allow us to do so. As we know there is a "night" coming when no man can work, but until then we will continue to try to reach out to our brothers and sisters of Yisrael.

However, if Yahuah spoke to us, or made us to understand (*by a sign like the pillar of fire that only Yisrael can see -Yahshar 23:40-48*) to leave immediately, we would not hesitate to walk off from our places and everything that is here, get in our vehicles which hold our supplies and preparations, and leave. We will not wait.

We pray that everyone is getting prepared to the best of your ability. No matter how many supplies you store up, or load on a trailer, it will never be enough. But if you prepare the best that you can, then Yahuah will make the increase to whatever is needed.

And while you are doing so, try to wake up your brothers and sisters who you know. Besides this document, Send them these teachings:
